TITLE: COMMISSION DISTRICT OFFICE ANNUAL BUDGET

I. Objective

To establish annual budgets for Commission District Offices

II. Directives

- A. The annual budget for each Commission District Office for Fiscal Year 2021-2022 will be capped at \$380,000 for Compensation and Benefits, Travel, Office Supplies, Telephones, Memberships, Capital Outlay and other administrative costs.
- B. The District Office budgets at the capped amount will be adjusted annually for organization-wide increases including but not limited to cost of living adjustments, Florida Retirement System rates, and employee health insurance premiums. District budgets below the capped amount may be increased upon the request of the District Commissioner without further Board approval.
- C. Each District Office has discretion and approval over the line-items within their budget, to include out of State travel, and may align the expenses as they deem appropriate, as long as total expenditures remain within the total overall budget for that district.
- D. Approval to exceed the established capped budget for a Commission District Office will require Board approval.

Note: Building costs including rentals, electricity, water, and maintenance are funded by the Facilities Management budget, not the District Offices

III. Reservation of Authority

The authority to issue and/or revise this policy is reserved to the Board of County Commissioners
