AGENDA REPORT
BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

SUBJECT:	Scottsmoor Phase 2 Denitrification System: Phase 2 District 1
DEPT/OFFICE:	Natural Resources Management (NRM) Department / Stormwater

Requested Action:
It is requested that the Board of County Commissioners (1) Authorize the Chairman to execute Cost-Share Agreement Contract #LP05118, between Brevard County and the State of Florida to construct a denitrification bioreactor treatment system in Scottsmoor, Brevard County; (2) Approve legal venue as Leon County; (3) Authorize the County Manager, or designee, to execute future contract amendments and change orders subject to the approval of the County Attorney's Office and Risk Management; (4) Approve associated budget change requests.

Summary Explanation & Background:
There are over 1500 stormwater outfalls to the Indian River Lagoon (IRL) in Brevard County – draining roads and agricultural lands and providing flood relief for citizens. Hundreds of these outfalls have very little or no treatment for water quality.

Brevard County's 2016 Legislative Program included a \$437,000 request for a 50% cost share for the installation of two Denitrification Bioreactor (DNBR) treatment train systems parallel to two drainage ditches both of which convey of pollutants by groundwater and stormwater pollution to the Indian River Lagoon. FDEP has chosen to contract for each ditch separately as Phases I and II. Of the \$437,000 approved by the Legislature, \$99,957 is for Phase 1 however that cost share agreement is not yet finalized by FDEP. The attached document includes a proposed cost-share agreement for \$337,043 for the Scottsmoor Denitrification System: Phase 2.

The retrofit work includes installation of DNBR chambers and phosphorus removal media for an upstream baffle box. A low profile weir will be installed within the ditch to divert stormwater and groundwater into the treatment train system. The proposed improvements have the potential to reduce pollutant loads by 40-97%, depending on site conditions. Construction is expected to begin in Fall 2017. A land use agreement with Florida Inlands Navigational District (FIND) is also in progress to allow the County to construct both treatment systems parallel to the drainage ditches on FIND-owned property.

Fiscal Impact: FY 16-17: \$337,043: Revenue from FDEP Agreement No. LP05118: Line Item 1600A of FY 16-17 General Appropriations Act. Matching funds are already budgeted in the Stormwater Capital Improvement Plan. The balance of revenues not reimbursed this year will be recognized in FY 17-18.

THIS AGREEMENT ("Agreement") is made and entered into between the **BOARD OF COMMISSIONERS OF BREVARD COUNTY, FLORIDA** ("Brevard County") and Environmental Conservation Solutions, LLC., a Florida corporation ("ECS").

WITNESSETH:

WHEREAS, ECS desires to install its Passive On-site Treatment System (POTS®) drainfield in accordance with the Florida Department of Health's (FDOH) Innovative System Permit ("ISP"), as described in the FDOH approval letter dated April 14, 2016, attached and incorporated here in as Exhibit "A", at certain locations in Brevard County, Florida; and

WHEREAS, the St. Johns River Water Management District recently awarded grant #28752 to Brevard County for a Passive Nutrient Reduction for Onsite Sewage Treatment and Disposal Project attached and incorporated herein as Exhibit "B"; and

WHEREAS, Brevard County desires to engage ECS to install such POTS® drainfields at certain locations in accordance with the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth herein, the parties hereto agree as follows:

1. Installation. ECS will design and install three (3) POTS® drainfields which utilize Bold & Gold® media in each drainfield (the "Project") in accordance with the ISP. The location for the drainfields will be selected by ECS and Brevard County by mutual agreement. ECS will be the sole source and provider for all materials and labor related to the installation. POTS® drainfield installations will occur under the guidance of ECS employees. ECS will select the installing contractor and provide all materials to complete the Project and pay permit fees relating to the Project. ECS is responsible for any monitoring and associated costs required by Section A.d. of the ISP
2. Disbursement of Grant Funds. Brevard County will follow SJRWMD grant reimbursement guidelines and will disburse to ECS such monies it receives pursuant to the Grant in accordance with such guidelines for qualifying expenses relating to the Project, not to exceed the per site maximum allowed by SJRWMD under the Grant. ECS will submit invoices to Brevard County regarding qualifying expenses it has incurred. ECS will be responsible for all costs over and above the amounts provided pursuant to the SJRWMD Grant and Brevard County will have no responsibility for such costs in excess of what it receives pursuant to the Grant.
3. Location. All locations associated with this agreement will be on county-owned property that meet the specifications of the ISP as shown in Exhibit A.
4. Monitoring. The POTS® will be monitored (sampled) for the first year following installation by Brevard County staff. During the first year of monitoring, Brevard County is responsible for the monitoring schedule and for meeting the FDOH monitoring protocol under

the ISP. The second year of monitoring will be at the expense of ECS per the ISP. During the first year of monitoring and until the permit reclassification is complete, any maintenance and repairs of the system will be at the expense of ECS. ECS is responsible for all other permit conditions and requirements associated with the ISP. ECS will be responsible for the cost and effort associated with the reclassification of the ISP to a standard permit. After one (1) year of monitoring under the FDOH ISP, the system will be the property owner's responsibility for maintenance and repairs provided the system is functioning as designed, all other ISP permit conditions besides monitoring have been met, and the permit reclassification is complete.

5. Research Data. The parties agree that the research data collected through monitoring of the POTS[®] drainfield may be used for public education, presentations, and media coverage by both parties at their discretion.

6. Warranty. If, for any reason, the POTS[®] drainfield does not perform substantially as intended during the first year after installation, ECS will be solely responsible for providing the owner with a conventional drainfield approved by the FDOH at NO COST to Brevard County or the owner of the property where the POTS[®] system was installed. ECS will be responsible for the cost and effort associated with the reclassification of the ISP to a standard permit.

