Utility Services Department

Requested Action:

It is requested that the Board of County Commissioners Approve:

- Purchase a Multi-Functional Plotter for \$8,131.00 with a 5-year maintenance agreement for a total cost of \$11,131.00; or

Summary Explanation and Background:

During the February 23, 2021 Board of County Commissioners regular meeting, Item F.12 on the consent agenda was tabled until the March 9, 2021 regular meeting.

On February 24, 2021, Purchasing Services released an Invitation to Quote for the purchase of an HP DesignJet XL 3600 Multi-Function Plotter. Prior to releasing the Invitation to Quote, Utility Services obtained a quote for leasing of this plotter for a five (5) year term.

On March 3, 2021, Purchasing Services received four (4) responses to Invitation to Quote for Purchase of this Multi-Function Plotter.

The Four (4) responses received included:

- ARC Imaging Resources - Plotter \$12,662.66 plus Service/Maintenance Agreement for five (5) years \$8,299.00 for a total purchase price of \$20,961.66
 - o Service/Maintenance Agreement is all inclusive of preventative maintenance, parts/labor, and service calls as needed
 - o Service/Maintenance Agreement does not include a loaner plotter for any extended repair times
- Konica Minolta Business Services - Plotter \$16,536.00 plus Service/Maintenance Agreement for five (5) years \$8,299.00 for a total purchase price of \$24,835.00

- Service/Maintenance Agreement is all inclusive of preventative maintenance, parts/labor, and service calls as needed
- Service/Maintenance Agreement does include a loaner plotter for any extended repair times
- Visual Edge Inc., D/B/A AXSA - Plotter \$8,131.00 plus Service/Maintenance Agreement for five (5) years \$3,000.00 for a total purchase price of \$11,131.00
 - Service/Maintenance Agreement is all inclusive of preventative maintenance, parts/labor, and service calls as needed
 - Service/Maintenance Agreement does include a loaner plotter for any extended repair times
- Digital Dolphin Supplies - Plotter \$13,956.00; no Service/Maintenance Agreement included

The Plotter can be purchased with a 5-Year maintenance plan as with the lease option. The service plan includes all required preventative maintenance, service calls, as well as replacement of any parts (labor inclusive) that may be needed for a repair.

The residual value after five (5) years of ownership will greatly depend on the overall usage during the five (5) year period. The estimated residual value after five (5) years of ownership can be expected to be ten (10) to fifteen (15) percent of the original purchase price.

The previously proposed lease agreement with Konica Minolta was based off of a competitively procured Sourcewell Cooperative Purchase (State of Florida Agreement Number 44000000-NASPO-19-ACS).

Based on the cost of ownership versus the cost of leasing, Purchasing Services recommends the Purchase one HP DesignJet XL 3600 Multi-Function Plotter to meet the large format printing needs of the department. Large format (larger than 11 x 17 paper) machines are not available under the County's current agreement for multi-function copy equipment.

- 2. **SUBMISSION OF QUOTES:** All formal quotes shall be submitted in a sealed envelope. The quote number, title, and opening date shall be clearly displayed on the outside of the sealed envelope. The delivery of said formal quote to Purchasing Services prior to the specified opening date and time is solely and strictly the responsibility of the Contractor. Any formal quotes received in Purchasing after the specified date and time will not be accepted.
- 3. **AWARDS:** As the best interest of the County may require, the right is reserved to make award(s) by individual items, group of items, all or none, or a combination thereof; to reject any and all quotes or waive any minor irregularity or technicality in quotes received. Therefore, all Contractors should put forth their best and final pricing when submitting their quotes, without reference to alternative pricing arrangements. Contractors are cautioned to make no assumptions unless their quote has been evaluated as being responsive. All awards made as a result of this quote shall conform to applicable ordinances of the County of Brevard. The Board may return, for full credit, any unused items received which fail to meet the Board's performance standards. Brevard County reserves the right to cancel an awarded quote upon due cause— i.e., Contractor misrepresentation, Contractor negligence, non-performance etc. via written notice. The Contractor will be responsible for any attorney fees in the event the Contractor defaults and court action is required. All quotes must be submitted on Brevard County format to be considered. No alternate quotes will be accepted. Inclusion of alternate quotes will necessitate rejection of your entire quote.

