Good evening to all. I am Peter Moolhuizen, serving with pride as the president of the Brevard Renaissance Fair. Over the last decade, our fair has become an annual fixture at Wickham Park, enchanting thousands from Brevard County. What began as a modest dragon festival at Eastern Florida State College when many of these young people were knee-high to a grasshopper has blossomed into the rich, vibrant celebration we host today at Wickham Park.

This past weekend marked the end of our ninth season in this cherished setting. Regrettably, a decision made last summer by the commissioners concerning Sec. 78-82 - Permits and park usage for major events has uniquely affected us. Although not aimed specifically at our fair, this ruling jeopardizes our future in Brevard County as we now seek a new venue to support our expanding festival which Brevard does not have.

At this pivotal moment, the Brevard Renaissance Fair represents not just a gathering, but a vital part of our community and economic landscape, supporting local businesses, artisans, and performers. Our mission has always been to enrich Brevard County, culturally and economically, by bringing together diverse individuals to celebrate, learn, and enjoy.

Therefore, I call upon the commissioners to recognize the invaluable contributions of the Renaissance Fair to Brevard County. We solicit your support, creativity, and advocacy in identifying a path forward that allows this wonderful tradition to persist within our county, ensuring Wickham Park's preservation as well.

As we face this crossroads, I urge your support in either revisiting the decision regarding Wickham Park usage or in granting us more time to adapt to these changes. Together, we can secure a future for the Brevard Renaissance Fair within Brevard, continuing to bridge our rich past with a vibrant present and future. Your support, your voice, and your actions are crucial now more than ever.

Thank you for your time, support, and shared passion for maintaining the spirit of the Renaissance in Brevard County. Let's unite to ensure this is not the conclusion of our fair here, but the beginning of its next great chapter.

**The Brevard Renaissance Fair
Petition Drive 2024**

Good evening. My name is Peter Moolhuizen, and I have the privilege of serving as the President and CEO of the Brevard Renaissance Fair. Eleven years ago, we embarked on an incredible journey, beginning at Eastern Florida State College, before the construction of student housing reshaped the landscape. This weekend, we find ourselves at a pivotal moment as we conclude our journey at Wickham Park. Regrettably, this conclusion is not of our choosing but the result of actions taken by a select few determined to displace events from Wickham Park.

This past summer, a group self-titled the Friends of Wickham Park rallied enough support to prompt the local commissioner to amend the park's regulations. These changes directly affect our cherished event and future large-scale events aspiring to grace Wickham Park.

The crux of the issue is not our growth beyond the park's capacity; rather, it lies in the commissioners' inaction towards establishing a venue within Brevard County that can accommodate significant events like ours.

Our commitment to Brevard is unwavering. It's not just our name; it's our origin, the birthplace of our fair, and the home of its founders. Our preference is to remain within this community that has nurtured us. Despite opportunities to relocate, our heart is set on staying.

We are calling on the commissioners to recognize the value of large-scale events to the community and the local economy. It is imperative that they take an active role in either facilitating the development of a venue capable of hosting such events or supporting us in creating a space dedicated to enriching Brevard County's cultural landscape.

As we stand at the threshold of a new chapter, I want to share some important news about the Brevard Renaissance Fair. January has been a month of celebration for the past nine years, bringing history, culture, and community together. We fully intend to continue this tradition next January. However, the question remains: will it be in Brevard? It is our sincere hope to stay within the county that has been our home, our stage, and our inspiration. But, should

circumstances dictate otherwise, be assured that the Brevard Renaissance Fair will go on, even if it means finding a new home outside of Brevard County.

Our plea extends beyond the fair itself. The impact of our potential move touches many local businesses and community members who have been integral to our success. We ask for your support for the fair and all those local entities that thrive alongside us. Together, we can ensure that the spirit of the Brevard Renaissance Fair and the community it supports continues to flourish wherever our journey takes us.

I urge you to stand with us. Lend your voice to our cause by signing our petition, attending the Tuesday Commissioners' meeting, and writing to all commissioners. Together, we can ensure that the legacy of the Brevard Renaissance Fair and events like it continue to thrive in the county that has been our home.

Thank you for your support, your passion, and your presence. Together, let's make a difference.

