Subject:

Resolution approving the issuance by Brevard County Housing Finance Authority of Multi-Family Housing Revenue Bonds (Emerald Place Apartments Project), in an amount not to exceed \$15,000,000

Fiscal Impact:

None.

Dept/Office:

County Attorney's Office

Requested Action:

The Brevard County Housing Finance Authority (the "Authority") is requesting that the Board approve a Resolution to allow the issuance by the Authority of multi-family housing revenue bonds to finance the acquisition, rehabilitation, equipping and development of Emerald Place Apartments (the "Project").

Summary Explanation and Background:

The Authority received an application from Emerald Place Florida, LP for the issuance of multi-family housing revenue bonds in an amount not to exceed \$15,000,000 to finance the acquisition, rehabilitation, equipping and development of the Project. The Project consists of the rehabilitation of an existing apartment complex: Emerald Place Apartments, 1040 Tree Lane, Titusville, Florida, containing 136 units (24 one bedroom, 104 two bedroom and 8 three bedroom apartments), all of which will be rented to families. The rehabilitation of the apartments will include new flooring, replacement of kitchen cabinets, countertops and bathroom vanities, new windows, exterior and interior doors, painting and new energy star appliances, as well as site improvements such as new security cameras, improvements to exterior lighting, parking lots, playground, laundry room, community room and landscaping. A Land Use Restriction Agreement encumbering the property will require that a minimum of 15% of the apartment units will be set aside and available only to persons earning less than 45% of median income, and 85% of the apartment units will be set aside and available only to persons earning less than 60% of median income, for as long as the financing is outstanding, or for a term of 30 years, whichever is longer.

On October 26, 2022, the Authority held a public hearing, following proper publication of notice, for the purpose of receiving public input on the proposed issue, a report on which is attached. The proposed Resolution acknowledges the public hearing and authorizes the issuance by the Authority of the bonds. In order to issue tax-exempt bonds for the Project, the Authority must receive the limited approval of the Board of County Commissioners as required by applicable federal tax law. The Authority must apply for and receive an allocation (permission to issue bonds) from the State Regional Pool on January 2, 2023. Brevard County is in Region 17, with Volusia County, which shares a total annual allocation of approximately \$61,929,244.

The bonds will be payable solely from revenues of the Project and will not pledge the revenues or ad valorem taxes of the County or the Authority.

The County's financial advisor (PFM Financial Advisors) has reviewed the transaction and anticipates the funding will be within the County's debt issuance guidelines if it remains at proposed levels. (See attachment).

The County's outside bond counsel has reviewed the project and provided the following statement: "The resolution proposed to be adopted by the BOCC satisfies the pertinent federal and state law requirements and provides that neither the County nor any of the elected officials or staff of the County will have any obligation or liability, financial or otherwise, with respect to the Project or the Bonds." (See attachment.)

Cost Benefit Analysis provided by Brevard County Housing Finance Authority:

This issue will provide funds to finance the acquisition, rehabilitation, equipping and development of 136 rental housing units which will be available to Brevard County families of lower and moderate income. There is no fiscal impact to the Board of County Commissioners or the Authority. The County is only authorizing the Housing Finance Authority to issue the bonds under the IRS requirements for tax exempt bonds and the County shall be indemnified from the issuance of bonds and the Project.

A representative of the Housing Finance Authority will be available for questions at the meeting.

MEMORANDUM OF AGREEMENT FOR ISSUANCE OF MULTIFAMILY HOUSING REVENUE BONDS

This Agreement between the Brevard County Housing Finance Authority (the "Authority"), a body corporate and politic of the State of Florida and Emerald Place Florida, L.P. (the "Company"), a Florida limited partnership organized and validly existing under the laws of the State of Florida and authorized to do business in the State of Florida.

W I T N E S S E T H:

1. PRELIMINARY STATEMENT. Among the matters of mutual understanding which have resulted in the execution of this Memorandum of Agreement are the following:

(a) The Florida Housing Finance Authority Law (Chapter 159, Part IV, Florida Statutes), as amended, and the Florida Industrial Development Financing Act (Chapter 159, Part II, Florida Statutes) (collectively, the "Act") provides that the Authority may issue its revenue bonds and loan the proceeds thereof to one or more persons, firms or private corporations, or use such proceeds to defray the cost of acquiring, by purchase or rehabilitation, certain qualifying facilities.