7. Subordination. This Agreement is subordinate to Grant Agreement # 28752, attached as Exhibit B, and nothing in this Agreement shall conflict with or otherwise contravene the intent of the provisions of the Grant Agreement. In the event any grant funds must be refunded pursuant to the Grant Agreement, ECS shall refund any grant funds disbursed to it by Brevard County within 30 days of notification.

8. Indemnification. ECS agrees to the fullest extent permitted by law, to indemnify, defend and hold harmless Brevard County from and against all claims, losses, damages, personal injuries (including but not limited to death), or liability, arising from, out of, or caused by: ECS, its officers, employees, agents, or contractors, negligent or intentional acts, errors, omissions in the operation, maintenance, construction, repair or other use contemplated herein of the POTS[®] drainfield, except to the extent of negligence or wanton misconduct of Brevard County.

To the extent allowed by law, Brevard County agrees to indemnify and hold harmless ECS against all claims, damages, losses, and expenses, including attorney's fees, arising out of or resulting from Brevard County's monitoring of the POTS[®] drainfield sites, if such claims, damages, losses, or expenses are caused solely by the negligent or wrongful acts of Brevard County, its officers or employees. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes, or other limitations imposed on the Grantee's potential liability under state or federal law.

ECS and Brevard County agree to provide the other with written notice of any claim subject to this provision within ten (10) days of its receipt of notice that a claim exists. Notice of claim shall be deemed to be given on the date of mailing thereof by United States Mail, First Class Delivery. The parties agree to cooperate fully in the defense of any such claim.

DEP AGREEMENT NO. LP05118

**STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESTORATION ASSISTANCE
GRANT AGREEMENT
PURSUANT TO LINE ITEM 1600A OF THE FY16-17 GENERAL APPROPRIATIONS ACT**

THIS AGREEMENT is entered into pursuant to Section 215.971, Florida Statutes (F.S.), between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS, whose address is 2725 Judge Fran Jamieson Way, Viera, Florida 32940 (hereinafter referred to as "Grantee"), a local government, to provide financial assistance for the Scottsmoor Denitrification System – Phase II project. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. TERMS OF AGREEMENT:

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

2. PERIOD OF AGREEMENT:

This Agreement shall begin upon execution by both parties and shall remain in effect until May 1, 2019, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2016 through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. FUNDING/CONSIDERATION/INVOICING:

A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$337,043. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.

B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement.

i. A Change Order to this Agreement is required when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories, as defined in Attachment A, are less than ten percent (10%) of the total budget as last approved by the Department. All Change Orders are subject to the mutual agreement of both parties as evidenced in writing.

ii. A formal Amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount, a change in the Grantee's match requirements, a change in the expiration date of the Agreement, and/or changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment A, exceeds or is expected to exceed ten percent (10%)

of the total budget as last approved by the Department. All Amendments are subject to the mutual agreement of both parties as evidenced in writing.

- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B, Payment Request Summary Form**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.
- D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable. Reimbursement shall be limited to the following budget categories:
- i. **Contractual** (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. Subcontracts, which involve equipment purchases as part of an installation/retrofit or that include infrastructure and/or infrastructure improvements, as defined in Florida Chief Financial Officer (CFO) Memorandum No. 5 (2011-2012), must be capitalized in accordance with Chapter 69I-72, Florida Administrative Code (F.A.C.). The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

For fixed-price (vendor) subcontracts, the following provisions shall apply:

- a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.
- b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price

negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.

- c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.
- E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.
- F.
 - i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 - ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
 - iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

4. **ANNUAL APPROPRIATION:**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. **REPORTS:**

- A. The Grantee shall utilize **Attachment D, Progress Report Form**, to describe the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly reports shall be submitted to the

Department's Grant Manager no later than twenty (20) calendar days following the completion of the quarterly reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

- B. The Grantee will identify the expected return on investment for this project and provide this information to the Governor's Office of Policy and Budget (OPB) within three months of execution of this Agreement. For each full calendar quarter thereafter, the Grantee will provide quarterly update reports directly to OPB, no later than 20 days after the end of each quarter, documenting the positive return on investment to the state that results from the Grantee's project and its use of funds provided under this Agreement. Quarterly reports will continue until the Grantee is instructed by OPB that no further reports are needed, or until the end of this Agreement, whichever occurs first. All reports shall be submitted electronically to OPB at env.roi@laspbs.state.fl.us, and a copy shall also be submitted to the Department at legislativeaffairs@dep.state.fl.us.

6. **RETAINAGE:**

Retainage is not required under this Agreement.

7. **INDEMNIFICATION:**

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. **DEFAULT/TERMINATION/FORCE MAJEURE:**

- A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- C. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether

of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. REMEDIES/FINANCIAL CONSEQUENCES:

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

10. RECORD KEEPING/AUDIT:

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

11. **SPECIAL AUDIT REQUIREMENTS:**

- A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grant Manager to request a copy of the updated information.

For federal financial assistance, the Grantee shall utilize the guidance provided under 2 CFR §200.330 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. **SUBCONTRACTS:**

- A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to paragraph 3.D. of this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

- i. The contractor's maintaining an office or place of business within a particular local jurisdiction;
 - ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
 - iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
- B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

14. LOBBYING PROHIBITION:

In accordance with Section 216.347, F.S., the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

15. COMPLIANCE WITH LAW:

The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

ATTACHMENT C

Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.