Jody Hatcher	Rockledge	FL	32965	US	"I support the arts - in any form." "Removing, and preventing new, community events is the wrong direction for our growing community. We love our park and it's offerings should be varied and support as much of the community as possible."
Christopher Heidt	Melbourne	FL	32935	US	"This faire has a special place in my and my family's hearts. We started traveling to this faire and our travels increased over the years until last year I came every weekend. Throughout our visits here we made the decision that we'd like to live here and bought a house in Palm Bay and moved in December 2023. I don't think it's easy to describe the feeling and sense of community that this faire brings unless you experience it for yourselves, which I urge you to do. I will say that it's a safe place/space for anyone who wants to escape reality for just a little while and you can be whoever you want to be and be surrounded by genuinely kind and loving people. The management of the faire from site crew, admin and entertainment and all that have also been exceptionally professional and listen to the patrons when they have concerns. They also go above and beyond to ensure the park is well taken care of and that it's clean. It would be devastating for a lot of people and performers and vendors if this faire couldn't continue. Please consider our plea and keep Brevard Renaissance Faire alive!" "My daughter has worked Renaissance Festivals for years, and when she was a child, she and her sister attended many of them. They are fun, entertaining, and even educational. Keep a Renaissance Festival in Brevard County!"
Jessica Quintanal	Hialeah	FL	33016	US	"I've driven from Texas to the Brevard Renaissance Fair for the last three seasons. That is a lot of Airbnb nights, restaurant meals, etc.. Heck, I even bought something from an auto parts store this year. Even when driving to West Palm Beach from Texas, I stop in Melbourne for a bite to eat on the way back because of the fond memories. The Fair provides a tremendous amount of quality entertainment for a modest ticket price. The warm hearts of the performers provide a truly welcoming place for members of the public with different intellectual and emotional capacities. The Brevard Renaissance Fair is one of the few places in an often cold world where everyone is equal and simply a human being."
Miranda Paymer	Fairview	NC	28730	US	"I enjoy coming to the fair each year." "Renn Faire is a growth project!" "videoUrl": "https://customer-g2wndu9j9b1p4980.cloudfrontstream.com/bfc83a95372e7b7b63054bacdd9c13e0?download/default.mp4", "cloudflareid": "bfc83a95372e7b7b63054bacdd9c13e0"
William Stoneburner	Belton	TX	76513	US	"I've been going to this fair since it was the Dragon Festival 10 years ago. From being a regular participant to this year a vendor, this is something I've looked forward to each year with my friends and family. This fair, like the community, has grown so much over the years and it would be a shame for it to not continue"
Mary Crance	Pompano Beach	FL	33063	US	"I enjoy the Brevard Renaissance Faire and have traveled from Michigan to attend more than once. I would otherwise not have visited the area."
Amy Gagnon	Melbourne	FL	32935	US	"There is no reason to eliminate an event which brings the Arts, revenue, and people to Brevard. Accommodations could be made for this to continue at Wickham Park I am sure."
Cherie Grulich	Palm Bay	FL	32905	US	"I know many local Brevard County families who make this an annual tradition. Isn't this the kind of wholesome activity we want our community to embrace. Every amenity and event you remove, Wickham Park becomes more underutilized by our local families! The Chrisymas lights tradition were a big loss and now this fair is being pushed out too. You'll force us all to move over to Viera where they are trying to create these kinds of traditions and attract young families. Please have a more nuanced discussion about these types of decisions."
Andrew Silhanek	Melbourne	FL	32934	US	"I love the Brevard Renaissance faire and would like to see it continue." "The faire brings communities together."
Rebecca Trimmons	Ypsilanti	MI	84197	US	"Me and my children has made this an annual thing. I already hate seeing the fear in their eyes about the "maybe and what ifs" surround the fair at the moment, more of less how they would take it if it were to leave permanently. Don't take our tradition away!!"
Chuck Guth	Abingdon	MD	21009	US	"This is a wonderful fair and I love going to it."
Meghan Murphy	Melbourne	FL	32940	US	"The Ren Faire brings a lot of business to Melbourne, not to mention it's now a yearly tradition to countless families. Please let us keep it!"
Nancy Lucas	New Windsor	NY	12553	US	"Brevard Fair has become a space coast staple and watching it grow has been a pleasure, please let it stay at Wickham!"
Diane Hunt	Irving	TX	75038	US	"Myself and family enjoy this faire every year and bring new friends each time. The education is also wonderful with events animal education as well for the time of the past"
dennis Hall	Titusville	FL	32780	US	"I love the ren fair and it's so fun and convenient to have in our smaller town!"