In case of default of the awarded quotation, Brevard County may procure the articles or services from other sources and charge the

Contractor as liquidated damages any excess cost or damages occasioned thereby.

- 4. **QUOTE OPENING:** Quote opening shall be public on the date and time specified. Sealed formal quotes received by an agency pursuant to invitations to bid are exempt from the provisions of subsection (1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of a decision or intended decision pursuant to s. 120.57(3)(a) or within 30 days after bid or proposal opening, whichever is earlier. In accordance with Florida Statute 119.071(1)(b) 2. The names of the firms submitting a competitive solicitation will be read aloud at this time of the opening. No details of the competitive solicitation will be released. Quote must be submitted on forms provided by the County. No other forms will be accepted. Telephone and telegraph formal quotes will not be considered. No quote may be modified after opening. No quote may be withdrawn after opening for a period of ninety (90) days unless otherwise specified.
- 5. **CONTRACT TERMINATION:** The contract resulting from this formal quote shall commence upon issuance and acceptance of the fully executed contract. The County user agency shall issue orders against the contract on an as needed basis. The contract may be canceled by the Contractor, for good cause, upon sixty (60) days prior written notice. The County retains the right to terminate the contract, in part or in its entirety, with or without good cause, upon thirty (30) days prior written notice or as stated herein. In the event of termination by either party as provided herein, the awarded Contractor shall be paid for services performed through the date of termination.
- 6. All costs accruing from a quotation challenged as to quality, etc., (tests, etc.) will be assumed by the challenger.
- 7. **PROMPT PAYMENT:** For payment promptness, Brevard County shall remit payment in accordance with the Florida Prompt Payment Act, Section 218.70, Fla. Stat., et seq. Brevard County does not expect to be billed in excess of the ordered quantity and will not pay for any quantity above the ordered quantity. Any order placed as a result of this formal quote will be subject to Billing Instructions and Conditions on the back of the Brevard County purchase order (PO) form. Contractors may offer cash discounts for prompt payment but they will not be considered in determination of award. If a Contractor offers a discount, it is understood that the discount time will be from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last. Requests for final payment for any work or services for which a permit is required shall include a copy of all required permits and copies of all required inspection reports. Failure to provide proof of acquisition of all required permits and successful completion of all required inspections shall represent an incomplete invoice and will delay payment.
- 8. It is agreed that items quoted shall comply with all Federal, State or local laws relative thereto, and that the Contractor shall defend actions or claims brought and save harmless the Purchasing Agent/County from loss, cost or damage by reason of actual or alleged infringements of any patents.
- 9. A quote received in response to this Invitation to Quote (ITQ) will be considered to be firm offer held for acceptance for sixty (60) days from quote due date. Contractor shall insert unit price and extension,

as required, opposite each item. Where the unit price and the extension price are at variance, the unit price will prevail.

10. **BRAND NAME OR EQUAL:** If items called for by this invitation have been identified in the specifications by a "Brand Name or Equal" description, such identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that will be acceptable. Formal quotes offering "equal" products will be considered for award if such products are clearly identified in the quote and are determined by the County to meet fully the salient characteristics requirements listed in the specifications. Unless the Contractor clearly indicates in his formal quote that he is offering an "equal" product, the formal quote shall be considered as offering the same brand name product referenced in the specifications. If the Contractor proposes to furnish an "equal" product, the brand name if any, or the product to be furnished shall be inserted in the space provided or such product shall be otherwise clearly identified. The evaluation of quotes and the determination as to equality of the product offered shall be the responsibility of the County and will be based on information furnished by the Contractor. Purchasing Services is not responsible for locating or securing any information, which is not identified in the quote and reasonably available to Purchasing Services. To ensure that sufficient information is available the Contractor shall furnish as a part of the formal quote, or prior to quote opening, as indicated, all descriptive material necessary for Purchasing Services to determine whether the product offered meets the salient characteristics required by the specifications and establish exactly what the Contractor proposes to furnish and what the County would be binding itself to purchase by making an award.
11. All material herein shall be fully guaranteed by the Contractor against factory defects. Any defects, which may occur as the result of either faulty material or workmanship within the period of the manufacturer's standard warranty (said warranty must accompany quote) will be corrected by the Contractor at no expense to Brevard County.
12. Any and all attachments hereto including but not limited to technical specifications, insurance requirements, etc., are an integral part of the ITQ.
13. **LICENSE/CERTIFICATIONS AND PERMITS:** The successful Contractor will be required to secure, at its expense and show proof of the proper business tax receipt and/or any other license/certification required of the applicable service/work being performed. Prior to award, the apparent low Contractor will be required to provide proof of license and/or certification within two (2) business days of the posted awarded recommendation and submit copies of license/certifications to the Purchasing Office. The Brevard County Contractor Licensing Regulation & Enforcement (LR&E) office is responsible for the county licensing of trades: General Building, drywall, plumbing, electric, HVAC, roofing, etc. If you have questions concerning the licensing requirements for a Brevard County contractor's license, please Contact the Brevard County LR&E office at (321) 633-2058, option 0, for any questions.