(b) The Company is in the process of acquiring, rehabilitating, equipping and developing a multifamily residential housing facility for persons or families of low, middle or moderate income (the "Project") to be located within the boundaries of Brevard County, Florida. It is estimated that the cost of the acquisition, rehabilitation, equipping and development of the Project will be in excess of \$15,000,000.

(c) The Authority intends this Memorandum of Agreement to constitute its official binding commitment, subject to the terms and conditions set forth herein and in the Resolution authorizing the Authority to enter into this Memorandum of Agreement, to issue its bonds in a principal amount not to exceed \$15,000,000 (the "Bonds") in one or more series or issues pursuant to the Act in an amount to be agreed upon by the Authority and the Company and to loan the proceeds thereof to the Company, and to use such proceeds to finance the cost of acquiring, rehabilitating, equipping and developing the Project, including all costs incurred in connection with the issuance of the Bonds by the Authority, up to an amount not to exceed \$15,000,000.

(d) The Authority considers the issuance and sale of the Bonds, for the purpose hereinabove set forth, consistent with the objectives of the Act. This commitment is an affirmative official action of the Authority toward the issuance of the Bonds as herein contemplated in accordance with the purposes of both the Act and the applicable United States Treasury Regulations.

2. UNDERTAKINGS ON THE PART OF THE AUTHORITY. Subject to the terms and conditions set forth herein and in the Authority's Resolution dated October 26, 2022 (the "Inducement Resolution") authorizing the Authority to enter into this Memorandum of Agreement, the Authority agrees as follows:

(a) The Authority will authorize the issuance of the Bonds in the aggregate principal amount necessary and sufficient to finance the cost of acquiring, rehabilitating, equipping and developing the Project as the Authority and the Company shall agree in writing, but in all events, the principal amount of such Bonds shall not exceed \$15,000,000.

(b) The Authority will cooperate with the Company and with the underwriters or purchasers of the Bonds and the Authority's Counsel with respect to the issuance and sale of the Bonds and will take such further action and authorize the execution of such documents as shall be mutually satisfactory to the Authority and the Company for the authorization, issuance and sale of such Bonds and the use of the proceeds thereof to finance the cost of acquiring, rehabilitating, equipping and developing the Project.

(c) Such actions and documents may permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether *pari passu* with other series of bonds or otherwise, for the purpose of defraying the cost of completion, enlargements, improvements and expansion of the Project, or any segment thereof, or refunding of the Bonds.

(d) The loan or financing agreement (the "Loan Agreement") between the Authority and the Company shall, under the terms agreed upon by the parties, provide for payments to be made by the Company in such sums as shall be necessary to pay the amounts required under the Act, including the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable.

(e) In authorizing the issuance of the Bonds pursuant to the Loan Agreement, the Authority will make no warranty, either expressed or implied, that the proceeds of the Bonds will be sufficient to pay all costs of acquiring, rehabilitating, equipping and developing the Project, or that those facilities encompassed by the Project will be suitable for the Company's purposes or needs.

(f) The Bonds shall specifically provide that they are payable solely from the revenues derived from the Loan Agreement between the Authority and the Company or other agreements approved by the Authority, except to the extent payable out of amounts attributable to Bond proceeds. The Bonds and the interest thereon shall not constitute an indebtedness or pledge of the general credit of the Authority, Brevard County or of the State of Florida, and such fact shall be plainly stated on the face of the Bonds.

(g) Due to the tax exempt volume cap limitations established by the State of Florida on the issuance of tax exempt bonds, the Authority reserves the right, in its sole and absolute

discretion, to determine if, in what amount, and when to file a Request for Allocation for the Project with the State of Florida, Division of Bond Finance. Subject to the foregoing, at any time after receipt of this Memorandum of Agreement properly executed by the Company (but before the expiration date), the Authority may file with the State of Florida, Division of Bond Finance a Request for Allocation upon receipt from the Company of an executed request therefor in the form set forth herein. Nothing contained herein shall be deemed to be a guarantee of the tax-exempt private activity bond allocation for the Company's Project.

