### **Subject:**

Speak Up Brevard

### **Fiscal Impact:**

None

### **Dept/Office:**

County Manager's Office

### **Requested Action:**

It is requested that the Board of County Commissioners review the citizen recommendation submitted through Speak Up Brevard and vote to accept the recommendation as submitted; accept the recommendation with modification; or reject the recommendation as is required under the County Charter.

### **Summary Explanation and Background:**

Brevard County Home Rule Charter, Section 2.9.10, provides citizens a mechanism for an individual, organization, or group of individuals to provide the County Commission recommendations for the enhancement of the effectiveness and efficiency of County government on an annual basis. In calendar year 2022, the County received one (1) citizen recommendation.

This is a project based within the city limits of Satellite Beach and outside of the Brevard County Board of County Commissioners jurisdiction to address. The Speak Up Brevard recommendation was attached and sent via email to Satellite Beach City Manager Courtney Barker on Jan. 17, 2023, and verbal confirmation of receipt was received. There has been no additional action taken on this recommendation by County staff.

Attached is the citizen recommendation. Included in the attachment are the details of the citizen's recommendation. Staff input relating to this recommendation is that it be rejected by the Board.

According to the Brevard County Home Rule Charter, and Board Policy BCC-95, the Board of County Commissioners must take a final vote either to approve, accept with modifications or reject within 120 days of the submittal date of Speak Up Brevard recommendations. The Speak Up Brevard deadline for submitting recommendations for this past year was Jan. 1, 2023.

**Subject:** Re: Submitted by a County resident

Courtney, good Tuesday morning. Every year from Dec. 1-Dec. 31 the County solicits input from residents about various issues/concerns they want the County to focus attention on or address. This year we received only one request (really more of a letter of opposition), which I have included below. This is not an issue we're involved in so I'm merely calling it to your attention. No action is required on your behalf – unless you choose to take an action of some kind. Please consider this just an FYI. As always, if I can ever be of assistance to you please feel free to reach out.

Sincerely,

Don

**Recommendation Information:**

**Recommendation ID** 2023001  
**Recommendation Title** The Vue proposed resort construction  
**Areas Affected** Development

**Department Affected** PLANNING AND DEVELOPMENT DEPARTMENT

**Current problem** I am apposed to the development of the parcel of land for use as a high rise hotel/resort. This is not in line with the agreement to only development this land. This use will negatively impact the community and the protected park across A1A. The density and type of use does not fit the residential nature of the area.

**Recommendation** Only allow single family units on the property.

Hi Kim,

I was finally able to speak with Frank.

He told me the Board voted to "reject the recommendation".

He said that Board went with staff input in paragraph 3 of the Summary.

I hope this helps.

Happy Friday,  
Cathy

Good Morning Kim,

I just wanted to give you an update. I have not had the opportunity to speak with Frank about it. Yesterday afternoon it was one meeting after another.

He is out of the office today. So, I hope to get with him sometime Thursday to find out how he would like to handle it.

Hope you have a wonderful day.

Thanks,  
Cathy
