**Subject:**

County Employee Fee Discount

**Fiscal Impact:**

Unknown at this time

**Dept/Office:**

District 3 Commission Office

**Requested Action:**

Staff to issue a report

**Summary Explanation and Background:**

It is common for public and private organizations to offer discounts to employees' and their immediate families. Brevard County may want to consider instituting discounts for its employees while setting appropriate limits and parameters on such benefits. Examples of applicable areas may include, but would not be limited to, pavilion rentals, camp sites, youth activities and recreational sport leagues. Any discounts would exclude fines imposed (library fines, code enforcement, etc.), and would not be available to commissioners.

The Board of County Commissioners, in regular session on February 8, 2022, directed staff to issue a report in March, or shortly thereafter on implementing a reasonable employee discount plan that excludes Commissioners, has necessary parameters, and lays out financial impacts.

Your continued cooperation is greatly appreciated.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
