To be eligible for payment, a completed Post-Event Report must be submitted within 60 days after the completion of the event. The report must include tracking statistics regarding out-of-town visitors and their overall impact on the local economy, particularly on transient lodging facilities and occupancy.

All grant funds awarded may be subject to audit.

To qualify for reimbursement, proof of insurance prior to event start date, which lists the Brevard County Tourist Development Council and Brevard County as an additional insured, with a minimum liability of \$1,000,000 per occurrence must be provided.

The Sports Committee may choose to lend assistance or administer grant funds approved in the form of advertising, public relations and promotions through its respective agency of record on behalf of the applicant.

3.0 AVAILABLE FUNDING

Events that will occur between October 1, 2019 – February 29, 2020 shall submit their application by October 31, 2019 and will be evaluated on a case-by-case basis. Those events that will occur between March 1, 2020 – September 30, 2020 shall submit their application by February 1, 2020. This same schedule shall continue in subsequent years. Annual funding of this program is subject to the full funding of the TDC Sports Budget line item.

Up to \$140,000 may be available for the fiscal year 2019-2020 for a competitive grant program to fund sporting projects/events that demonstrate a positive impact to Brevard County tourism, as described more fully in Section 1.0 of these guidelines.

Annual funding of this program is subject to the full funding of Sports Committee.

The TDO reserves the right to cancel/withdraw funding to this program at any time without cause. Applicants submit applications at their own cost and risk, without expectation of or reliance on funding award. Applicants may have their requested amounts reduced based on TDC recommendations, not meeting at least 80% of room night projections, funding availability, or number and quality of requests submitted.

4.0 ELIGIBLE USE OF FUNDS

Funds are to be used for the project as proposed in the applicant's grant application.

- The sports event must be held at a facility or venue located in Brevard County.
- The sports event must book a minimum of 200 room nights and all participants must stay in Brevard County accommodations with a Tourism Tax Account.
- The TDC provides sports event support in a "Stay-To-Play" model, meaning the event organizer must, to the best of their ability, ensure all participants book their rooms in Brevard County accommodations. The organizer has the responsibility to document each room night related to his event using the attached Room Night Form. This must be completed by each participant. Alternatively, if the organizer is using specified hotels, a room block report from each hotel will suffice to document room nights.
- Two weeks prior to the event start date the Event Organizer/Grantee must provide proof of insurance which names "Brevard County", "Florida Sports Foundation" (if a FSF grant is applied for), and/or any Brevard Municipality affected as additionally insured, with a minimum liability of \$1,000,000 per occurrence.
- The Event Organizer/Grantee must submit an Event Budget detailing costs as well as any Marketing Plan used to promote the event to participants.
- The TDC strongly recommends all event organizers purchase "event insurance" in the event of bad weather, catastrophic event or other contingency.

5.0 GRANT IMPACT, SUPPORT & BIDDING

Any bid fees or event support associated with securing an event and using Tourist Development Tax revenue will be considered on a case-by-case basis.

All events will be judged based on hotel room revenue brought in by the event and the marketing reach of the event which benefits Brevard County Tourism.

Hotel room nights will be determined by completed Room Night Forms submitted by the Event Organizer, or Room Block Reports from host hotels submitted to the TDO by the Event Organizer.

All room reservations tied to the sports event are required to be documented. If the Event Organizer/Grantee allows participants to reserve accommodations outside of Brevard, they may forfeit their grant.

If an event already has a hotel housing bureau/system under contract that company must give the Event Organizer proof of room night stays to submit to the TDO.

Events that fall into Brevard's "shoulder seasons" of the months September, October and November may be eligible for additional support.

6.0 APPLICATION SUBMITTAL PROCEDURES

The event organizer/grantee must complete the on-line application and attachments. Grant applications will be reviewed twice each year; September for events that will be held between October 1, 2019 and February 29, 2020 and February for events that will be held between March 1, 2020 and September 30, 2020. Events with a short booking window that will be held prior to the dates listed above will be considered on a case by case basis. If you have questions about the online application or are unable to upload the required supporting documentation within the online application please contact Deborah Webster at Deborah.Webster@VisitSpaceCoast.com. All applications must be completed online. Questions regarding the Sports and Events Grant program should be made in writing and may be directed to Brian Blanchard at Brian.Blanchard@VisitSpaceCoast.com.

7.0 EVALUATION PROCEDURES

Tourist Development Office staff will receive and review all grant applications to ensure:

1. Applications are submitted by the deadline.
2. Applications are complete and contain all required information.
3. Applications are for eligible projects.

TDO staff will forward complete applications for eligible projects to the Sports Committee of the Tourist Development Council for review and evaluation. Individual members of the Sports Committee will evaluate, rank and validate applications using the currently approved evaluation criteria while attending the ranking meeting.

8.0 REPORTING REQUIREMENTS

To be eligible for payment, a completed Post-Event Report must be submitted within 60 days after the completion of the event. The report must include tracking statistics regarding out-of-town visitors and their overall impact on the local economy, particularly on transient lodging facilities and occupancy.

Failure to submit a complete Post-Event Report will result in disqualification for future support. If the 344

event occurs near the end of the fiscal year, request for reimbursement must be received by August 31.

Reporting

Final reports must be completed online by link you will be given with award funding packet and must be completed 60 days post event.

9.0 FINAL REPORTING

Within 60 days after the completion of the event, the Grantee must submit a Post Event Report (form attached) and a completed W-9 Form.

If a Florida Sports Foundation and/or TDC grant is awarded, the Grantee must report at least 80% of projected total room nights in order to receive the full award amount. If total room nights are less than 80%, the final grant amount will be proportional to the total number of room nights.

Natural disasters and other incidents that may affect the impact generated by the event will be considered on a case-by-case basis.

If the event is cancelled for any reason, there shall be no grant payment made to the Grantee regardless of any expenditure the Grantee has made. Force Majeure may apply.

10.0 FUNDING AND PAYMENT PROCEDURES

When funding is awarded to you, you will be contacted by the Finance coordinator with the funding award amount and a review of the payment procedures.

We have a sixteen year history and VERY clear reporting as to how the funds are used each year. The office had years of documented history on this event. We are also unique in two very important ways. One is we are publishers of the industries only softball magazine devoted to the sport so we deliver more exposure than almost all other applicants. Second we are a Brevard County based business so we spend \$40k to support the event it is all local money! The funds stay here and support Brevard County businesses and workers!

Space Coast Super Boats LLC is an entity founded and run by Kerry Bartlett, Kevin Pruitt, Rich Hensel, Michael Schwarz and Kathryn Theisen, that is operated through multiple communities. Thunder on Cocoa beach designed for men, women and children of all ages is an annual event that has raised money for various charities in the past, and now the Freedom Fighters, a nonprofit group fighting human trafficking, which raised over \$10,000 last year. This is a for profit event that over the years has produced only several dollars in profit due to its high overhead and the fact it is a free event. This is a multi-day event that includes Cocoa Beach, Port Canaveral, and Cape Canaveral. The Port houses all the boats and equipment for the racers,

and the event is held Sunday on Cocoa Beach. There are several events in between one being a street party in Cocoa Beach on Friday night, an all-day meet, greet and mingle with the racers on Saturday day, ending with the race on Sunday with the awards presentation in the port dry pits. Two race teams have merged, P-1 Racing and OPA Racing and we expect 80 plus boats, plus a adding a jet ski series. The success of this event is on Sunday, beach side and the impact to the port, port parking and traffic has been minimal. We look forward to your support.