(h) The Company has advised the Authority of the need to proceed timely to develop the Project. In that regard, assuming that the proposed financing of the Project and other matters are ultimately worked out and acceptable to the Authority, including a satisfactory third-party credit underwriting review, the Authority is desirous of assisting the Company in the financing of the Project. Accordingly, the Authority is entering into this Memorandum of Agreement so as to assist the Company in obtaining its financing for the Project. However, it is specifically understood and agreed by the Authority and the Company that the Authority, in its sole discretion, reserves the right not to issue the Bonds if it does not ultimately approve the financing.

3. UNDERTAKINGS ON THE PART OF THE COMPANY. Subject to the terms hereof, the Company acknowledges and agrees as follows:

(a) Although the Authority has approved the proposed Project, it has reserved the right, in its sole and absolute discretion, to determine whether or not to proceed with the issuance of the Bonds as set forth in Section 2(h) above. The Company acknowledges, understands and agrees that the Authority retains said right.

(b) The Company has been advised that the State of Florida has adopted rules and regulations regarding the use of allocations and requires that an issuer issue its bonds in substantially the entire amount of the allocation within one hundred and fifty-five (155) days from the date of the granting of an allocation, unless it is extended under certain circumstances. The Company further acknowledges that the failure to timely actually issue bonds within a specified percentage of the allocation can result in the loss of the allocation and/or additional fees to be paid by the Authority. Accordingly, the Company shall be fully responsible for determining the size of the allocation to be requested, subject to the proviso that the request shall not be for a principal amount of Bonds which exceed the amounts set forth in paragraph 2(a).

(c) The Company will use reasonable efforts to ensure that the Bonds in the aggregate principal amount as stated above are timely sold; provided, however, that the terms of such Bonds and of the sale and delivery thereof shall be mutually satisfactory to the Authority and the Company.

(d) Prior to the issuance of the Bonds, in one or more series or issues from time to time as the Authority and the Company shall agree in writing, the Company will enter into a Loan Agreement with the Authority, the terms of which shall be mutually agreeable to the

Authority and Company, providing for the loan or use of the proceeds of the Bonds to finance the Project. Such agreement will provide that the Company will be obligated to pay the Authority (or pay to trustees for holders of the Bonds on behalf of the Authority, as the case may be) sums sufficient in the aggregate to enable the Authority to pay the principal of and interest and redemption premium, if any, on the Bonds, as and when the same shall become due and payable, and all other expenses related to the issuance and delivery of the Bonds. The Company will agree in such documents that if the cost of acquisition and rehabilitation of the Project exceeds the amounts allocated therefor, it shall not be entitled to any reimbursement for any such excess either from the Authority, the Bondholders or the trustee for the Bondholders.

(e) The Company shall be responsible for and timely pay the Developer Deposit required by the Authority's Guidelines for Bond Issues, the issuance fee in effect at the time the Bonds are issued and the fees and costs of Counsel to the Issuer and the fees and costs of Bond Counsel to the Issuer, plus such other fees and costs as may be required.

(f) The Company shall, in addition to paying the amount set forth in the Loan Agreement, pay all costs of operation, maintenance, taxes, governmental and other charges that may be assessed or levied against or with respect to the Project.

(g) The Company will hold the Authority free and harmless from any loss or damage and from any taxes or other charges levied or assessed by reason of any mortgaging or other disposition of the Project.

(h) The Company will take such further action as may be required to implement its aforesaid undertakings and as it may deem appropriate in pursuance thereof.

(i) All fees and costs that the Company is required to pay, including but not limited to, the issuance fee, and counsel fees and costs not paid at the time of application shall be paid in full at the time of the sale and delivery of the Bonds.

(j) The number of multi-family units to be rehabilitated by the Company will not decrease more than five (5%) percent from the number of multi-family units that it represented that it would rehabilitate in its Application to the Authority that resulted in the issuance of the Inducement Resolution and this Memorandum of Agreement.

(k) There shall not have been a material change in the proposed Project as represented to the Authority by the Company in the Application that it filed with the Authority, including, but not limited to design, materials, type of construction materials, etc. without the prior written consent of the Authority.

