Brevard County Commissioners

Rita Pritchett, Kristine Zonka, Tom Goodson, John Tobia, and Rob Feltner

2725 Judge Fran Jamieson Way

Viera, FL 32940

January 24, 2023

At the last meeting, many of us spoke of the changes in length of stay, reservation policy, and increase in fees. The discount for stays 30 days or longer was also eliminated. We told you how much we treasure our winter home and what we add to the community and economy of Brevard County.

Attached is a list of local campgrounds in the area with prices and other information, as you see, the new rates for Brevard County parks are much higher.

We realize that a price increase is necessary but ask that you please reconsider the amount of that increase and/or bring back the discount for longer stays. We also ask you to reconsider the length of stay and reservation policy.

Thank you,

Kristine L. Gustke
