AGENDA REPORT
BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

pt. 3

SUBJECT:	PERMISSION TO ISSUE ANNUAL SUPPLY BIDS, PROPOSALS AND REQUEST FOR QUALIFICATIONS (FY 2015/2016) AND/OR NEGOTIATE COMPETITIVE AGREEMENTS
DEPT/OFFICE:	CENTRAL SERVICES DEPARTMENT/PURCHASING SERVICES

Requested Action:

It is requested the Board grant Purchasing Services approval to perform the following actions regarding the attached list of commodities and services for fiscal year 2015/2016.

1. Solicit competitive bids, quotes and/or negotiate competitive agreements and award to lowest, responsive and most qualified supplier.
2. Solicit competitive proposals and requests for qualifications, establish selection/negotiation committees approved by the County Manager, or designee; and award contracts and/or open purchase orders with the best-ranked proposer.
3. Exercise renewal options upon evaluation of supplier performance, and recommendation from user departments/offices. This establishes the continuance of the contract is favorable prior to extension of the agreement.
4. Authorize the Chairman to execute contracts and contract renewals over \$100,000 in annual value.

Summary Explanation & Background:

Purchasing Services estimates the annual needs of the County for items or groups of items where there is an opportunity to achieve savings by using formal competitive processes (formal bids, quotes proposals, and request for qualifications). Annual competitions establish a source, a firm price and a performance period on high-volume, repetitive materials and continuing services.

Approval of this action will eliminate repetitive Board action granting permission to purchase routinely used items and services and will eliminate an estimated several thousand individual purchase order transactions. Also to expedite the award process, the County Manager currently has Board authorization to solicit, award and execute contracts up to \$100,000. Award recommendations will be made by a selection committee consisting of user agency representatives approved by the County Manager, or designee, for evaluation of proposals; and Purchasing and user agency staff members for determining responsive and responsible bids.

The competitive procurement method (competitive bid vs. competitive proposal) will be determined by the individual services or commodity requirements. Acquisition of services for recurring continuing professional consultant contracts will be solicited in accordance with Policy BCC-27 and Florida Statutes §287.055, "Consultants' Competitive Negotiation Act". Florida Statute §287.055 allows the County to enter into

CONTRACT

THIS CONTRACT by and between the Board of County Commissioners of Brevard County, Florida, a political subdivision of the State of Florida (hereinafter the "County"), and Alternative Power Solutions, Inc. a business having its primary business location at 6438 University Blvd., Ste #15, Winter Park, FL 32792 (hereinafter the "Contractor").

WITNESSETH:

WHEREAS, the County is desirous of obtaining the services of a Contractor to furnish parts, labor and equipment necessary to perform inspection, and general routine and on-call emergency repair and service to stationary and portable backup power generators located throughout Brevard County; and

WHEREAS, the County competitively procured the services of the Contractor to provide inspection, repair and service as specified in Bid #B-5-15-32/Generator Maintenance & Repair Services; and

WHEREAS, the provision of such services shall mutually benefit the parties hereto and the residents of Brevard County, Florida.

NOW THEREFORE, in consideration of the covenants herein contained, it is mutually agreed between the parties as follows:

1. **SCOPE OF SERVICES:** The Contractor shall furnish all parts, labor and equipment necessary to perform inspection, and general routine and on-call emergency repair and service to stationary and portable backup power generators located throughout Brevard County. The Scope of Services is further described as provided for herein (See Attachment "A" – Scope of Services). The list of current generators is attached hereto (See Attachment "B"). The County reserves the right to delete equipment or add equipment at additional locations from time to time. The Contractor shall provide service on additional or new equipment at the same rate of \$68.00/hour or less as provided under bid submittal "Price Sheet" (see Attachment "C").

This Contract may be used by other governmental agencies provided a cooperative Purchasing Agreement exists or an Interlocal Agreement for joint purchasing exists between Brevard County and the other governmental agency. Each agency shall be responsible for processing its own purchases with the Contractor and compensating the Contractor for those purchases.

2. **TERM:** The term of this Contract shall begin July 9, 2015 and continue through July 8, 2016. The County shall have the option to renew this Contract twice, by giving ninety (90) days prior written intention to Contractor, for two (2) additional consecutive terms of one (1) year each, with the County's option to negotiate pricing, terms & conditions.

3. **PARTS AND SUPPLIES:** All parts provided under this Contract shall be genuine original manufacturer's parts unless approved by the County. All parts provided shall be new or like-new refurbished and free of defects. Any defective or damaged part shall be returned and replaced at the Contractor's expense. See Attachment "A".

4. **WARRANTY - CORRECTION OF FAULTY PRODUCT/SERVICE:** The parts, equipment and/or services furnished under this Contract shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable parts, equipment and/or services. However, at a minimum, parts, components, assemblies or equipment replaced by the Contractor shall be fully warranted by the Contractor against defects in materials and/or workmanship for a period of not less than one (1) year from date of acceptance by County or the duration of the manufacturer's warranty, whichever is longer. Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the Contractor shall repair or replace at no cost to the County. The Contractor shall not charge Brevard County any warranty handling fees.

The Contractor shall be responsible for faulty labor or workmanship and shall promptly correct improper work, **without cost to the County**, after receipt of notification of such faulty labor or workmanship within one (1) day for emergencies and a reasonable period not to exceed five (5) business days for non-emergencies, unless otherwise approved by the authorized designated County departmental representative. Payments in full or otherwise do not constitute a waiver of this warranty. The warranty period shall be effective for no less than one (1) year after acceptance of the work by Brevard County.

