Viera, FL 32940

Consent

F.10.

11/12/2024

Subject:

Approval: The Board's approval to purchase one additional Class A Fire Engine/Pumper Truck.

Fiscal Impact:

The Department's FY 2024-25 Adopted Budget includes funds for the purchase of \$700,000 for an additional Fire Engine

Dept/Office:

Public Safety Group: Fire Rescue Department

Requested Action:

The Board of County Commissioners (the Board) is requested to approve the purchase of a Fouts Brothers Class A Fire Engine/Pumper Truck for \$700,000 and delegate to the County Manager approval to execute any documents necessary for this purchase.

Summary Explanation and Background:

The Fire Rescue Department requests the Board's approval to purchase an additional Fouts Brothers Class A Fire Engine/Pumper Truck for \$700,000 in FY2024-25. The Department's FY 2024-25 Adopted Budget included \$3M to purchase three (3) Class A Fire Engine/Pumper Trucks. However, due to the price of the Fouts Brothers Class A Fire Engine/Pumper Truck, the Department is able to purchase four (4) Class A Fire Engine/Pumper Trucks for \$2.8M, which is a savings of \$200,000 from the Adopted Budget. The Department will receive all four (4) Brothers Class A Fire Engine/Pumper Trucks within 6 months after the order is placed. The Fouts Brothers Class A Fire/Pumper Trucks meet the requirements of the National Fire Protection Association (NFPA) 1901 Standard for Automotive Fire Apparatus.

RE: Item F.10., Approval to Purchase One Additional Class A Fire Engine/Pumper Truck

The Board of County Commissioners, in regular session on November 12, 2024, approved the purchase of a Fouts Brothers Class A Fire Engine/Pumper Truck for \$700,000; and authorized the County Manager to execute any documents necessary for this purchase.

Your continued cooperation is always appreciated.

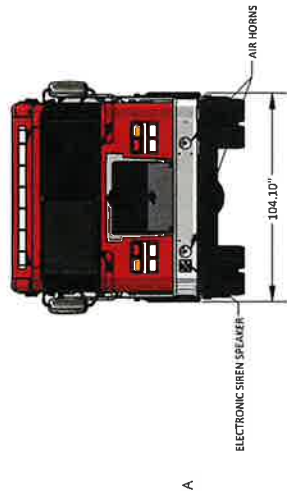

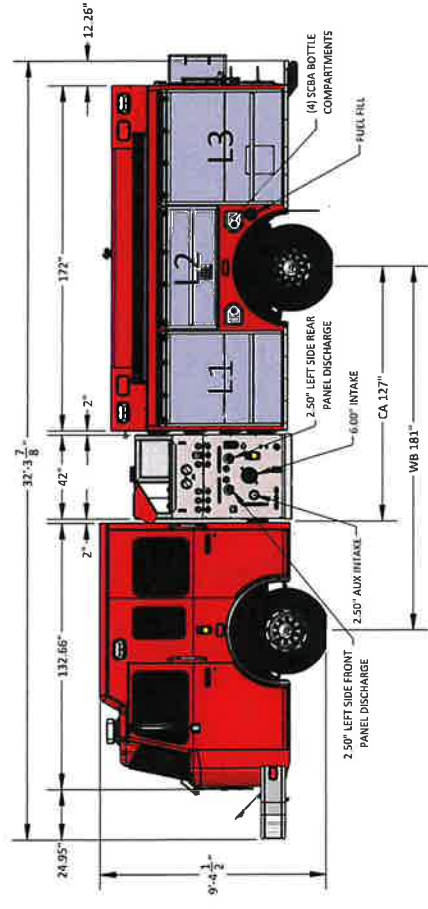

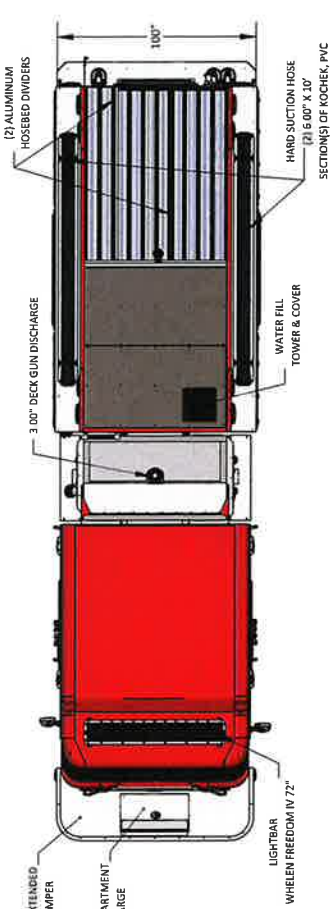

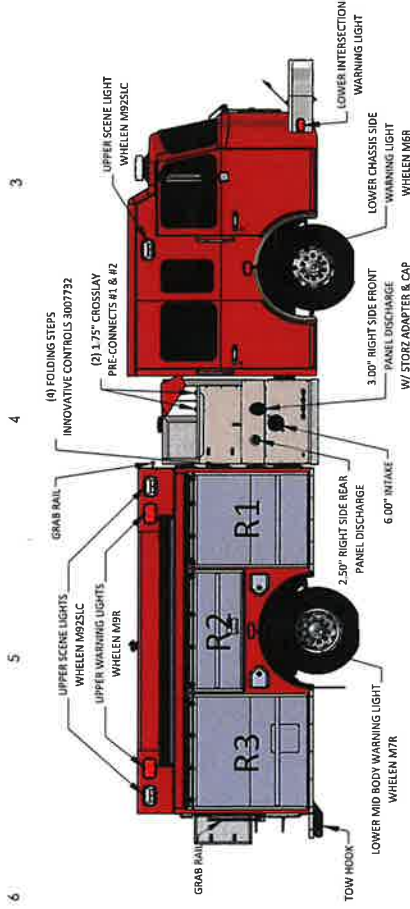

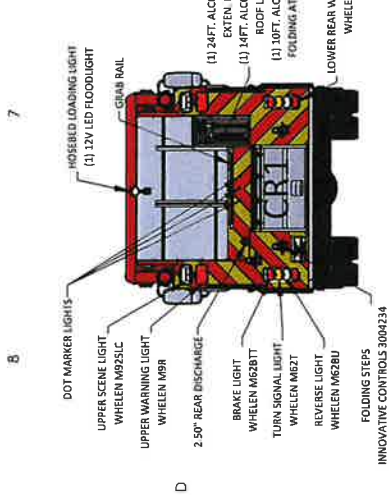

Sincerely,

BOARD OF COUNTY COMMISSIONERS
RACHEL M. SADOFF, CLERK
