Consultant and County will agree to the hours necessary to complete the Task by position and phase of work, the actual billing rate of employees performing the work, other additional costs as agreed to by the County, and a design schedule. A list of deliverables shall also be provided. The actual billing rates shall not exceed the billing rates contained in **Exhibit F**. Should the Consultant and County be unable to agree to a reasonable Task Order fee, the County will terminate negotiations with that Consultant and attempt to obtain another Consultant's services.

If the Consultant changes personnel assigned to the Task Order during the course of the project, the County reserves the right to adjust the negotiated rate if the County determines that a lesser qualified professional is assigned to the Task Order. No increases due to changes in personnel will be allowed. Annually, ninety (90) days prior to the anniversary of the Contract, the Consultant shall submit their updated hourly billing rate schedule to the County for inclusion in the Contract. The new direct salaries will only apply to Task Orders executed after the anniversary date and not to existing Task Orders.