If at any time during the Contract term, the Contractor's performance is not satisfactory to the County's Contract manager, the Contractor will be notified by the County's Contract Manager in writing with a summary of the issues. The Contractor, upon written notification by the Contract Manager, shall, within three (3) days, increase the force, tools and equipment as needed to properly perform the Contract. The failure of the Contract Manager to send such notification shall not relieve the Contractor of the obligation to perform the work at the time and in the manner specified by the Contract. If the Contractor does not increase the force or neglects to do the work properly, the Contract Manager can withhold a percentage of payment or withhold the entire dollar amount due to the Contractor.

5. **PURCHASE ORDERS:** At the beginning of this contract term and for each subsequent fiscal year, each Department/Service Area will issue an Open/Blanket Purchase Order to the Contractor. The Contractor shall not deliver or furnish products or services until a Department transmits a purchase order. All purchase orders shall bear this contract or solicitation number, shall be placed by the County directly with the Contractor, and shall be deemed to incorporate by reference this contract and solicitation terms and conditions. Any discrepancy between these contract terms and the terms stated on the Contractor's order form, confirmation, or acknowledgement shall be resolved in favor of terms most favorable to the County.

6. **PLACEMENT OF SERVICE REQUESTS:** The Contractor shall respond by phone, to all phone calls, messages, or pages within thirty (30) minutes. For non-emergency service calls, the Contractor shall arrive on-site within seventy-two (72) hours of notification. For emergency service calls, the Contractor shall arrive on-site within two (2) clock hours of the first phone call, message, or page from the County. The County, and not the Contractor, shall determine whether the need for service at any given location is an emergency or non-emergency.

(a) The Contractor shall maintain and provide to the County a current list of land telephone, cellular telephone and/or pager numbers for emergency repair service purposes. The Contractor shall update this list as personnel or phone numbers change during the term of the Contract. Such updates to the County shall occur within 48 hours of the change.

(b) Emergency repair service during normal business hours will be coordinated by the user department's representative before any services are performed.

(c) Emergency repair services after normal business hours will be authorized by a Central Fleet Services representative and/or user department's representative who will notify Central Fleet of service by the next business day.

(d) The County declares and the Contractor acknowledges that the County may suffer damages due to lack of performance of the terms and conditions of this Contract by the Contractor. In the event of untimely performance or nonperformance, liquidated damages will be applied in the amount of \$100 per hour for every one-hour delay, or partial thereof, beyond the required response time. This amount will be deducted from any moneys payable to the Contractor.

7. **BILLING AND INVOICING:** The Contractor shall provide a separate invoice for each order placed or service request placed with sufficient detail to identify each service call. The invoice shall reference the appropriate Purchase Order issued by the County, the Contractor's EIN number, the location of the equipment serviced, date the service was provided, and the location of the service call. The invoice shall also detail each part, material or supply provided with a description, unit, unit cost, and extended cost and copy(ies) of invoices for any materials furnished. Labor shall be listed as a separate line including the number of hours, hourly rate, extended rate, and the job classification of the employee performing the work. Time of arrival to the work site and time of departure from the work site, the total on-site time and total charges for the call shall be indicated on the invoice or provided on a work order or service ticket attached to the invoice.

The County may require any other information from the Contractor that the County deems necessary to verify any purchase order/service request placed under this Contract or invoice issued by the Contractor.

8. **PERMITS:** The Contractor shall be responsible for obtaining all necessary permits and schedule all inspections required to provide any requested generator service under this contract. All licenses and permits shall be readily available for review by the County. In addition, a copy of issued permit(s) shall be provided to the User Department of the County for their records. The County will be responsible for reimbursing the Contractor for permit fees. Permits needed for a specific project/service shall be clearly stated as a separate line item on all quotes and invoices. The Contractor shall not mark-up permit fees. If necessary, the County may request a copy of the permit receipt before reimbursement occurs. The County may elect to pull its own permits in the interest of time and/or cost savings.

9. **PAYMENTS:** The County shall pay the Contractor for parts, material, supplies and labor provided under this Contract as provided on the Bid Price Sheet, Attachment "C." The County reserves the right to deduct from any invoice an amount for defective or nonconforming work or for work not provided but invoiced. The County shall remit payment in accordance with the Florida Prompt Payment Act, Florida Statute section 218.70, et seq. Invoices shall contain the purchase order number and the appropriate Contractor identification number. Invoices that must be returned to a Contractor due to preparation errors will result in a delay in payment. The County's delay in payment shall not constitute a breach of this Contract and shall not relieve the Contractor of its obligations to the County.

10. **PRICING:** Pricing as set forth on Attachment "C" includes all overhead, profit, estimates, administrative costs, charges for equipment used during maintenance and repair, insurance, truck mileage, travel time, workers compensation, and unemployment compensation insurance. Travel time and expenses shall be borne by the Contractor and shall not be included in the hourly rates. The Contractor's start time for the purpose of billing shall not start until arrival at the jobsite and shall conclude upon leaving the jobsite.

Should the Contractor have to leave the jobsite to secure parts not on hand, a maximum time of one (1) hour for labor time for one technician will be allowed for and paid for by the County. Any time in excess of one hour or any additional trips for materials shall be taken at the expense of the Contractor.

All prices shall be FOB: Destination, Shipping Prepaid and Allowed, and include all packing handling, shipping charges, fuel surcharges and delivery to any point within the County of Brevard, Florida to a secure area or inside delivery. All prices, costs, and conditions shall remain firm and valid during the term of this Contract. Any price changes may be requested for the renewal period of the Contract, subject to negotiation. If the County intends to negotiate for renewal, the Contractor will receive at least ninety (90) days notice.

(a) If Emergency Service is required during normal business hours, standard labor rates apply. If emergency service is required at hours other than normal business hours (including holidays recognized by the County, after-hours and weekend work), the hours worked may be considered overtime and charged at the appropriate labor rate as specified on the Price Sheet, Attachment "C."

