Good morning,

One of the agendas we have going to the 03/12 Board Meeting is for Rockledge Drive. We have 4 maps being submitted for this particular project. Jason Steele, Chair, has to sign the maps and each need to be attested.

Can you advise me on what the process would look like? Specifically, would the Clerk be at the meeting to attest or would the map be sent to Titusville? Additionally, would your office be recording the maps?

Thank You,