Steven Skaggs	FL	West Melbourne	32904 US	FL	32904 US	"I've been going to Brevard Renaissance Fair since it started 9 years ago and love it. I would hate for this event to leave Wickham Park or Brevard altogether."

Brittney Price	FL	West Melbourne	32904 US	FL	32904 US	"I live in Melbourne and the Faire has become a major event for me and my family. We just started working it this year and it would be devastating to lose it."
katelin cornwell	US			US		"The ren faire has been my favorite part of living in Brevard for the last 3 years. I look forward to it all year. I have bonded with many coworkers, made new friends, and discovered parts of myself I didn't know existed through the faire. Aside from that, as a teacher, the faire's educational days are important for our kids! The state is already limiting what we can do for our kids, please don't take away something FUN that teaches them so much!"

If our county commissioners drive this Fair away from Brevard County, it will be an ENORMOUS loss for the entire area. A loss for the arts, community and local businesses - PLEASE do the RIGHT thing and keep this amazing event in our county"

Kayleigh Kowalski	Palm Bay	FL	32909	US	"Not only is this another event that brings revenue and contributes to the local economy, but it's been a tradition of many families locally and afar. David Higgins	Melbourne	FL	32904	US	"I attended the Brevard Renaissance year every year I could since it opened. I have fond memories of visiting with my friends and family, each year was vibrant and unique. The last few years I've been living in Seattle and wished I could fly home just for the weekend to visit the fair. I attended the Washington Midsummer Renaissance Festival, and although it was delightful, the Brevard Ren Faire was even better. Everyone who visited had so much passion and it came through in every interaction. Despite being from a smaller town and less funded, the care and energy that went into it made this such as special and wonderful event. I'd be devastated to see it disappear"

Luis Suarez	Cocoa	FL	32926	US	"Support the retention and attraction of major events in Brevard by addressing the facility shortage. Brevard County has missed out on hosting numerous key events due to this limitation. Numerous events have relocated away from the county due to inadequate facilities, resulting in a loss for the Brevard community. Lewis . R Hill	Palm Bay	FL	32905	US	"This is not the first time that a wonderful festival has been sent packing out of Wickham Park. Run Away County, the Christmas Light display, and others. Scott Berner	Orlando	FL	32801	US	"Why remove one of the biggest streams of income for the county? 5 weekends of fun, adventure, family time, learning experiences and laughter. It occupies less than 5% of the park as a whole. Why shut it down? People moved in near the park and failed to understand ITS A PARK? EFSC wants to turn it in to student housing? A commissioner or two got their feelings hurt? The Space Coast Light Festival already got kicked out, and that ran longer than the fair. Doesn't matter what the reason is to end the fair. There is no good one. It's shut down is a loss across the board, there is no gain but someone's ego getting a stroke. Leave it alone. Leave the chance to create memories and have endless fun alone."

So we don't have to drive to Orlando for everything fun. Brings unique vendors instead of the same ones that go to every fair or festival, irregardless of theme here in brevard. My family has been making memories every year since it first came to Melbourne"
Allen Howard	Melbourne	FL	32901	US	"It is fun for all ages!! Get to learn about different cultures." "In this case, the commissioners are wrong and potentially destructive. The Ren Fair is a huge draw and should be left unmolested. Please don't screw this up for everyone."
Bonnie Mansfield	Indian Harbour Beach	FL	32937	US	"This is poor judgement on the part of Brevard's commissioners. The Ren Fair brings revenue into our county that helps support hotels, restaurants, and a variety of other Brevard businesses. Not to mention the commissioner's bloated paychecks. It is far superior than the Melbourne Art Show as it has a wide variety of family activities, creative arts and music. Many of the vendors are from this area and this fair is part of their livelihood. Felner was being vindictive and childish when he canceled the educational Hawk Walk. Our commissioners and Mary Ellen Donner, the Parks and Recreation Manager for Brevard County, do NOT have Brevard's best interests at heart. They are not listening to the people who voted them in so I will help vote them out if they don't change their minds about the fair."