(b) In case of an emergency, hurricane or disaster (natural or man-made), the Contractor agrees to rent, sell or lease needed parts, equipment, or labor to Brevard County and its municipalities, as opposed to a private citizen or company/corporation, on a first priority basis. Pricing for such circumstances shall be fair and reasonable and not to exceed those prices quoted in this Contract.

11. **PRICE DISCOUNTS:**

(a) Quantity Discounts. The Contractor is urged to offer additional discounts for one time delivery of large single orders. The County should seek to negotiate additional price concessions on quantity purchases of any products offered under this Contract. The County shall document their files accordingly.

(b) Best Pricing Offer. During the Contract term, if the County becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a product outside the Contract, but upon the same or similar terms of this Contract, then the County may immediately reduce the price listed under this Contract to the lower price.

(c) **Sales Promotions.** In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. The Contractor shall submit to the assigned Purchasing Agent documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to then-authorized prices. Promotional prices shall be available to all County departments. Upon approval, the Contractor shall provide conspicuous notice of the promotion.

12. **INDEMNIFICATION:** The Contractor shall indemnify and hold harmless the County and its agents and employees from and against all claims, damages, losses, and expenses, including attorney's fees arising out of or resulting from the performance of its work under this agreement, where such claim, damage, loss, or expense is caused, in whole or in part, by the act or omission of the Contractor, or anyone directly or indirectly employed by the Contractor, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused by in part by a party indemnified thereunder. In any and all claims against the County, or any of its agents or anyone directly or indirectly employed by the Contractor, or anyone for whose acts any of them may be liable, indemnification obligation under this paragraph shall not be limited in any way by a limitation on the amount or type of damages, compensation or benefits payable by or for the custodial contractor, under workers' compensation acts, or other related policies of insurance. The parties acknowledge specific consideration has been exchanged for this provision.

13. **MODIFICATIONS TO CONTRACT:** This Contract, together with any attachments, assignments and schedules, constitute the entire contract between the County and the Contractor and supersedes all prior written or oral understandings. This Contract and any attachments, assignments and schedules may only be amended, supplemented or canceled by a written instrument duly executed by the parties hereto.

14. **INSURANCE:** The Contractor, at its own expense, shall keep in force and at all times maintain during the term of this Contract:

a. **General Liability Insurance:** General Liability Insurance issued by responsible insurance companies and in a form acceptable to the County, with combined single limits of not less than One Million Dollars (\$1,000,000) for Bodily Injury and Property Damage per occurrence.

b. **Automobile Liability Insurance:** Automobile Liability coverage for all owned, non-owned and rented vehicles shall be in the minimum amount of One Million Dollars (\$1,000,000) combined single limits for Bodily Injury and Property Damage per accident.

c. **Workers' Compensation Coverage:** Full and complete Workers' Compensation Coverage, as required by State of Florida law, shall be provided.

d. **Insurance Certificates:** The Contractor shall provide the County with Certificate(s) of Insurance on all the policies of insurance and renewals thereof in a form(s) acceptable to the County. Said Liability Policies shall provide that the County be an additional insured. The County shall be notified in writing of any reduction, cancellation or substantial change of policy or policies at least thirty (30) days prior to the effective date of said action. All insurance policies shall be issued by responsible companies who are acceptable to the County and licensed and authorized under the laws of the State of Florida.

15. **ATTORNEY'S FEES:** In the event of any legal action to enforce the terms of this Contract each party shall bear its own attorney's fees and costs.

16. **GOVERNING LAW:** This Contract shall be governed, interpreted and construed according to the laws of the State of Florida.

17. **COMPLIANCE WITH STATUTES:** It shall be the Contractor's responsibility to be aware of and comply with all federal, state and local laws.

18. **VENUE:** Venue for any legal action by any party to this Contract to interpret, construe or enforce this Contract shall be in a court of competent jurisdiction in and for Brevard County, Florida and any trial shall be non-jury.

19. **ASSIGNMENTS:** The Contractor shall not assign any portion of this Contract without the written permission of the County.

20. **TERMINATION:** If either party fails or refuses to perform any of the provisions of this Contract or otherwise fails to timely satisfy the Contract provisions, either may notify the other party in writing of the nonperformance and terminate this Contract or such part of this Contract as to which there has been delay or a failure to properly perform. Such termination is effective upon the party's receipt of the Notice of Termination. If award of this Contract was made as a result of application of local preference criteria as defined in Brevard County Resolution No. 2009-146, and the Contractor either falsified or misrepresented information that lead to the award by application of local preference criteria, or fails to maintain the requirements of the Contractor category stated on the Local Vendor Affidavit of Eligibility through completion of the Contract term, the County may terminate this Contract immediately. Such termination is effective upon the party's receipt of the Notice of Termination. Termination for nonperformance and/or failure to maintain the requirements of a local vendor category upon which the Contractor was awarded a contract may be used for consideration for future awards. Any work completed or services provided prior to the date of termination shall, at the option of the County, become the property of the County. The County is only responsible for payment for services provided prior to the effective date of termination.

The County may terminate this Contract if the Contractor fails to (1) deliver the product within the time specified in this Contract or any extension, (2) maintain adequate progress, thus endangering performance of this Contract, (3) honor any term of this Contract, (4) abide by any statutory, regulatory, or licensing requirement, or (5) failed to remedy any breach of the Contract in the time specified in a notice to cure. The County, in its sole discretion, may issue a notice to cure before termination giving Contractor a reasonable time to cure the breach. The Contractor shall continue work on any work not terminated. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County.

21. **TERMINATION FOR CONVENIENCE:** Either party may terminate this Contract for convenience upon thirty (30) days written notice to other party.

