Subject:

Resolution establishing user fees for FY 2023-2024 for the Melbourne-Tillman Water Control District

Fiscal Impact:

Dept/Office:

Budget

Requested Action:

It is requested by the Melbourne-Tillman Water Control District that the Board of County Commissioners acknowledge the adoption of the attached Resolution approving user fees for the Melbourne-Tillman Water Control District for FY 2023-2024 and authorize the Chair to sign the Resolution.

Summary Explanation and Background:

The user fees requested and recommended by the Melbourne-Tillman Water Control District's Board of Directors represents a 4.62% increase in the FY 2023-2024 rates for Commercial, no increase in Residential or Agricultural classifications due to the legislative cap on both. Approval of the proposed increase would bring the Commercial classification to the legislative cap. Proposed rates are as follows:

- Residential remains at \$25.00 per lot or acre
- Agriculture remains at \$8.50 per lot or acre
- Commercial from \$50.18 per lot or acre to \$52.50

Per Ch. 2001-336 Laws of Florida, the fee must be established by resolution of the Board of Directors and approved by a majority vote of the Board of County Commissioners, with each County Commissioner whose County Commission residency area lies wholly or partially within the District (District 3 and District 5) voting in the affirmative. At a public hearing held within the Melbourne-Tillman Water Control District's boundaries on August 10, 2023, all Board members in attendance unanimously adopted the resolution with both District 3 and District 5 Commissioners voting in the affirmative.
