Subject:

Board Adoption of a Fire Assessment Rate Adjustment (CPI 1.81% in FY2020-21); and Board Ratification, Confirmation and Certification of the Annual Fire Services Non-Ad Valorem Assessment Roll.

Fiscal Impact:

None

Dept/Office:

Fire Rescue Department

Requested Action:

Request the Board adopt a Fire Assessment Rate increase of by 1.81% in FY 2020-21, as approved by the Board in Resolution No. 18-079 on May 22, 2018. Request the Board ratify, confirm and certify the non-ad valorem assessment roll, which has been updated to reflect the 1.81% rate adjustment.

Summary Explanation and Background:

On May 22, 2018, by adoption of Resolution No. 18-079, the Board of County Commissioners adjusted the Fire Services Non-Ad Valorem Special Assessment within the benefit area by an increase of six percent in Fiscal Year 2018-2019, followed by an annual rate increase equal to the Consumer Price Index (CPI) or three percent, whichever is lower, until a 15 percent (15%) increase over the Fiscal Year 2018 rate is achieved.

The Consumer Price Index rate for Fiscal Year 2019-2020 was 2.443 percent.

The Consumer Price Index rate for Fiscal Year 2020-2021 is 1.81 percent.

Additionally, on an annual basis, the Board of County Commissioners must review the fire assessment rolls for conformity with the non-ad valorem special assessment rates and make any changes or additions as necessary to conform the rolls to the rates. The annual Fire Service non-ad valorem assessment roll has been prepared with a 1.81% rate adjustment. Upon completion of the review, the Board shall ratify, confirm, and certify a non-ad valorem assessment roll and then forward it to the Tax Collector. Once the Board ratifies, confirms and certifies the roll, Fire Rescue will forward the roll to the Tax Collector and the assessment will be collected in accordance with the uniform method of collection.

Clerk to the Board Instructions:

Please forward fully executed rate resolutions to the Fire Rescue Department, Attn: Pamela Barrett, with a copy to the County Attorney's.

RESOLUTION NO. 2020- 099

RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS ADOPTING A SCHEDULE OF RATES FOR THE FIRE SERVICES NON-AD VALOREM SPECIAL ASSESSMENT IMPOSED AGAINST ALL IMPROVED REAL PROPERTY WITHIN THE BENEFIT AREA OF BREVARD COUNTY FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2020.

WHEREAS, section 197.3632, Florida Statutes, grants the Board of County Commissioners (the "COUNTY") the power to utilize the Uniform Method for collecting special non-ad valorem assessments; and

WHEREAS, on May 22, 2028, the Brevard County Board of County Commissioners adopted Resolution No. 18-079, adjusting the Fire Services Non-Ad Valorem Special Assessment within the benefit area by an increase of six percent in Fiscal Year 2018-2019, followed by an annual rate increase equal to the Consumer Price Index (CPI) or three percent, whichever is lower, until a 15 percent (15%) increase over the Fiscal Year 2018 rate is achieved; and

WHEREAS, the Fiscal Year 2019-2020 Consumer Price Index Rate was 2.443 percent; and

WHEREAS, the Fiscal Year 2020-2021 Consumer Price Index Rate is 1.81 percent; and

WHEREAS, the benefit area for the imposition of the Fire Service Special Assessment includes the unincorporated areas of Brevard County, the Town of Grant-Valkaria, the Town of Melbourne Village, the Town of Palm Shores, and the City of West Melbourne; and

WHEREAS, the purpose of the Fire Services Special Assessment is to require owners of improved property within the benefit area to fund their proportionate share of the cost to the County to provide fire service which ensures the proper health, safety and welfare of each citizen, visitor and their properties; and

WHEREAS, the COUNTY has previously determined that improved real property in the benefit area is specially benefitted by the availability of fire protection services, including such benefits as lower insurance premiums and enhanced property values; and

WHEREAS, the COUNTY has previously found that it is equitable and appropriate to levy annual non-ad valorem assessments upon all benefited property within its jurisdiction for the purpose of providing high quality fire services including first response capability.