The awarded contractor shall fully comply with all federal and state laws, county and municipal ordinances and regulations in any manner affecting the performance of the work. The successful Contractor is responsible for obtaining all permits necessary to construct the

project. Brevard County does not exempt itself from permitting requirements. The Owner shall pay all Brevard County permit, inspection and impact fees required for the project or services required under this contract; all other fees for permits required by agencies/municipalities other than Brevard County shall be the responsibility of the awarded Contractor. A copy of issued permit shall be provided to the User Department of the County for their records.

14. **CLARIFICATION/CORRECTION OF QUOTE ENTRY:** The County of Brevard reserves the right to allow for the clarification of questionable entries for the correction of OBVIOUS MISTAKES. Contractors are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions, and special conditions pertaining to the ITQ. Failure of the Contractor to examine all pertinent documents shall not entitle him to any relief from the conditions imposed.
15. No interpretation of the meaning of the specifications, or other contract documents will be made orally to any Contractor. Every request for such interpretation must be in writing, addressed to Purchasing Services or emailed to the attention of the Purchasing Agent. To be given consideration, such requests must be received at least five (5) days prior to the date fixed for the opening of the quotes. Any and all such interpretation and supplemental instruction will be in the form of written addendum, which, if issued, will be sent to all prospective Contractors at the respective addresses furnished for such purposes. Failure of any Contractor to receive any such addendum or interpretation shall not relieve said Contractor from any obligation under his quote as submitted. All addenda so issued shall become part of the contract documents, whether or not the successful Contractor received a copy of such addendum, it being understood that all Contractors are responsible to verify that they have received any such addenda prior to submitting their quote.
16. The County of Brevard reserves the right to reject quotes containing any additional terms or conditions not specifically requested in the original conditions and specifications. Brevard County reserves the right to use delivery as a factor in the award.
17. The County of Brevard reserves the right at its sole discretion to increase, decrease, or delete any portion of this contract at any time without cause.
18. All equipment and accessories furnished under these specifications shall be new, the latest model in current production, and shall be of good quality, workmanship and material. The Contractor represents that all equipment offered under this specification shall meet or exceed the minimum requirements specified. Delivery specifications shall be strictly adhered to.
19. Brevard County is not liable for any cost incurred by any Contractor prior to any award. Costs for developing a response to this request for quote are entirely the obligation of the Contractor and shall not be chargeable in any manner to Brevard County.
20. No materials or supplies for the work shall be purchased by the Contractor or by any subcontractor subject to any chattel mortgage or under a conditional sale or other agreement by which an interest is retained by the seller.

