AGREEMENT

This Agreement made and entered into this 3rd day of November, 2017 by and between **BREVARD COUNTY, FLORIDA** a political subdivision of the State of Florida (hereinafter referred to as the "County"), and **PHYSIO-CONTROL, INC.**, a Corporation with its principal place of business at 11811 Willows Road NE Redmond, WA 98073-9706 (hereinafter referred to as "Physio-Control").

WITNESSETH

WHEREAS, the County desires to obtain the services of Physio-Control on behalf of Brevard County Fire Rescue (BCFR), with its principal place of business at 1040 S. Florida Ave., Rockledge, Florida 32955 to provide on-site Comprehensive Coverage for BCFR Lifepak 15 equipment.

NOW THEREFORE, in consideration and acknowledgement of the premises and the mutual promises specified hereinafter, it is mutually agreed by the parties as follows:

SECTION 1 TERM:

The Term of this Agreement will be in force and effective October 1, 2017 and will terminate September 30, 2020.

SECTION 2 TERMINATION:

Either party may terminate this Agreement for material breach by the other party by providing a thirty (30) days written notice to the other party, and provided such breach is not cured with the notice period. In addition, either party may terminate this Agreement at any time upon sixty (60) days prior written notice to the other party. In the event of such termination, the County shall be responsible for the portion of the designated price which corresponds to the portion of the Service Plan subscription prior to the effective date of termination and the list-price cost of any preventative maintenance, inspections, or repairs rendered after the last anniversary date of the subscription start date.

SECTION 3 TERMS FOR ALL PRODUCTS, SERVICES AND SUBSCRIPTIONS:

- 3.1** On-site Comprehensive Coverage for LIFEPAK ® 15 Includes:
- Services performed at customer's location by a Physio-Control Technical Specialist.
 - Parts and labor necessary to restore device to original specifications.
 - Annual Preventive Maintenance and inspections including quality assurance documentation.
 - Discounts on accessories, disposables, and upgrades.
 - Updates to the latest software version.
 - Preconfigured loaner device provided if needed.
 - Battery Replacement Service.
- 3.2** Physio-Control accepts the County's order expressly conditioned on the County's assent to the terms set forth in this document. The County's order and acceptance of any portion of the goods, services or subscriptions shall confirm the County's acceptance of these terms. Unless specified otherwise herein, these terms constitute the complete agreement between the parties. Amendments to this document shall be in writing and no prior or subsequent acceptance by Physio-Control of any purchase order, acknowledgment, or other document from the County specifying different and/or additional terms shall be effective unless signed by both parties.
- 3.3** Physio-Control shall provide services according to the applicable Service Plan purchased by the County and described at <http://www.physio-control.com/ServicePrograms.aspx> for the length of the subscription purchased and for the devices specified in **Schedule A** as covered by the Service Plan ("Covered Equipment").
- 3.4** If Covered Equipment is not made available at a scheduled service visit, the County is responsible to reschedule with the Physio-Control Service Technician, or ship-in the Equipment to a Physio-Control service depot. Physio-Control reserves the right to charge the County a surcharge for a return visit. Surcharges will be based on then-current Physio-Control list price of desired services, less 10% for labor and 15% for parts, plus applicable travel costs. The return visit surcharge will be in addition to the subscription price of the Service Plan. To avoid the surcharge, the County may ship devices to a Physio-Control service depot. The County

shall be responsible for round-trip freight for ship-in service.

- 3.5 If the County requests services to be performed on Covered Equipment which are not covered by a Service Plan, or are outside of designated Services frequency or hours, Physio-Control will charge the County for such services at 10% off Physio-Control's standard rates (including overtime, if appropriate) and applicable travel charges. Repair parts required for such repairs will be made available at 15% off the then-current list price.
- 3.6 If Covered Equipment must be removed from service to complete repairs, Physio-Control will provide the County with a loaner device, if one is available. The County assumes complete responsibility for the loaner and shall return the loaner to Physio-Control in the same condition as received, normal wear and tear exempted, upon the earlier of the return of the removed Covered Equipment or Physio-Control's request.
- 3.7 Physio-Control will not be liable for any loss or damage of any kind due to its failure to perform or delays in its performance resulting from an event beyond its reasonable control, including but not limited to, acts of God, labor disputes, the requirements of any governmental authority, war, civil unrest, terrorist acts, delays in manufacture obtaining any required license or permit, and Physio-Control inability to obtain goods from its usual sources.
- 3.8 During the Service Plan subscription and for one (1) year following its expiration the County agrees to not to actively and intentionally solicit anyone who is employed by Physio-Control to provide services such as those described in the Service Plan.

SECTION 4 LIMITED WARRANTY:

- 4.1 Physio-Control warrants its products and services in accordance with the terms of the limited warranties located at <http://www.physio-control.com/Documents/>. Physio-Control makes no other warranties, express or implied, including, without limitation, **NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND IN NO EVENT SHALL**

PHYSIO-CONTROL BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR OTHER DAMAGES.

- 4.2** All devices that are not covered under Physio-Control's Limited Warranty or a current Service Plan must be inspected and repaired (if necessary) to meet specifications at then current list prices prior to being covered under a Service Plan.