NOW THEREFORE, BE IT RESOLVED by the Brevard County Board of County Commissioners:

Section 1. RECITATIONS. The foregoing recitations are true and correct and incorporated by this reference.

Section 2. FINDINGS. It is ascertained, determined and declared that:

a) The purpose of the Fire Services Special Assessment is to require owners of improved property within the benefit area to fund their proportionate share of the cost to the County to provide fire service which ensures the proper health, safety and welfare of each citizen, visitor and their properties.

b) The Fire Services Special Assessment will be charged to all improved real property within the benefit area of Brevard County.

c) The effort and resources necessary to mitigate fires is dependent on the possible volume of and type of fire fuel load within the improved property, as determined by historical national data, and standards adopted by the National Fire Protection Association (NFPA).

d) The suppression of fires on unimproved real property (vacant property) primarily benefits adjacent improved property by containing the spread of fire rather than preserving the value of the vacant parcel or the use of any surface improvements. Therefore, unimproved real properties are exempt from the Fire Services Special Assessment.

e) It is equitable and appropriate to increase the levy of annual non-ad valorem assessments upon all benefited property within the benefit area for the purpose of providing high quality fire services including first response capability.

f) A rate increase, applied equally across all categories of the apportionment and assessment methodologies set forth in the Burton and Associates 2008 Report, continues to fairly and reasonably apportion the costs of fire services among all benefited residential and non-residential properties served by Brevard County in accordance with the benefits conferred by the availability of fire protection services.

g) Improved real property in the benefit area are specially benefitted by the availability of fire protection services, including such benefits as lower fire insurance premiums and enhanced property values.

h) In accordance with Resolution 18-079, adopted May 22, 2018, the fiscal year 2020-2021 rates for the Fire services Special Assessment will be increased by the Consumer Price Index of 1.81 percent over the rates charged in Fiscal Year 2019-2020, as reflected in the schedule of rates below.

Section 3. SCHEDULE ADOPTED. The COUNTY adopts the schedule of rates for the Fire Services Special Assessment attached as Schedule "A", effective October 1, 2020 through September 30, 2021.

Section 4: DEFINITIONS. For the purpose of this schedule of rates for the Fire Services Special Assessment, the following definitions shall apply:

- (a) Improved Real Property: Refers to parcels upon which a building or structure exists.
- (b) Unimproved Real Property: Refers to parcels that are vacant – no buildings or structures are shown in the Brevard County Property Appraiser's database.
- (c) Multi-family: Residential properties that are connected by at least one wall to another residential property (i.e. apartment buildings, triplex, condominiums, etc.), or where more than one residential structure exists on a single parcel.
- (d) Single Family: Residential buildings or structures designed or constructed for and capable of use by one family regardless of the type of structure. Such term includes single family residence, mobile home, manufactured home, a condominium parcel used for a mobile or manufactured home, manufactured home cooperative or a condominium park home that is erected on a separate parcel of property.
- (e) Governmental Property: Properties owned by any governmental entity, including Federal, State, County and Municipality.
- (f) Managed Land: Unimproved property that meets the Use Code description/use for agricultural purposes.
- (g) Recreational Vehicle (RV) Park/Property: Means those parcels which are lawfully used as rental or condominium park settings for recreational vehicles and which are regulated by the Florida Department of Health pursuant to Chapter 513, Florida Statutes.
- (h) Mobile Home/Manufactured Home Park Property: Means those parcels with a Use Code description which is lawfully used as a rental park setting for mobile or manufactured homes or the like.
- (i) Building Area: The adjusted area of a building expressed in square feet and reflected on the Tax Roll or, in the event such information is not reflected or determined not to be accurately reflected on the Tax Roll, that area determined by the County. For residential parcels, "Building Area" refers to the "Living Area" field in the Brevard County Property Appraiser's database.
- (j) Building Area Classification Ranges (Bins): The classification of properties into ranges, or "bins", based on building area square footage.