21. No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any County employee. Only those communications, which are in writing from an authorized County representative, may be considered. Only written communications from Contractors, which are assigned by a person designated as authorized to bind the company, will be recognized by the County as duly authorized expressions on behalf of the company.
22. **EEO STATEMENT:** Contractors must ensure that employees and applicants for employment are not discriminated against for reasons of race, color, age, religion, sex, national origin, or handicapped status. Minority and female-owned businesses are encouraged to participate. Brevard County is an equal opportunity employer.
23. **INDEMNIFICATION:** The County shall be held harmless against any and all claims for bodily injury, sickness, disease, death or personal injury, or damage to property or loss of use of any property or assets resulting therefrom, arising out of or resulting from the performance of the products or from the services, for which, the County is contracting hereunder, provided such is caused in whole or in part by any negligent act or omission of the Contractor, or any subcontractor or any of their agents or employees, or arises from a job-related injury. The Contractor agrees to indemnify the County and pay the cost of the County's legal defenses, agreed including fees of attorneys as may be selected by the County, for all claims described in the hold harmless clause herein. Such payment on behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy. It is agreed by the parties hereto that specific consideration has been received by the Contractor under this agreement for this hold harmless/indemnification provision.
24. **ASSIGNMENT:** Any purchase order (PO) issued pursuant to this quote and the moneys, which may become due thereunder, are not assignable except with the prior written approval of the Purchasing Manager.
25. All litigation shall take place either in the State Courts of Florida, wherein venue shall lie in Brevard County, Florida; or in the Federal Courts, wherein venue shall lie in the Middle District in and for the State of Florida. The Contractor expressly waives venue in any other location.
26. **LOBBYING STATEMENT:** All Contractors are hereby placed on notice that the County Commission and staff shall not be contacted about this Quote. Contractors and their agents are hereby placed on notice that they are not to contact members of the County Commission or staff (with the exception of the designated liaison). Public meetings and public deliberations of the Selection Committee are the only acceptable forum for the discussion of merits of products/services requested by the Invitation to Quote; and written correspondence in regard to Quotes may be submitted to the County Manager. Each Quote will have one non-voting member designated who will serve as the liaison. Failure to adhere to these requirements could result in Board action to disqualify your firm from consideration of award.
27. **Unless otherwise noted in the quote document, Contractors shall submit one quote only.**
28. Quotes will only be considered from Contractor's normally engaged in providing the types of commodities/services specified herein. The County reserves the right to inspect the Contractor's facilities, equipment, personnel, and organization at any time, or to take any other action necessary to determine Contractor's ability to perform. The County reserves the right to reject quotes where evidence or evaluation is determined to indicate inability to perform.
29. Any entity or affiliate who has been placed on the discriminatory Contractor list may not submit a quote on a contract to provide goods or services to a public entity, may not submit a quote on a contract with a public entity for the construction or repair of a public building or public work, may not submit quotes on leases or real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity.
30. **DRUG-FREE WORKPLACE:** Whenever two or more quotes which are equal with respect to price, quality, and service are received by Brevard County for the procurement of commodities or contractual services, a quote received from a business that has implemented a drug-free workplace program (per Florida Statutes Section 287.087) shall be given preference in the award process.
31. Contractors not intending to quote, please indicate the reason, such as, insufficient time to respond, do not offer product or service, unable to meet specifications, schedule would not permit, or any other reason, on the ITQ cover sheet. Failure to quote or return no quote comments prior to the quote due and opening date and time indicated in this ITQ, may result in your firm being deleted from Brevard County's list for the commodity or services, requested in this ITQ, after the third non-response.
32. **PUBLIC ENTITY CRIMES:** All Contractors are hereby placed on notice that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a formal quote on a contract to provide any goods or services to a public entity, may not submit a formal quote on a contract with a public entity for the construction repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in 287.017 Fla. Stat. for CATEGORY TWO (currently \$35,000) for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.
33. **SCRUTINIZED COMPANIES:** Awarded Contractor shall certify that it and its subcontractors are not on the Scrutinized Companies that Boycott Israel List. Pursuant to Section 287.135, F.S. If the Agreement is for more than \$1,000,000 the Contractor further certifies that it and its subcontractors are also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as Identified in Section 287.135, F.S.

