

Board Discussion: Barefoot Bay Recreation District Utilization of Uniform Tax Assessments

SUBJECT:

Barefoot Bay Recreation District Utilization of Uniform Tax Assessments

DEPT/OFFICE:

District 3

REQUESTED ACTION:

Discussion only; no substantive action will be requested at this time.

SUMMARY EXPLANATION and BACKGROUND:

Under the authority granted by Chapter 418 of Florida Statutes, the Board, through Sec. 98-76 of Brevard County Code of Ordinances, has permitted the Barefoot Bay Recreation District to collect its special assessment, known as a "recreation district tax," through "the manner provided for ad valorem taxes. . ."

Significant confusion has arisen regarding this arrangement. Some residents perceive this significant annual assessment on their County tax bill as having been set or approved by the Board.

At this time, all that is being sought is discussion on whether the Board's options on this matter should be researched by County staff, including whether the Board has the ability to rescind authority to collect this assessment on residents' tax bills.
