### Subject:

Contract and Surety Performance Bond: Bridgewater Central at Viera Subdivision - District 4  
Developer: WCI Communities, LLC

### Fiscal Impact:

None

### Dept/Office:

Public Works/Engineering

### Requested Action:

In accordance with Section 62-2841(i) and 62-2844, it is requested that the Board of County Commissioners grant Subdivision Infrastructure Contract approval and authorize the Chairman to sign the contract for the above referenced project.

### Summary Explanation and Background:

Bridgewater Central at Viera subdivision is located within the Viera DRI south of Bridgewater North at Viera on the west side of Lake Andrew Drive. The subdivision contains 262 residential lots on 114.25 acres.

The Bridgewater Central at Viera subdivision received preliminary plat and final engineering plans on October 16, 2018, and final plat and contract approval on February 26, 2019. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of November 14, 2019, the first lift of asphalt road paving has been completed for the Bridgewater Central at Viera subdivision. Per the approved plans which allow for the 2" SP-9.5 (Fine Mix) asphalt to be placed in two (2) separate 1" thick lifts, the Developer has posted a Surety Performance bond and contract for the second lift of asphalt which shall be completed by July 7, 2022.

Placement of the final lift of asphalt, pavement re-striping as needed, adjustment of any valves and the repair/replacement of any damaged curb as identified during final inspections with County Staff, and all other improvements depicted in subdivision number 18SD00013.
2. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered to be defective. All defective Work, whether or not in place, may be rejected, corrected or accepted as provided in this paragraph 2.

If within two (2) years after approval and acceptance of the improvements by County, any Work is found to be defective, Principal shall promptly, without cost to County, either correct such defective Work, or, if it has been rejected by County, remove it from the site and replace it with nondefective Work. Any defect in such Work shall be corrected again by Principal promptly upon notice of the defect from County. In the event the maintenance bond given by Principal in connection with County's acceptance of the improvements is extended, the two (2) year warranty period provided for herein shall be extended for a like period.

Where warranties granted hereunder overlap, the more stringent requirement shall control."

3. The PRINCIPAL agrees to complete said construction on or before the 7th day of July, 2022.

4. In order to guarantee performance of PRINCIPAL'S obligations herein contained, PRINCIPAL shall furnish cash, letter of credit, certificate of deposit or surety bond in a form approved by the COUNTY, in the amount of \$ 588,221.88. If such bond is a cash bond or a certificate of deposit, said amount shall be deposited with the Board of County Commissioners within five (5) business days of the County's acceptance of this contract. Said bond shall be 125% of the estimated cost of construction, as determined by the Land Development Division. PRINCIPAL shall maintain such records and accounts, including property, personnel, financial records, as are deemed necessary by the COUNTY to ensure proper accounting for all funds expended under the agreement. Said records shall be made available upon request for audit purposes to Brevard County and its auditors.
5. The COUNTY agrees to accept said plat above described for recording in the public records of Brevard County, Florida and to accept the areas depicted thereon as dedicated for public use, including but not limited to streets and parks, at such time as said improvements are satisfactorily completed. Satisfactory completion in accordance with the plans and specifications shall be determined by written approval of the County Development Engineer or designated assistant.
6. In the event, PRINCIPAL fails to complete said improvements within the time prescribed, the COUNTY may elect to take all or any of the following actions:
  - A. Vacate all or part of such recorded plat where improvements have not been completed in accordance with the plans and specifications,
  - B. Complete the improvements utilizing COUNTY employees and materials and request payment from the bond or the PRINCIPAL,
  - C. Request the surety on said performance bond to complete such improvements, or
  - D. Contract for completion of said improvements.
7. The PRINCIPAL and Surety on said performance bond shall be liable for all costs, expenses, and damages incurred by the COUNTY, including attorney's fees, in the event the PRINCIPAL defaults on this contract.
8. In the performance of this Agreement, the PRINCIPAL shall keep books, records, and accounts of all activities, related to the agreement, in compliance with generally accepted accounting procedures. Books, records and accounts related to the performance of this agreement shall be open to inspection during regular business hours by an authorized representative of the Office and shall be retained by the PRINCIPAL for a period of three years after termination of this agreement. All records, books and accounts related to the performance of this agreement shall be subject to the applicable provisions of the Florida Public Records Act, Chapter 119 of the Florida Statutes.
9. No reports, data, programs or other materials produced, in whole or in part for the benefit and use of the County, under this agreement shall be subject to copyright by PRINCIPAL in the United States or any other country.