For Contracts of any amount, If the County determines the Contractor submitted a false certification under Section 287.135(5) of the Florida Statutes, or if the Contractor has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall either terminate the Contract after it has given the Contractor notice and an opportunity to demonstrate the County's determination of false certification was in error pursuant to Section 287.135(5)(a) of the Florida Statutes, or on

a case-by-case basis the County may choose to maintain the Contract if the conditions of Section 287.135(4) of the Florida Statutes are met. For Contracts \$1,000,000 and greater, if the County determines the Contractor submitted a false certification under Section 287.135(5) of the Florida Statutes, or if the Contractor has been placed on the Scrutinized Companies with Activities in the Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, the County shall either terminate the Contract after it has given the Contractor notice and an opportunity to demonstrate the County's determination of false certification was in error pursuant to Section 287.135(5)(a) of the Florida Statutes, or on a case-by-case basis the County may choose to maintain the Contract if the conditions of Section 287.135(4) of the Florida Statutes are met.

The Contractor agrees to observe the above requirements for applicable subcontracts entered into for the performance of work under this Agreement.

As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, this section shall become inoperative and unenforceable

34. All documents, papers, books, records, and accounts made or received by the contractor in conjunction with the Agreement and the performance of this Agreement shall be open to inspection during regular business hours by an authorized representative of the office and shall be retained by the Contractor for a period of three (3) years after termination of this Agreement, unless such records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1) Florida Statutes.
35. **UNAUTHORIZED ALIEN WORKERS:** Brevard County will not accept bids from Contractors who knowingly employ unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S. Code § 1324a(e) (Section 274A(e) of the Immigration and Nationality Act "INA"). The County shall consider a Contractor's intentional employment of unauthorized aliens as grounds for immediate termination of any awarded proposal. The CONTRACTOR shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the CONTRACTOR during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. If the County is unable to electronically verify the lowest responsive responsible Contractor participates in the E-Verify Program; the lowest responsive responsible CONTRACTOR SHALL be required to submit a copy of the fully executed E-Verify Memorandum of Understanding before the County will enter into contract or issue notice to proceed with Contractor.
36. Specific Printing Industry Conditions: The following conditions apply to all printing quotes.
 - a. Quote shall include all costs associated with design, layout, and proofing to include any revisions necessary. All artwork, including camera-ready artwork developed as a result of this quote, becomes the property of Brevard County and shall be returned with delivery to the County department. Payment will not be made until all artwork is delivered.

- b. Unless otherwise indicated, delivery will be made within five (5) to seven (7) business working days after notification of order by Brevard County.
 - c. If proof is required, delivery of proof will be within three (3) to five (5) business working days after notification of award and/or receipt of artwork, unless otherwise stated in the specifications. If changes or revisions are made to proof due to Contractor error, corrections will be made at no charge to the County and a revised proof will be delivered to user agency in a timely manner. Delivery of final product will be made within three (3) to five (5) business working days after final approval of proof.
 - d. If colors are to be matched, samples will be provided by user agency prior to printing order. A proof will be required prior to printing as specified.
37. It is the intent and purpose of Brevard County that this ITQ promote competitive bidding. It shall be the Contractor's responsibility to advise the Purchasing Services office if any language, requirements, etc. or any combination thereof, inadvertently restricts or limits the requirements stated in this ITQ to a Single Source. Such notification must be submitted in writing or by email and must be received by the Purchasing Services Department no later than seven (7) days prior to quote opening.
38. **SPECIAL ACCOMMODATIONS:** In accordance with the Americans with Disabilities Act (ADA) and Section 286.26, Fla. Stat., persons with disabilities needing special accommodations to participate should contact the ADA Coordinator at (321) 633-2017 or by email at Brian.Breslin@BrevardFL.gov, and must be made no later than 48 hours prior to the public meeting/hearing in order to provide the requested service.
39. Brevard County encourages prompt and fair handling of all complaints and disputes with the business community. In order to resolve disputed matters in an equitable manner, the following procedures are adopted:
40. **PURCHASING AGREEMENTS WITH OTHER GOVERNMENTAL ENTITIES:** Brevard County permits the awarded Contractor(s) to extend the pricing, terms and conditions of this solicitation to other governmental entities at the Contractor's discretion. Each governmental entity that utilizes this solicitation or resulting contract will be responsible for execution of its own requirements with the awarded Contractor(s).
41. **GREEN PROCUREMENT POLICY:** The BOCC approved a "green procurement" policy in March 2004 to establish procurement requirements that promote the purchase and use of Environmentally Preferred Products as defined by the United States Environmental Protection Agency. Environmentally Preferred Products (EPP) are those products and services that have a reduced effect on the human health and the environment when compared to other products and services that serve the same purpose. EPP products encourage (1) waste reduction; (2) reduced exposure to hazardous materials; (3) natural resource conservation; and (4) energy efficiency.
42. **RIGHT TO AUDIT RECORDS:** In performance of this Agreement, the Contractor shall keep books, records, and accounts of all activities

