Subject: Changes to the final agenda.

Please note the following changes to the agenda for the January 22, 2019 meeting.

1. Additional appointments were added to F 11
2. Consent Item F 10 was moved to New Business J 3 at the request of the County Manager. (Monitoring systems by Ocean Research & Conservation Association)
3. This has caused the numbering for consent items and new business items to change.
4. The agreement attached to agenda F 2 Consent (Interlocal Agreement for Fountainhead Advanced Denitrification System Project) has been replaced to correct a scrivener's error.

The corrected agenda and agenda packet is on the web page and on the intranet.

Thank you,
Sally

The resolution states that the Gov. was sworn in in 2018. Can you change that to 2019?