22. **INDEPENDENT CONTRACTOR:** The Contractor shall perform the services under this Contract as an independent Contractor and nothing contained herein shall be construed to be inconsistent with this relationship or status. Nothing in this Contract shall be interpreted or construed to constitute the Contractor or any of its agents or employees to be the agent, employee or representative of the County.

23. **RIGHT TO AUDIT RECORDS:** In performance of this contract, the Contractor shall keep books, records, and accounts of all activities related to this contract, in compliance with generally accepted accounting procedures. All documents, papers, books, records and accounts made or received by the Contractor in conjunction with this contract shall be open to inspection during regular business hours by an authorized representative of the County and shall be retained by the Contractor for a period of three (3) years after termination of this contract, unless such records are exempt from section 24(a) of Article I of the State Constitution and section 119.07(1) Florida Statutes. All records or documents created by (CONTRACTOR), or provided to (CONTRACTOR), in connection with the activities or services provided under the terms of this Contract are public records and shall be subject to the applicable provisions of the Florida Public Records Act, Chapter 119, Florida Statutes. The Contractor agrees to comply with any request for such public records made in accordance with Chapter 119, Florida Statutes.

24. **UNAUTHORIZED ALIEN WORKERS:** Brevard County will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e)(Section 274A(e) of the Immigration and Nationality Act "INA"). The County shall consider a contractors intentional employment of unauthorized aliens as grounds for immediate termination of this contract.

25. **FEDERAL TAX ID NUMBER:** The Contractor shall provide to the County their Federal Tax ID Number or, if the Contractor is a sole proprietor, a Social Security Number.

26. **EMPLOYMENT:** The Contractor shall not engage the services of any person or persons now employed by the County, including any department, agency, board or commission thereof, to provide services relating to this contract without written consent from the County.

27. **PUBLIC ENTITY CRIMES:** A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of thirty six (36) months from the date of being placed on the convicted vendor list.

28. **WAIVER:** The delay or failure by the County to exercise or enforce any of its rights under this Contract shall not constitute or be deemed a waiver of the County's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

29. **NON-EXCLUSIVE AGREEMENT:** Both parties acknowledge that this Contract does not establish an exclusive agreement for the indicated services and does not preclude the County from entering additional and/or separate contracts for similar services, utilizing other existing contracts for similar services, or acquiring emergency services as determined by the County to be required.

30. **CONSTRUCTION OF AGREEMENT:** The parties hereby acknowledge that they fully reviewed this Contract and its attachments and had the opportunity to consult with legal counsel of their choice, and that this Contract shall not be construed against any party as if they were the drafter of this Contract.

31. **NOTICE:** Notice under this Contract shall be given by certified mail or hand delivered as follows: Teresa Camarata, Central Services Director, Brevard County Board of County Commissioners, 2725 Judge Fran Jamieson Way, Suite C-303, Viera, FL 32940 and Notice shall be given to the Contractor by certified mail or hand delivery as follows: Efrain Rivera, President, Alternative Power Solutions, Inc., 6438 University Blvd., Ste #15, Winter Park, FL 32792.

END OF PAGE

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day and year first above written.

Scope of Services

Attachment "A"
Emergency Generator Maintenance & Repair Services
BID #B-5-15-32
SCOPE OF SERVICES

1. The purpose of this bid is to establish a standard hourly rate for non-emergency and emergency generator repair services and optional services for preventative maintenance and loadbank testing on an as needed basis. **Note: County staff currently services the engine system of each generator. However, the County retains the right at its discretion, to acquire parts and/or services for all generator components from awarded Contractor(s).**

Exact quantities of service to be procured under this bid agreement cannot be determined. Orders will be issued on an "as required basis." The historical expenditures Countywide on this bid for Fiscal Year 2013 (October 1, 2012 through September 30, 2013) was \$79,210; Fiscal Year 2014 (October 1, 2013 through September 30, 2014) was \$193,609.

2. Awarded Contractor(s) will be issued purchase orders for task requested. The purchase orders will reference this bid number. The provisions contained in this bid will be considered firm and both parties agree to abide by them for each purchase order issued, work assigned, and project undertaken.

3. AUTHORIZED SERVICE FACILITY:

The awarded Contractor must be a manufacturer's authorized repair facility and employ technicians trained and skilled in the electrical, electronic, and mechanical maintenance and repair of the generators listed in Attachment "B". Contractor shall provide signed manufacturer(s) document on company letterhead stating company is approved authorized provider. The technicians employed by the contract must be trained per manufacturer in all areas of stand-by power systems and will be expected to diagnose, troubleshoot, and repair generators and their associated equipment.

4. PARTS:

All replacement/repair parts must be genuine original manufacturer's parts, unless approved by the County designated representative, and must be either new or like-new refurbished parts, which shall be invoiced appropriately to the County. Replaced (old) parts shall become the property of the contractor and shall be disposed of according to industry standards and federal, state, and local laws/ordinances. New and refurbished replacement/repair parts shall become the property of the County. Only parts approved by the original manufacturer, for the specific device being serviced shall be used when replacement/repair parts are required. Used or re-manufactured parts for obsolete and/or items no longer in production by manufacturer. Contractor must obtain approval from Brevard County prior to purchase and installation.

All parts and materials supplied by the contractor during general and emergency repair services shall be on an "actual cost-plus-percentage" basis, as bid by the contractor. Each invoice shall include adequate detail to identify each service call. At a minimum the detail shall include the following: the date of the service call, service location, *copies of invoices for any materials furnished*, job classification of employee performing work, the applicable hourly rate, arrival time on-site, the time service call was completed, total time on-site and total charges for the call.