related to the Agreement, in compliance with generally accepted accounting procedures. All documents, papers, books, records and accounts made or received by the contractor in conjunction with the Agreement and the performance of this Agreement shall be open to inspection during regular business hours by an authorized representative of the office and shall be retained by the contractor for a period of three (3) years after termination of this Agreement, unless such records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1), Fla. Stat.

43. **FLORIDA PUBLIC RECORDS LAW:** Both parties understand that the County is subject to the Florida Public Records Law, Chapter 119, Florida Statutes and all other applicable Florida Statutes. If the materials provided by the Contractor do not fall under a specific exemption, under Florida or federal law, materials provided by the Contractor to the County would have to be provided to anyone making a public records request. It will be the Contractor's duty to identify the information, which it deems is exempt under Florida/federal law, and identify the statute by number, which exempts that information.

Should any person or entity make a public request of the County—which requires or would require the County to allow inspection or provide copies of records which the Contractor maintains are exempt from Public Records Law or are confidential—it shall be the Contractor's obligation to provide the County within 24 hours (not including weekends and legal holidays), of notification by the County to the Contractor of the request, of the specific exemption or confidentiality provision so the County will be able to comply with the requirements of 119.07(1)(e) and (f), Fla. Stat.

Should the County face any kind of legal action to require or enforce inspection or production of any records provided by the Contractor to the County which the Contractor maintains are exempt or confidential from such inspection/production as a public record, then the Contractor shall hire and compensate attorney(s) who shall represent the interest of the County as well as the Contractor in defending such action. The Contractor shall also pay any costs to defend such action and shall pay any costs and attorney fees, which may be awarded pursuant to 119.12, Fla. Stat.

All material submitted becomes the property of the County and may be returned only at the County's option. The County has the right to use any or all ideas presented in any reply to this ITQ. Selection or rejection of any proposal does not affect this right.

44. **PREFERENCE GIVEN TO COMMODITIES MANUFACTURED, GROWN, OR PRODUCED IN FLORIDA:** In accordance with Florida Statute 287.082, whenever two or more competitive sealed quotes are received, one or more of which relates to commodities manufactured, grown, or produced within this state, and whenever all things stated in such received bids are equal with respect to price, quality, and service, the commodities manufactured, grown, or produced within this state shall be given preference.
45. **COUNTY SEAL:** Use of the County Seal without the express approval of the Board of County Commissioners is a violation of section 165.043 Florida Statutes punishable as a misdemeanor.
46. **TIE BIDS:** Award of all tie quotes/bids shall be made by the Purchasing Manager in accordance with State Statutes, which allows

a firm certified as a Drug-free Workplace to have precedence. When evaluation of Contractor responses to solicitations results in identical offers, with regards to bids or quotations, or identical ranking with regards to proposals, from two or more Contractors, the County shall determine the order of award using the following criteria in order of preference listed below (from highest priority to lowest priority):

- a. For tie bids, quotations or proposals, priority shall be given to the Contractor certifying that he/she is a Drug-free Workplace as defined within §287.087, Florida Statutes;
- b. In the event that a tie still exists after progressing through a, the decision shall be made by lot or coin toss. The drawing of lots or coin toss shall be conducted in the presence of the effected Contractors if they elect to be present.