- (k) Use Code: The property use code assigned by the Property Appraiser to Tax Parcels within the Benefit Area. A list of Use Codes is attached hereto as Schedule "B".
- (l) Base Rate Benefit Factor or Base Rate Factor: The multiplier (either 1.00, .58, .42, or .00) applied to fairly and reasonably apportion the Fire Service Non-Ad Valorem Special Assessment among residential properties, other than those residential uses designated "Multifamily" or "Mobile Home Park (MHP)." The Base Rate Benefit Factor derives from each parcel's "base rate", which is a value maintained in the Brevard County Property Appraiser's database, and which represents the building cost per square foot which serves as the basis for the Property Appraiser's periodic appraisal of the value of the parcels within Brevard County.
- (m) Billing Unit: The number of residential, commercial or improved parcels within the benefit area.
- (n) Fire Services: Provides for 24 hour a day, 7 day a week fire services on standby for first response to medical and fire emergencies.
- (o) "Special Assessment" or "Fire Services Special Assessment" or "non-ad valorem assessment": The Fire Service Non-Ad Valorem Special Assessment that may be used to pay for all and/or a portion of the cost to the County for providing fire services within the Benefit Area.
- (p) Hazard Code: The Hazard Codes developed by the National Fire Protection Association (NFPA) for the fire service using research and historical data to determine the water flow needed for fire suppression. Hazard Codes are based on the risk, occupancy and contents, associated with the use of the property. The Hazard Codes are .08 (light hazard), .13 (ordinary hazard, group 1), .18 (ordinary hazard, group 2) and .30 (extra hazard). See Schedule B.
- (q) Benefit Area: The unincorporated area of Brevard County, the Town of Grant-Valkaria, the Town of Melbourne Village, the Town of Palm Shores, and the City of West Melbourne.
- (r) Tax Parcel: A parcel of property located within the Benefit Area to which the Property Appraiser has assigned a distinct ad valorem property tax identification number.

Section 5: CALCULATION OF FIRE SERVICES ASSESSMENT.

(a) *Residential Parcel Apportionment.*

- (1) *Building Area*. The variation in Building Area of residential properties affects the benefit conferred by the availability of fire protection services. Typically, the greater the Building Area of a dwelling unit, the greater the benefit conferred by the availability of fire protection services (protection against loss, lower property casualty insurance rates and premiums, and

enhancement of property value). Therefore, apportioning the special assessment among residential properties relative to Building Area is a fair and reasonable method of apportionment.

(A) *Residential Building Area Classification Ranges (Bins).* All residential properties were evaluated and seven (7) primary residential Building Area Classification Ranges, or "bins", were defined that resulted in a rational distribution of residential properties among the bins such that similar numbers of properties fall above the median building size and below the median building size. This approach results in a fair and reasonable distribution of the residential parcels among the bins.

(2) *Base Rate Benefit Factor.* The variation in relative building value of residential properties affects the benefit conferred by the availability of fire protection services (protection against loss, lower property casualty insurance rates and premiums, and enhancement of property value). The Base Rate Benefit Factor assigned to residential properties (derived from each parcel's Base Rate, which is a value maintained in the Brevard County Property Appraiser's database and which represents the building cost per square foot which serves as the basis for the Property Appraiser's periodic appraisal of the value of parcels within Brevard County) reflects the proportionate difference in typical building value between various types of residential property. For example, the building value of manufactured and mobile home residential property is typically lower than for conventional single-family residential property, and therefore manufactured and mobile home assessments should be proportionately lower than single-family home assessments to reflect the lower special benefit received by manufactured and mobile home units. Therefore, apportioning the Fire Services Special Assessment among residential properties relative to Base Rate Benefit Factor is a fair and reasonable method of apportionment.