(l) The closing of the sale of the Bonds shall occur on or before one hundred and fifty-five days from the date of the granting of an allocation, unless extended by the Authority at its sole and absolute discretion. In the event that the closing on the sale of the Bonds does not occur on or before said time, and the Authority chooses not to extend the closing date, the

Company shall have no further rights under this Memorandum of Agreement. Further, in such event, the Authority may apply for and use the tax exempt volume allocation, if available, for the funding of such other multifamily housing projects or single family housing as it deems best serves the interests of the residents of Brevard County, Florida.

(m) The ownership and control of the Company and its principals shall not vary more than five (5%) percent from what has been represented in the Company's Application to the Authority without the prior written consent of the Authority.

(n) The Company and its principals shall have fully and timely complied with the terms of the Authority's Guidelines for Bond Issuers, including, but not limited to the timely payment of all fees and costs due to the Authority, its Counsel and its Bond Counsel.

(o) The Company and certain related parties or guarantors as determined by the Authority shall be required to enter into an environmental indemnity and certain other guaranties.

4. GENERAL PROVISIONS. All commitments of the Authority under Section 2 hereof and of the Company under Section 3 hereof are subject to the conditions that the following events shall have occurred not later than one hundred and fifty-five days from the date of receipt of an allocation, or such other date as shall be mutually satisfactory to the Authority and Company:

(a) The Authority shall be lawfully entitled to issue the Bonds as herein contemplated.

(b) The Authority and Company shall have agreed on mutually acceptable terms for the Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of any trust instrument in respect thereto and Loan Agreement or other agreements incidental to the financing or referred to in Sections 2 and 3 hereof.

(c) Such other rulings, approvals, consents, certificates of compliance, opinions of counsel and other instruments and proceedings satisfactory to the Company and to the Authority as to such matters with respect to the Bonds, the Project, the Loan Agreement and any trust instrument, as shall be specified by the Company or the Authority, shall have been obtained from such governmental, as well as non-governmental, agencies and entities as may have or assert competence or jurisdiction over or interest in matters pertinent thereto and shall be in full force and effect at the time of issuance of the Bonds.

(d) The Company and the Authority each reserve the absolute right to unilaterally cancel this Memorandum of Agreement at any time prior to the time the Bonds are issued by the Authority upon written notice of cancellation.

(e) If the events set forth in this Section 4 do not take place within the time set forth or any extension thereof, or if the Company or the Authority exercises its rights of cancellation

as set forth in this Section 4, the Company agrees that it will reimburse the Authority for all the reasonable and necessary direct or indirect expenses which the Authority may incur at the Company's request arising from the execution of this Memorandum of Agreement, and the performance by the Authority of its obligations hereunder, including legal fees and expenses for counsel to the Authority and Bond Counsel. In addition, the Authority shall be entitled to keep all fees paid to it pursuant to the Authority's Application Procedures and Program Guidelines.

(f) The Company acknowledges that the Authority may, during the time this Memorandum of Agreement is in effect, issue similar "inducement" agreements to other companies for other multifamily housing projects, and/or may issue bonds or participate jointly with other authorities to issue bonds for single family housing. This Memorandum of Agreement will create no priority or rights vis a vis subsequent agreements for the issuance of multifamily or single family housing bonds.

(g) The Authority shall have obtained the consent of the Brevard County Board of County Commissioners as to the issuance of the Bonds. Further, the Authority shall have obtained private activity bond allocation sufficient to allow the issuance of the Bonds from the State of Florida, Division of Bond Finance.