47. **CONTRACTOR COMPLAINTS AND DISPUTES:** Brevard County encourages prompt and fair handling of all complaints and disputes with the business community. In order to resolve disputed matters in an equitable manner, the following procedures are adopted:

a. **POSTING OF AWARD NOTICES**

FORMAL SEALED QUOTES: No later than three business days after a quote opening the Purchasing Manager, or his designee, shall post a tabulation of competitive sealed quotes to DemandStar website and VendorLink. The apparent low responsive contractor will be the intended award recommendation. If after posting the tabulation, the apparent low contractor is found to be non-responsive to the specifications, a revised tabulation will be posted indicating that the low contractor is non-responsive, and that the next lowest contractor is the intended awardee. The time for filing a protest will begin the date of the later posting.

b. **PROCEEDINGS**

Any contractor who is allegedly aggrieved in connection with the solicitation or pending award of a contract must file a formal written protest with the Purchasing Manager within five (5) business days of the posted award recommendation.

The formal written protest shall reference the bid/quote/proposal number, and shall state with particularity the facts and laws upon which the protest is based, including full details of adverse effects and the relief sought.

Within seven (7) calendar days of receipt of the formal written protest, the Purchasing Manager will arrange a meeting of the Protest Committee and the affected parties. The Protest Committee shall consist of two (2) Department Directors or designees, both of whom must be from an organizational group which the user department or group is not assigned; one (1) Assistant County Manager, who must be from an organizational group which the user department or group is not assigned under. The Purchasing Manager shall act as a Hearing Coordinator and the County Attorney or designee may attend. The Purchasing Manager or designee record the meeting and provide any information as the committee may request. The purpose of the meeting of the Protest Committee is to provide an opportunity to: (1) review the basis of the protest, (2) evaluate the facts and merits of the bid protest, and (3) if possible, to reach a resolution of the protest that is acceptable

to the affected parties. For the purpose of the Protest Committee hearing, resolution shall mean that the Protestor finds the decision of the Protest Committee acceptable.

In the event the matter is not resolved with the Protestor's acceptance of the Protest Committee's decision, the Purchasing Manager will schedule the recommended award including the details of the protest and the Protest Committee's recommendation before the Board of County Commissioners via Board Agenda. The County Manager, prior to approval and placement on the Board agenda, may elect to resolve the matter before presentation to the Board. In the event that the County Manager cannot bring the matter to resolution, a copy of the Agenda Report shall be furnished immediately to all affected parties. The affected parties may appear before the Board of County Commissioners as a final means of administrative remedy.

c. STAY OF PROCUREMENTS DURING PROTESTS

Failure to observe any or all of the above procedures shall constitute a waiver the right to protest a contract award. In the event of a timely protest under the procedure, the County shall not proceed further with solicitation or with the award until a recommendation is made by the Committee, or a written determination is made by the County Manager that the award must be made immediately in order to protect the public interest. Invoice disputes between an awarded Contractor and user agency will follow the guidelines set forth in AQ-33, *Prompt Payment of Invoices*.

THE COUNTY OF BREVARD RESERVES THE RIGHT TO REJECT ANY OR ALL QUOTES, TO WAIVE INFORMALITIES, AND TO ACCEPT ALL OR ANY PART OF ANY QUOTE AS MAY BE DEEMED TO BE IN THE BEST INTEREST OF THE COUNTY. UNLESS OTHERWISE NOTED, PAYMENT OF GOODS OR SERVICES PROVIDED AS A RESULT OF THIS SOLICITATION WILL BE MADE PER FLORIDA STATUTE.

AXSA Imaging Solutions stands behind every machine and piece of equipment we sell and put under service contract.

AXSA Imaging Solutions will provide the above customer a loaner plotter in the event that any repairs cannot be made in a timely manner.

When a repair is necessary it is often required to replace parts. AXSA does its best to have those parts in stock but in the case where a part is not in stock we can and do have the part shipped in. Such a situation may occur and the process would require a tech to go on site to diagnose the issue and determine the parts necessary. Often the tech will have the part in their vehicle but if they do not then the standard practice is to return the next day or two with the part and make the repair. AXSA considers this a normal course of business. When it becomes necessary to go beyond that time frame it will be consider outside the standard timely manner. In that case AXSA can provide a loaner plotter to the customer for the amount of time it takes to get their machine operational at no additional rental charge. Usage on the loaner plotter will be at standard current rates.
