Permission to Reject Request for Proposals (RFPs) Received for Proposal # P-3-17-10 Brevard County Beach Cleanup and Maintenance

FISCAL IMPACT:

Fiscal Impact of this Service (currently under a Beach Program Grant Program) FY2016-17 \$170,000;

DEPT/OFFICE:

Central Services

REQUESTED ACTION:

It is requested that the Board of County Commissioners authorize Purchasing Services to reject the proposals submitted for RFP# P-3-17-10, Brevard County Beach Cleanup and Maintenance.

SUMMARY EXPLANATION and BACKGROUND:

On July 11, 2017, The Board granted permission to the TDO to request proposals for beach clean-up and maintenances services on Brevard County beaches on an on-going basis. On August 9, 2017, proposals were received from the following six firms:

- Keep Brevard Beautiful
- Physicians Assistance LLC
- Neat Sand Inc.
- Mallek Enterprises, LLC
- Robert Daniels
- Alpha-Omega Training and Compliance Inc

On August 21, 2017, the selection committee appointed by the Board evaluated the responses, conducted interviews with all firms and ranked Keep Brevard Beautiful as the #1 proposer at a proposed fee of \$170,000 annually. However, discussions during the RFP processed prompted discussion on partnering with other beach maintenance services contracts already in place at locations in same area in order ensure no duplication of services and best use of Tourism Beach Program funds.

Fiscal Impact of this Service (currently under a Beach Program Grant Program) FY2016-17 \$170,000;