5. Contractor shall provide all equipment necessary to provide full maintenance and repairs as specified in the document. Charges for equipment used during maintenance and repair (i.e.:) shall be included in the hourly rate.
6. For any new equipment furnished and installed by the contractor, he/she will provide two (2) copies of the operating and maintenance instructions, and a listing of the manufacturer's spare parts for the stated equipment.
7. EQUIPMENT: The County reserves the right to add or delete any equipment from service provided under this contract. The contractor shall provide service on additional and/or new equipment, of the same make and model, at the same hourly rate or less as the price bid under this contract. The contractor shall, under no circumstances, remove any equipment containing a County asset control sticker. The contractor shall request that, when replacing equipment, the property sticker be removed by an appropriate department staff.
8. TIME: The Contractor acknowledges that time is of the essence and agrees to complete the services as specified in each task order issued to the awarded Contractor. The Contractor agrees that all work shall be prosecuted regularly, diligently, and uninterrupted at such a rate as will ensure full completion within the time specified in each task order.
 - A. EMERGENCY SERVICE: Emergency repairs shall be addressed within a two (2) hour period and all non-emergency repairs within seventy-two (72) hours from time of notification.

- 1) Emergency repair service during normal business hours will be coordinated by the user department's representative before any services are performed.
- 2) Emergency repair services after normal business hours will be authorized by a Central Fleet Services representative and/or user department's representative who will notify Central Fleet of service by the next business day.
- 3) If Emergency Service is required during normal business hours, standard rates apply. If emergency service is required at hours other than normal business hours (including holidays recognized by the County, after-hours and weekend work), the hours worked may be considered overtime and charged at the appropriate rate as specified on the Price Sheet.

B. **RATES:** The cost for labor shall be based upon the hourly rate bid herein and the Contractor's time **shall start upon arrival at the jobsite and shall conclude upon leaving the jobsite**. The rate bid herein shall include direct labor, miscellaneous tools and equipment, overhead, travel/trip charge, and total profit necessary for the service to be provided. Contractor must check-in with County staff upon arrival and departure, and for any break times for accuracy of billing hourly rates (either in person or via phone for after hours work or if County staff is not onsite). Contractor must also clearly identify to County staff the number of workers are on the job site at any given time. **ALL HOURS WORKED WILL BE VERIFIED BY COUNTY STAFF BEFORE AN INVOICE IS PROCESSED FOR HOURLY LABOR.**

- 1) **STANDARD HOURLY RATES:** All generator repair/maintenance services shall be coordinated and performed between normal business hours 8:00 a.m. – 5:00 p.m., Monday through Friday, unless otherwise approved by the County. There shall be no overtime, weekend, and/or holiday work unless specifically authorized by the County.
- 2) **OVERTIME RATE:** Hours other than the normal business hours (as described above), including holidays recognized by the County, after-hours and weekend work (both emergency and non-emergency) may be considered overtime and charged at the appropriate rate as specified on the Price Sheet.
- 3) **SPECIAL RATE:** Proprietary software for switches. Contractor may secure the manufacturer's authorized technician for proprietary issues. The billable rate to the County may not exceed 1.5x the contracted hourly rate. The Contractor shall obtain the County's approval prior to contracting with such manufacturer or authorized technician.

The Contractor shall bid one hourly rate herein and it shall include direct labor, miscellaneous tools and equipment, overhead, and total profit. Should the contractor have to depart the jobsite to secure parts not on hand, a maximum time of one (1) hour of labor time for one (1) technician will be allowed for and paid for by the County. Any time taken in excess of one (1) hour or any additional trips for materials taken shall be at the expense of the contractor.

*****PLEASE NOTE:** The Contractor shall include in their hourly rates, all overhead, profit, estimates, administrative cost, insurance, fuel, truck mileage, travel time, worker's compensation, unemployment insurance, social security, etc., in the labor rate. **NO ADDITIONAL COSTS WILL BE ALLOWED.** Contractor shall not invoice Brevard County for any fuel surcharges.

9. **TRIP CHARGE:** Any travel time and expenses shall be borne by the contractor and should be included in the hourly rates and/or rate per gallon. Contractor shall not invoice Brevard County for any travel or fuel surcharges.
10. **ESTIMATE PREPARATION:**

The Contractor shall not charge the County for any estimates. Contractor shall submit estimates within three (3) days, and if any work is required to determine estimate, it shall be at contractor's own expense. This will include estimates for determining sizes of future generators, transfer switches and all other estimates required by owner.

It is the responsibility of the awarded Contractor to ensure that the County receives the best competitive pricing on all repair services throughout the term of this agreement. The County may check open market prices for parts and repairs throughout the term of this agreement to ensure compliance with this provision. The County reserves the right to utilize the County's established purchasing policy to obtain bids and select other vendors as required, for any repairs that the County may deem necessary, throughout the term of this contract and the County shall have no obligation to give the vendor any minimum amount of repair work.

The contractor is responsible for the proper handling and storage of all materials while working on a generator set and for the restoration of the site prior to leaving the work area. Departments and User Agencies may make exceptions to this process in case of emergencies. Deviations from the estimate/quote submittal process are at the County's discretion.

The contractor shall be given a scope of work for each project and shall be required to visit the work site. It is the contractor's responsibility to ensure they have all the information to prepare accurate estimates/quotes.

The contractor's estimate/quote to the County for completing the work shall include the number of days to complete the work and the total price to complete the work, including the work items required. The contractor should outline in their estimate/quote specific information including: hourly labor rates and equipment with operator, as bid, number of hours required, list of materials to include description, cost, and sales tax on materials, if applicable, and permits costs, if applicable. The County shall not pay any additional amount, including add-ons, administrative fees, copy fees, demurrage, disposal fees, environmental fees, fuel charge, incidentals, licenses or permits, pass through, restocking, service fees, shipping, loading or unloading, surcharges, taxes imposed on the contractor, sub-contractors or delivery companies, tool allowance or utility increases.

All estimate preparation should be at no charge to the County, regardless as to whether the County elects to do the work.

