Information Technology Security Liaison

SUBJECT:

Information Technology Security Liaison

FISCAL IMPACT:

None

DEPT/OFFICE:

Information Technology

REQUESTED ACTION:

It is requested that the Board of County Commissioners appoint a Board member to serve as a liaison between the Board of County Commissioners and the County Manager's Office/Information Technology Department.

SUMMARY EXPLANATION and BACKGROUND:

Brevard County Information Technology Department utilizes industry's best practices for information security. The Information Technology Department is also subject to routine security audits. These security practices, as well as the security audit findings are sensitive and/or confidential and are not discussed in detail in a public forum and are not eligible for executive session. Due to these limitations, it is recommended to appoint a Board liaison in order to facilitate these sensitive communications.

Fiscal Impact: None
