AGENDA REPORT
 BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

SUBJECT:	Approval to Sell 2013 Pierce Tiller Truck Fiscal Impact: Approximate \$500,000 proceeds from sale; \$850,000 annual
DEPT/OFFICE:	Fire Rescue

Requested Action:
 Request Board approval for the sale of the Department's 2013 Pierce Tiller (ladder) Truck (PR# 334-0222). Cost of the tiller truck at the time of purchase was \$938,864.00.

Summary Explanation & Background:
 Fire Rescue Staff requests permission from the Board to dispose of the Department's 2013 Pierce Tiller Truck. Staff has reviewed the overall benefits of operating this unit and has determined that the operating costs outweigh the benefits.

A rough estimated value of the tiller unit is believed to be approximate \$500,000; the actual selling price will depend on market conditions. Proceeds from the sale will be placed into Department's fund reserves for future use. Additionally, Fire Operations will realize an annual reoccurring savings of approximately \$850,000 in operating costs no longer incurred.

If approved, the Department will work with Asset Management to determine the most appropriate method to liquidate the unit.