The contractor's estimate/quote will be evaluated to determine if the scope has been clearly and accurately understood, the work has been properly estimated with supporting data presented and that material and equipment estimates are reasonable and properly documented. The County reserves the right to disapprove the estimate/quote and shall have no obligation to issue a Purchase Order for the work.

THE ESTIMATE/QUOTE PROVIDED SHALL BE FIRM; NO INCREASES WILL BE PERMITTED OR APPROVED UNLESS UNFORESEEN CIRCUMSTANCES ARISE.

11. DISCOVERY/UNFORESEEN CONDITION: If during the course of the work, the Contractor encounters unforeseen conditions which impact the scheduled work and which could not be initially evaluated, the Contractor shall IMMEDIATELY notify department representative and ***shall not*** proceed without written authorization from the County designee.
12. TEMPORARY GENERATOR: A temporary generator for emergency power needed to maintain or control a variety of situations during repairs shall not be installed and/or charged to Brevard County without authorized approval consent of Building & Operations Manager or Fleet Services Manager.
13. **Invoices must be submitted within ten (10) business days following completion of work as to comply with the fiscal responsibilities of Brevard County.** Invoices shall be broken down by date of service call, description of service, hours worked (indicate start and end time), parts number(s), and any discounts offered. Invoice must also include the name of the County staff person who verified the hours worked onsite by the contractor.
14. The contractor shall not charge Brevard County any warranty handling fees.
15. OPTIONAL SERVICES
 - A. PREVENTATIVE MAINTENANCE

The electrical power production PM service shall include but is not limited to all items shown in "Generator Listing - Exhibit A" and "Transfer Switch List - Exhibit B". The annual electrical power production PM is a FLAT RATE per unit and shall, at a minimum, specifically include the following required checks and services:

- Auto Transfer Switch – lubricate as needed.
- Auto Transfer Switch – visual and infrared inspection of all mechanical contacts in transfer switches, following National Fire Protection Association® (NFPA®) specifications 70E, noting any arcing of any kind.
- Auto Transfer Switch (ATS) – general condition and operation check (ATS requirements apply only to generators with ATS).
- Auto Transfer Switch Exerciser – set time on/off.
- Auto Transfer Switch Time delays – check and set as needed.
- Building load (for fixed generators), indicate building load or load blank.
- Building load amps for L1 and L2.
- Carburetor/governor – adjust as necessary for proper operation of the electrical power production system and notify the County if any mechanical repairs are necessary.
- Electrical connections, covers and shields – check and repair as needed.
- Frequency output in Hz.
- Gauges – check and calibrate.

- Grounding bond strap – check to ensure connection is tight and free from corrosion.
- Main bearing – grease.
- Safety warning signs (ex: WARNING HIGH VOLTAGE) check and replace any signs that are faded or illegible.
- Thermal scan ATS breaker main line primary side (perform all thermal scans after generator has run under load for at least fifteen (15) minutes).
- Thermal scan ATS breaker main line secondary side.
- Thermal scan ATS emergency side while ATS is in emergency position.
- Thermal scan ATS load side.
- Thermal scan ATS utility side while ATS is in normal position.
- Voltage, AC, for L1, L2 and L1+L2.
- Voltage, DC.

B. LOADBANK TESTING: Resistive (Optional Service)

Loadbank resistive test will be conducted on an as-needed basis and be at the discretion of the County representative. Loadbank testing shall include:

Loadbank (resistive) test for each generator under variable full-rated load for at least four (4) hours

A record of all operating systems of the alternator and the engine during the loadbank test at fifteen (15) minute intervals
Loadbank Report: When a loadbank test has been ordered by the County, a loadbank report of all testing performed shall be submitted no later than fifteen (15) working days after the loadbank test is completed. The report shall include technician name, date of service, generator unit number, and itemized test readings at fifteen (15) minute intervals. Also included shall be recommendation of additional work or repairs for each unit serviced. The reports shall be submitted to the County's designated contact person.

- Please provide certificate of insurance.
- Please provide performance and payment bonds as required.
- OTHER:

AGREEMENT

THIS AGREEMENT, entered into this 19th day of July, 2016, by and between the Board of County Commissioners of Brevard County, Florida, a political subdivision of the State of Florida, hereinafter referred to as "County" and Florida Striping, Inc., a business having its primary business location at 2991 Indiana Street, Melbourne, FL 32904, hereinafter referred to as the "Contractor".

W I T N E S S E T H:

That in consideration of the mutual covenants contained herein, it is hereby agreed between the parties as follows:

I. GENERAL TERMS AND CONDITIONS

1. DEFINITIONS

The words and expressions (or pronouns used in their stead) defined in this Agreement shall, wherever they appear in the Contract Documents, be construed as follows unless a different meaning is clear from the context.

Addenda: shall mean any additional solicitation provisions issued in writing by the County prior to the date and time for bid openings

Bid Proposal: shall mean the offer of proposal of the Bidder submitted on the prescribed form setting forth the prices for the Work to be performed.

Bidder: shall mean any person, firm or corporation submitting a Bid for the Work.

Board of County Commissioners: shall mean the Board of County Commissioners, Brevard County, Florida, or their duly authorized representative(s).

Change Order: shall mean a written order to the Contractor, signed by the County, authorizing an addition, deletion, or revision in the Work, or an adjustment in the Contract and/or Task Order, or the Contract Performance Period or Completion Time issued after execution of the Contract or issuance of a Task Order.

Completion Time: shall mean the number of days specified on a Task Order for completion of the Work on that Task Order.

Contract: shall mean the written agreement between the County and the Contractor regulating the Work to be performed. The Contract will be attached to and made a part of the Contract Documents.

Contractor: shall mean successful Bidder, whether a corporation, firm, individual or any combination thereof, and their successors, personal representatives, executors, administrators and assigns.