(3) *Residential Assessment Rates.* Residential assessment rates shall be developed by deriving an equivalent residential unit (ERU) value for each residential property which is the product of its ERU size factor (based on Building Area Classification Ranges) and its Base Rate Benefit Factor. A

residential Fire Services Special Assessment value per ERU shall be determined and a schedule of residential Fire Services Special Assessment rates by Building Area Classification Range (Bin) and Base Rate Benefit Factor shall be developed. Within each Building Area Classification Range (Bin), parcels in the base rate groups with lower Base Rate Benefit Factors will have lower assessments than parcels in the same Bin but with a higher Base Rate Benefit Factor. Likewise, within each base rate group, parcels in smaller size Bins will have a lower assessment and parcels in the larger size Bins will have a larger assessment. Using this apportionment methodology, the distribution of the Fire Services Special Assessment is fairly and reasonably representative of the benefit derived by the parcels within the Benefit Area, in consideration of the finding that benefit is derived by protection against loss of the square footage and economic value of the primary residential building on the parcel, reduction of casualty insurance premiums, and enhanced property value conferred by virtue of the County's being ready, willing and able to respond to and suppress fires with the proper equipment and manpower and within a reasonable range of response time.

- (b) *Non-Residential Parcel Apportionment.* The variation in Building Area of non-residential properties affects the benefit conferred by the availability of fire protection services. Typically, the greater the Building Area of a dwelling unit, the greater the benefit conferred by the availability of fire protection services (protection against loss, lower property casualty insurance rates and premiums, and enhancement of property value). Further, the variation in the Hazard Code of non-residential properties affects the benefit conferred by availability of fire protection services, and the cost of provision of those services. Hazard Codes are based on the risk, occupancy, and contents associated with the use of the property. Therefore, apportioning the Fire Service Non-Ad Valorem Special Assessment among non-residential properties relative to Building Area and Hazard Code is a fair and reasonable method of apportionment. Hazard (Haz) Codes have been broken down into 4 categories of properties: Light Hazard, Ordinary Hazard-Group 1, Ordinary Hazard-Group 2, and Extra Hazard. The primary property use as designated by the Property Appraiser is the determining factor of the hazard code and rates assigned to the parcel.

Section 6. EXEMPTION.

- (a) Based on the current methodology of property use, the County will not assess for the Fire Service Special Assessment on (1) unimproved parcels (vacant land and managed vacant agricultural properties) for the Fire Services Special Assessment; (2) a nonresidential farm building unless it has a just value in excess of \$10,000.00; and (3) "agricultural pole barns" which are nonresidential farm buildings in which 70 percent or

more of the perimeter walls are permanently open and allow free ingress and egress. The financial burden of responding to fires at these properties will fall upon the Fire Fighter Support Referendum MSTU. Each previous year's costs for wild land/vacant land firefighting will be documented and added to the MSTU in the amount necessary to recoup the expended funds.

(b) The Board designated certain governmental and non-for-profit property uses be exempt from the Fire Services Special Assessment. These property use codes are shown on Schedule "B".

(c) The Board is also authorized to approve Errors and Insolvencies for those properties not provided a special benefit by the Fire Service.

(d) To the extent allowable by law or judicial decision, in the event any exemption, partial exemption, or credit provided for in this resolution is determined to be invalid for any reason, the Board directs the County Manager to transfer sufficient monies from a reserve or contingency fund, as a loan to be repaid from future assessments or other revenue sources, to provide funding for the portion of the fire services budget represented by the revenues that would have been collected if the exemption had not been enacted.

Section 7. SPECIAL USER RATES REMAIN IN EFFECT. The user fees and charges for hazardous materials special operations team response and fire prevention and inspection for the Fiscal Year beginning October 1, 2020 remain in effect until further consideration by the Board as part of the Fiscal Year 2021 budget process.

Section 8. SEVERABILITY. If any section, subsection, sentence, clause, phrase or portion of this Resolution is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion of this Resolution.

Section 9. EFFECTIVE DATE. This Resolution shall take effect October 1, 2020.

7) 201 and up spaces (MHP7)	\$8,110.70

Section 5. NON-RESIDENTIAL PROPERTIES: Each parcel will have one (1) billing unit, and the Building Area of all structures on the site will determine the range the parcel falls into for rates. When a Building Area is not available, but the Property Appraiser indicates structures exist on the parcel, the minimum charge by category will apply. Please see schedule B for the listing of property uses (use codes) and hazard code assignments.