Re: Review of Financing Structure for the Multi-Family Housing Revenue Bonds (Emerald Place Apartments Project)

It is our understanding that Emerald Place Florida L.P., a Florida limited partnership (the "Borrower"), the general partner of which is Emerald Place Developers LLC, a Florida limited liability company, has requested the Brevard County Housing Finance Authority (the "Authority") issue not to exceed \$15,000,000 Multi-Family Housing Revenue Bonds (Emerald Place Apartments Project) (the "Bonds") to finance the acquisition, rehabilitation, equipping and development of Emerald Place Apartments project in Brevard County (the "Project"). The Project consists of the rehabilitation of an existing apartment complex located at 1040 Tree Lane, Titusville, Florida, containing 136 units (24 one bedroom, 104 two bedroom and 8 three bedroom apartments), all of which will be rented to families. A Land Use Restriction Agreement encumbering the property will require that a minimum of 15% of the apartment units will be set aside and available only to persons earning less than 45% of median income, and 85% of the apartment units will be set aside and available only to persons earning less than 60% of median income, for as long as the financing is outstanding, or for a term of 30 years, whichever is longer. To issue tax-exempt bonds for the Project, the Authority must receive the limited approval of the Board of County Commissioners as required by applicable federal tax law.

As financial advisor to Brevard County, Florida (the "County"), PFM Financial Advisors LLC (PFM) has been asked to certify that the Bonds will meet or exceed the County's debt issuance guidelines, which require an investment grade underlying credit rating for publicly offered bonds, provided however that unrated bonds may be approved by the County if they are sold only to institutional investors in minimum denominations of \$100,000. We have also been asked to ensure that the proposed transaction will not have a negative financial impact on the County, impair the County's credit ratings or impact the County's ability to issue debt in the future.

The Borrower and its' representatives have indicated that a plan of finance has not yet been finalized. However, the Borrower expects the Bonds will be issued within the Authority's guidelines that require a credit rating in one of the three highest categories of a nationally recognized rating agency. Non-rated bonds may also be issued but require the bond purchaser to execute an Investor Letter and be sold in minimum denominations of at least \$100,000. Therefore, it is PFM's opinion that the Bonds will meet the criteria required by the County. If the final plan of finance differs from this description, the Borrower will need to provide an updated plan of finance before the issuance of the Bonds. We have also reviewed the relevant documentation and based on that review can confirm that the proposed issuance of the Bonds will not have a negative financial impact on the County.

PFM did not prepare or review any type of feasibility report related to the Borrower's ability to pay debt service on the Bonds and has no responsibility to do so. PFM also bears no liability for potential errors in the information provided by the Borrower or its' representatives.

MEMORANDUM

Frank Abbate, Brevard County Manager

FROM: Steven E. Miller, Esq.

RE: Review of Legal Documentation for the Brevard County Housing Finance
Authority Multifamily Housing Revenue Bonds, Series 2022 (Emerald Place
Apartments)

The Brevard County Housing Finance Authority (the "Authority") is proposing to issue tax-exempt private activity bonds (the "Bonds") in order to finance the acquisition, rehabilitation, equipping and development of an existing apartment complex, Emerald Place Apartments, consisting of 136 apartment units for persons or families of low, middle or moderate income, as more particularly described in the materials provided by the Authority and included in the agenda package for the December 6, 2022 meeting of the Board of County Commissioners (the "Housing Facility"). The Housing Facility will be located at 1040 Tree Lane, Titusville, Florida. Proceeds of the Bonds will be loaned to Emerald Place Florida, L.P. (the "Borrower"). The Borrower will own and operate the Housing Facility and will be responsible for payment of debt service on the Bonds. The Borrower's general partner is Emerald Place Developers, LLC.

In order to comply with certain federal and state law requirements with respect to the issuance of private activity bonds such as the Bonds, a public hearing is required to be held with respect to the Housing Facility and the issuance of the Bonds and the BOCC is required to adopt a resolution providing limited approval of the issuance of the Bonds. The Authority held the required public hearing on October 26, 2022. You have asked Nabors, Giblin & Nickerson, PA, as Bond Counsel to the County, to review the documentation provided to the County by the Authority to ensure that it satisfies the applicable legal requirements and to confirm that the County has no obligation, financial or otherwise, with respect to the Housing Facility or the Bonds.

We have reviewed all of the relevant documentation and provided various comments to counsel for the Authority. Our comments have been addressed and, from the County's standpoint, all of the documentation provided is now legally sufficient. The resolution proposed to be adopted by the BOCC satisfies the pertinent federal and state law requirements and provides that neither the County nor any of the elected officials or staff of the County will have any obligation or liability, financial or otherwise, with respect to the Housing Facility or the Bonds.