Contract Performance Period: shall mean the overall performance period of this Contract.

County: shall mean the Board of County Commissioners, Brevard County, Florida, or their duly authorized

representative(s), for whom the Contract Work is being performed.

Day: shall mean one calendar day when used in the Contract Documents.

Defective Work: shall mean (a) Work that is unsatisfactory, deficient or damaged, does not conform to the Contract Documents, or does not meet the requirements of any inspection test or approval, or (b) Work associated with punch list items that the Contractor fails to complete within a reasonable time after issuance of the punch list by the Project Manager.

Final Acceptance: shall mean acceptance of the Work specified on an individual Task Order by the County upon the expiration of the warranty period as stated in the Contract Documents.

Notice: shall mean written Notice delivered to an authorized representative identified herein in person or by mail.

Notice of Intent to Award: shall mean the notice given by the County to the successful Bidder

Project: A specific description of Work to be performed at a Site under the scope of this Contract.

Project Manager: Shall mean the Public Works Department Traffic Operations Manager or their designee. The Project Manager will receive correspondence at 580 Manor Drive, Merritt Island, Florida 32952, Phone 321-455-1440.

Site: shall mean the area upon or in which the Contractor's operations are carried on and such other areas adjacent thereto as may be designated as such by the Project Manager.

Specifications: shall mean the parts of the Contract Documents identified as "Specifications" and organized into Divisions. The specifications include general requirements and technical descriptions of materials, equipment, construction systems, standards and workmanship. The term "Technical Provisions" where used in the Contract Documents refers to the Specifications.

Subcontractor: shall mean any person, firm, or corporation other than employees of the Contractor that contract with the Contractor to furnish, or actually furnishes labor, materials and/or equipment for the work.

Task Order: shall mean any order issued against the basic Contract for construction work in accordance with its terms and conditions.

Work: shall mean any and all obligations, duties and responsibilities necessary to the successful completion of the construction assigned to or undertaken by the Contractor under the Contract documents, including the furnishing of all labor materials, equipment, and other incidentals.

2. SCOPE OF WORK

This Work consists of the installation of painted pavement markings and reflective pavement markers on new, newly

resurfaced, and existing roads in Brevard County. This work will also include the removal of pavement markings.

3. DISASTERS

After a disaster the COUNTY may require the Contractor to restore existing paint markings to an operational condition. Restoration work shall be conducted in accordance with the Local Agency Contracting Requirements for the FHWA Emergency Relief Program. Work performed under the FHWA Emergency Relief Program will be compensated in accordance with Attachment B: Schedule of Emergency Relief Program Pricing.

4. TERM OF AGREEMENT

This agreement shall be for a term of three (3) years, renewable annually on or before the anniversary date of the execution of the contract.

5. REPRESENTATION OF CONTRACTOR

The Contractor must present sufficient evidence that it is a Florida Department of Transportation pre-qualified contractor in the field of Pavement Markings. The Contractor must maintain the pre-qualifications throughout the term of the contract.

6. UNAUTHORIZED ALIEN WORKERS

Brevard County will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) (Section 274A(e) of the Immigration and Nationality Act "INA"). The

County shall consider the employment by the contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral termination of this Agreement by the County.

7. PUBLIC ENTITY CRIMES

The Contractor must provide a fully executed Public Entity Crimes Affidavit in accordance with F.S. 287.133(3)(a) within ten (10) days of the date of this Agreement and prior to commencing any work under this Agreement.

8. BOND

The Contractor shall furnish a surety (performance) bond in the amount of fifty thousand dollars (\$50,000.00), which bond shall guarantee the faithful performance of any and all duties and materials or labor under this agreement.

9. INDEMNIFICATION

The Contractor agrees to indemnify and hold harmless the County and their employees from all claims, losses and expenses, including attorney's fees, arising out of or resulting from the performance of the products or services to be contracted, provided such claim, damage, loss or expense:

- a. Is attributable to bodily injury, sickness, disease, death or personal injury, or to property damage, including loss of use resulting there from, and;

- b. Is caused in whole or in part by any negligent act or omission of the Contractor, any subcontractor or any of their employees, or arises from a work-related injury to any of the Contractor's employees, any subcontractor, or any of their employees.

The Contractor acknowledges receipt of adequate consideration for this agreement.

10. INSURANCE REQUIREMENTS

The Contractor providing services under this Agreement will be required to procure and maintain, at their own expense and without cost to the County, until final acceptance by the County of all products or services covered by the purchase order or contract, the following types of insurance. The policy limits required are to be considered minimum amounts.

General Liability Insurance policy with a \$1,000,000 combined single limit for each occurrence to include the following coverage: Operations, Products and Completed Operations, Personal Injury, Contractual Liability covering this contract, "X-C-U" hazards, and Errors & Omissions.

Auto Liability Insurance which includes coverage for all owned, non-owned and rented vehicles with a \$1,000,000 combined single limit for each occurrence.

Workers' Compensation and Employers Liability Insurance covering all persons conducting the Contractor's operations on

County premises or on behalf of the County in the full amount required by the State of Florida laws.

The Contractor shall provide certificates of insurance to the County demonstrating that the aforementioned insurance requirements have been met prior to the commencement of work under this contract. The General Liability and Auto Liability certificates of insurance shall indicate that the policies have been endorsed to cover the County as an additional insured and that these policies may not be canceled or modified without thirty (30) days prior written notice to the County.

The insurance coverage enumerated above constitutes the minimum requirements and shall in no way lessen or limit the liability of the Contractor under the terms of the contract. Subcontractor's insurance shall be the responsibility of the Contractor.

11. ATTORNEY'S FEES

In the event of any legal action to enforce the terms of this contract, each party shall bear its own attorney's fees and costs.