WHY DO YOU NEED THAT INFORMATION? I HAVE YET TO FIND A REASON OTHER THAN TO BE NOSY AND TO USE THAT INFORMATION TO TRY TO TAKE THE GRANT MONEY AWAY FROM THEM ANYWAY. I GUESS YOU COUNTY COMMISSIONERS THINK YOU'LL NEED THAT GRANT MONEY TO SUPPLEMENT YOUR OUTRAGEOUS SALARIES AFTER YOU BLOCK ALL THE ADDITIONAL REVENUE THAT BREVARD COULD HAVE OBTAINED FROM LARGE EVENTS LIKE THE (FORMERLY KNOWN AS) BREVARD RENAISSANCE FAIR WITH YOUR EGRESSIOUS AND SELF-AGGRANDIZING BETRAYAL OF YOUR CONSTITUENCY. I GUESS YOU'LL NEED THAT MONEY WHEN YOU ARE NO LONGER IN OFFICE BECAUSE YOU HAVE BEEN VOTED OUT DUE TO YOUR WILLFUL IGNORANCE OF THE WILL OF THE PEOPLE OF THIS COUNTY THAT YOU ARE SUPPOSED TO REPRESENT! Nicholas Rizzo	Orlando	FL	32801	US	"This unique event lets everybody essentially be themselves, and the number of families in business owners who both attend and participate at this event as a vendor or a show really depend on the revenue that it generates. Amanda Kline	Cocoa	FL	32926 US	"The Brevard Renaissance Fair is fun and educational for our community. People of all ages, backgrounds, abilities, and nationalities gather at this event each year. In addition, the Brevard Renaissance Fair holds a special place in the local homeschooling community's heart, as they host an annual education day with very low-priced admission so that one-income families who wouldn't normally be able to afford the event can learn and enjoy. The event only takes up 1.4 acres of a nearly 300 acre park. It would be a real shame for our community to lose this event over the negative attitudes of a very few who are averse to events being hosted at parks or at all."

Angelica Ramie	Rockledge	FL	32955	US	"As a small business owner, I am disgusted that the brevard county commissioners would make this decision without taking into account public opinion FIRST. My business is located in Rockledge, and I can tell you that I have SEVERAL clients who come to see me that are in town ONLY for the Brevard Renaissance Fair. If the fair gets cancelled, I no longer have those clients coming into my business, and I no longer have that income to put back into our local economy. Being located all the way in Rockledge, I can only imagine how this decision will impact small businesses closer to Wickham park who have more tourism income due to this specific event. Also consider the local vendors who attend this event, who will be losing a large amount of income they receive from sales at this extremely popular event. Canceling this event will have an extremely negative impact on our local economy! Also consider more local tourism. I drive from North Rockledge to attend this event. I have friends who drive from Titusville, Palm Bay, Cape Canaveral, and Mims to attend this event every single weekend for the duration of the event. Large-scale events pull our brevard count community together as a whole. We all come together to enjoy food, entertainment, and shopping. These events foster a sense of community and is what helps brevard keep that "small town" feeling, even though we are among the top 10 largest counties in Florida. Why would the commissioners desire to harm our sense of community, our sense of really belonging to our beautiful county, by removing events such as Brevard Renaissance Fair that pulls us together? Furthermore, I saw one of the commissioners had a statement that the policy change is for leaving the park open for people to enjoy the trails. I can tell you I've been walking through those trails and enjoyed the park while the fair is going on, and I have never once felt that the fair was impeding on my park experience. I didn't even feel that the parked cars were in any way whatsoever impeding on my park experience. If that is a concern, I feel that can be very easily put to rest as the fair only takes up 14 of 300 acres of Wickham park, which is less than 5% of the park as a whole. Have the commissioners considered the lack of income to the park by canceling this event? The lack of the park rental revenue? The potential decrease of the campground occupancy/revenue during this time? If the commissioners are concerned about people enjoying the park, they require funds from rentals such as the Renaissance fair to maintain the extensive grounds and future improvements to the park. Yes, part of that funding is tax money, but part of that funding is also the rental fees collected by the parks. By canceling events that pull in so much income to the parks, are we dooming our beloved Wickham Park to suffer neglect and disrepair due to inadequate funding? Will this lead to conservation measures (such as the gopher tortoises) at Wickham park falling by the wayside? There seems to be a domino effect of harm that will affect brevard county as a whole by cancelling large-scale events at Wickham park. Not just the renaissance fair, but any event held at Wickham Park. This is our Wickham Park, these are our events, and this is our economy. We love our community, and will stand by it and stand up against anyone who seeks to do it harm."