- a. Non-residential properties assigned the Light Hazard Code (0.08) will be charged the following rates:

Base Area Range	Rate Based on Base Area of	Rate
0 - 500	300	\$ 263.12
501 - 1,999	1,000	\$ 315.75

SCHEDULE "B"

ANNUAL FIRE SERVICES SPECIAL ASSESSMENT LISTING OF PROPERTY USE CODES WITH BASE RATE BENEFIT FACTOR, MULTI-FAMILY RESIDENTIAL, MANUFACTURED/MOBILE HOME PARK (MHP) OR HAZARD CODE ASSIGNMENT

In the event that a new property use code is established by the Property Appraiser, and it is not included within this schedule, the Fire Rescue Director has the authority to designate the Base Rate Benefit Factor, Multi-Family Residential, Manufactured/Mobile Home Park (MHP) or Hazard Code based on the "best fit" of property uses included in this schedule.

RESOLUTION NO. 2020- 100

RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS RATIFYING, CONFIRMING, AND CERTIFYING THE ANNUAL FIRE SERVICES NON-AD VALOREM SPECIAL ASSESSMENT ROLL FOR THE COUNTY FISCAL YEAR BEGINNING OCTOBER 1, 2020 AND FORWARDING THE SAME TO THE TAX COLLECTOR'S OFFICE FOR COLLECTION IN THE SAME MANNER AS AD VALOREM TAXES ARE COLLECTED.

WHEREAS, Florida Statutes, Section 197.3632 grants the Board of County Commissioners the power to utilize the Uniform Method for collecting special non-ad valorem assessments; and

WHEREAS, on May 22, 2018, the Board of County Commissioners adopted Resolution No. 18-079, adjusting the Fire Services Special Assessment Rate within the benefit area by an increase of six percent in Fiscal Year 2018-2019, followed by an annual rate increase equal to the Consumer Price Index (CPI) or three percent, whichever is lower, until a 15 percent (15%) increase over the Fiscal Year 2018 rate is achieved; and

WHEREAS, the annual rate increase to the fire services non-ad valorem special assessment for Fiscal Year 2019-2020 was set to the Consumer Price Index of 2.443 percent; and

WHEREAS, the annual rate increase to the fire services non-ad valorem special assessment for Fiscal Year 2020-2021 will be set to the Consumer Price Index of 1.81 percent; and

WHEREAS, by September 15 of each year, the Board of County Commissioners shall review the rolls for conformity with the non-ad valorem special assessment rates and make any changes or additions as necessary to conform the rolls to the rates; and

WHEREAS, upon completion of the review, the Board of County Commissioners or its designee shall ratify, confirm, and certify a non-ad valorem assessment roll to the Tax Collector; and

WHEREAS, the annual Fire Service Non-Ad Valorem Assessment Roll has been prepared, a summary of which is attached and made a part of this Resolution by reference; and

WHEREAS, the Brevard County Board of County Commissioners is satisfied that the annual Fire Service Non-Ad Valorem Assessment Roll has been prepared in conformity with the schedule of rates, assessments and charges for fire service operations adopted by the Board on May 22, 2018; and

NOW, THEREFORE, BE IT RESOLVED by the Brevard County Board of County Commissioners:

1. The Board of County Commissioners of Brevard County, Florida, certifies, ratifies and confirms that the Fire Service Non-Ad Valorem Assessment Roll for County fiscal year beginning October 1, 2020, is in conformity with the schedule of rates, assessments and charges for fire service operations adopted by the Board on May 22, 2018 and this 8 day of September 2020.

2. The Board of County Commissioners of Brevard County, Florida, certifies, ratifies and confirms such Fire Service Non-Ad Valorem Assessment Roll as certified on a compatible electronic medium to the Tax Collector. The Tax Collector shall collect such Fire Service Non-Ad Valorem Assessment in the same manner as ad valorem taxes are collected.

3. A certified copy of this Resolution shall be delivered to the Tax Collector of Brevard County, Florida.

Done and Adopted in regular session by the Brevard County Board of County Commissioners, this 8 day of September, 2020.
