A copy of AO-47 is available upon request from the County's public records custodian designated below.

If Tenant claims certain information is exempt and/or confidential, it must cite to specific statutory provisions or case law in order to justify removal or redaction of said information.

Should the County face any legal action to enforce inspection or production of the records within the Tenant's possession and control, the Tenant agrees to indemnify the County for all damages and expenses, including attorney's fees and costs. Failure of the Tenant to comply with this provision shall be considered a material breach of this Contract and shall result in the immediate termination of this Contract by the County, where upon the County shall be entitled to immediately require Tenant to remove the personal property and the County shall be entitled to re-enter and retake possession of the Property.

## **Section 22. Indemnification and Insurance.**

**A)** The Tenant agrees that it will indemnify and hold harmless the County from any and all liability, claims, damages, expenses (including attorney's fees and costs), proceedings and causes of action of every kind and nature, arising out of or connected with the Tenant or Tenant's employees, contractors, subcontractors, agents, representatives or volunteer's use, occupation, management or control of the Property or any improvements thereon or any furniture, furnishings, equipment and fixtures utilized in connection therewith. The Tenant agrees that it will, at its own expense, defend any and all actions, suits or proceedings which may be brought against the arising from the Tenant's activities and that it will satisfy, pay, and discharge any and all judgments that may be entered against the County in any such action or proceeding. It is agreed by the parties hereto that specific consideration has been paid under this Contract for this indemnification and hold harmless provision.

**B)** Tenant shall not use the Property in any manner, even in its use for the purposes for which the Property is leased, that will increase the risk covered by insurance on the building where the Property is located, so as to increase the rate of insurance on the Property or to cause cancellation to any insurance policy covering the building. Tenant further agrees not to keep at the Property, or permit to be kept, used, or sold thereon, anything prohibited by the policy of fire insurance covering the Property. Tenant shall comply, at its own expense, with all requirements of insurers necessary to keep in force the fire and public liability insurance covering the Facility.

**C)** The Tenant agrees to provide and maintain at all times during the term of this Contract, without cost or expense to the County, policies of insurance generally known as comprehensive general liability policies insuring the Tenant against any and all claims, demands, and causes of action whatsoever for injuries received and damage to property and any improvements thereon by the Tenant. The Tenant agrees and understands that the County does not and shall not carry liability, theft or fire insurance on said property to cover the Tenant's interest therein.

**G)** The Tenant shall provide the described insurance on policies and with insurers acceptable to the County. These insurance requirements shall not relieve or limit the liability of the Tenant. The County does not in any way represent that these types or amounts of insurance are sufficient or adequate to protect the Tenant's interests or liabilities, but are merely minimums. A certificate of insurance indicating that the Tenant has coverage in accordance with the requirements of this Contract shall be furnished by the Tenant to North Area Parks Operations, 475 North Williams Avenue, Titusville, Florida 32796 prior to execution of this contract.

#### **Section 23. Independent Contractor.**

The Tenant shall perform the terms and conditions of this Contract as an independent contractor, and nothing contained herein shall be construed to be inconsistent with this relationship or status. Nothing in this Contract shall, in any way, be construed to constitute the contractor or any of its agents or employees as the representative agents or employees of the County.

#### **Section 24. Licenses, Permits, and Taxes.**

Tenant agrees to secure and maintain all licenses and permits required to operate and to pay any and all applicable sales or use tax, or any other tax or assessment which shall be imposed or assessed by any and all governmental authorities, in connection with the business or operation conducted under this Contract, and to meet all federal, state, county and municipal laws, ordinances, policies and rules. **Section 27. No Waiver of Covenants or Conditions.**

The failure of either party to insist on strict performance of any covenant or condition hereof, or to exercise any option herein contained shall not be construed as a waiver of such covenant, condition, or option in any other instance. This Contract cannot be changed or terminated orally.
