BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, American Cancer Society Making Strides Against Breast Cancer Walk is not a race, it is a celebration of survivorship, an occasion to express hope and a shared goal to end a disease that threatens the lives of so many people we love; this non-competitive 5K (3.1 mile) walk raises money for breast cancer research, education, advocacy, and patient services; and it is the largest outside fundraiser in Brevard County; and

WHEREAS, The American Cancer Society, the nation's largest voluntary health agency, is dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives from cancer, and diminishing suffering from cancer through research, education, advocacy, and services; and

WHEREAS, proceeds from Making Strides Against Breast Cancer are used solely for breast cancer funding; they have terrific free patient services for people right here in our community, such as Road To Recovery (free rides to and from cancer treatment), Reach To Recovery (trained survivor-volunteers who give a measure of comfort and an opportunity for emotional grounding and informed decision-making), and Look Good, Feel Better (to teach female cancer patients beauty techniques and to boost self-image during chemo or radiation treatments); and

WHEREAS, anyone and everyone interested in fighting breast cancer can form a team and enter the race to be held Saturday, October 27, 2018, starting at the Avenue Viera, and registration starts at 7:00 a.m. and the walk follows at 9:00 a.m.