12. VENUE

Venue for any legal action brought by any party to this agreement (for the purposes of this clause, this includes any city or municipality who is allowed to utilize the contractor's services under this agreement), to interpret, construe, or

enforce this agreement shall be in a court of competent jurisdiction in and for Brevard County, Florida.

13. INDEPENDENT CONTRACTOR

The Contractor shall perform the conditions of this agreement as an independent contractor and nothing contained herein shall be construed to be inconsistent with this relationship or status. Nothing in this agreement shall be in any way construed to constitute the Contractor, or any of its agents or employees, as an agent, employee or representative of the County.

14. DELEGATION OF WORK

The County reserves the right to ascertain the necessity for Contractor service and shall, at its sole discretion, determine the conditions warranting Contractor response.

15. EVALUATION OF PERFORMANCE

The County will conduct an annual evaluation of the Contractor's performance. The evaluation may be used as a consideration with respect to extension or termination of the contract.

16. DEFICIENCIES

If through any cause, the Contractor shall fail to fulfill its obligations under this agreement, or if the Contractor violates any of the covenants, agreements, or stipulations of this agreement:

- a. The county shall have the right to direct the contractor to cease operation until deficiencies are corrected;
- b. The County shall have the right to schedule a meeting to discuss the deficiencies. The Contractor shall be responsible for providing a written corrective action plan within two (2) working days after the meeting.
- c. The County shall have the right to reject the defective Work. Upon rejection of defective Work the Contractor shall remove the defective Work from the site and replace it with non-defective Work within a reasonable time, or as specified in a corrective action plan.
- d. The County shall have the right to specify other remedial action, which may be incorporated into this agreement by mutual consent of the parties.
- e. Any deficiencies not addressed by the contractor by the time required under this contract will be grounds to deny payment for the location affected.

17. LIQUIDATED DAMAGES

Liquidated damages in the amount of four hundred (400) dollars per Day shall be deducted from the Task Order amount one day after the specified completion date if:

- a. The Project is not completed by the completion date and/or;

b. The Contractor does not correct defects in the Work within five (5) days after notification by the County.

Liquidated damages shall continue to be charged each calendar day thereafter until the project is completed and accepted by the County. The dates specified on the Task Order shall constitute the basis for the assessment of liquidated damages.

If the Contractor believes that any such delay has been caused by a circumstance beyond its reasonable control the Contractor must submit notice of Request for Waiver of the respective delay to the Project Manager. Each such Request for Waiver must be received by the Project Manager within forty-eight (48) hours of the start of the event that is alleged to be the cause of that delay. Unless an extension of time is granted for good cause by the Project Manager, failure to submit such written Request for Waiver within the forty-eight (48) hours of the start of the event that is alleged to be the cause of that delay shall bar the Contractor from claiming any waiver of that delay. The Project Manager shall respond to the Request for Waiver in writing within five (5) working days of receipt of the Request for Waiver. Each decision of the County with regard to granting, denying, or partially granting or denying the Request for Waiver shall be final, but each such Request must be reviewed on its merits by the Project Manager pursuant to the terms and conditions of this Agreement. Although no such

Request will be unreasonably denied, the burden of persuasion rests with the Contractor.

From time to time, usually not less than each thirty (30) days and solely as a courtesy to the Contractor, the County may notify the Contractor of the then total sum of delay damages to be deducted from the contract price.

18. TERMINATION

If through any cause, the Contractor shall fail to fulfill its obligations under this agreement, or if the Contractor violates any of the covenants, agreements, or stipulations of this agreement, the County shall have the right to terminate this agreement by giving written notice to the Contractor of such termination, specifying the effective date thereof, at least ten (10) days before the effective date of such termination.

The County reserves the right to terminate the agreement, without cause, during the thirty (30) days preceding the anniversary date of the contract execution, the effective date being the anniversary day, or other mutually agreed upon date.

In the event of termination, the Contractor shall not be entitled to any damages, liquidated or otherwise caused as a result of such termination.

Any Work completed prior to the date of termination shall, at the option of the County, become the property of the County. The County is only responsible for payment of work completed,

inspected and accepted prior to the effective date of termination, excluding any and all anticipated supplemental costs, administrative expenses and profit for uncompleted Work.

19. ASSIGNABILITY BY CONTRACTOR

This agreement is not assignable by the Contractor without the expressed prior written consent of the County.

20. ASSIGNABILITY BY COUNTY

Any public agency within Brevard County may contract with the County for services to be performed by the Contractor under the terms and conditions of this agreement.

21. NON-EXCLUSIVITY

The parties hereto specifically agree that this is a non-exclusive agreement and that the County may select other contractors to perform construction, rehabilitation and maintenance during the term of this agreement.

22. ENTIRE AGREEMENT

It is agreed that neither party has made any statement, promise or agreement, or taken upon itself any engagement whatsoever, verbally or in writing, in conflict with the terms of this agreement or that in any way modifies, varies, alters, enlarges or invalidates any provisions hereof.

23. SEVERABILITY

In the event a court of competent jurisdiction finds any sentence, provision, paragraph, or section of this agreement null and void, the remaining parts of this agreement shall

continue in full force and effect as though such sentence, provision, paragraph or section has been omitted from this Agreement.

24. WAIVER

In the event the County waives any of the Contractor's obligations or duties in this Agreement, it shall not constitute a waiver of any of the other obligations and duties of the Contractor, nor shall waiver of any such obligation or duty constitute a continuing waiver of that obligation or duty.

25. COMPENSATION

Compensation for the base contract shall be in accordance with Attachment A: Schedule of Unit Prices.

Compensation schedules may be adjusted after the second year of the contract upon mutual consent of the parties. Compensation adjustment shall be based on material cost variation or other relevant economic conditions, sufficiently documented by the requesting party. Either party may request a compensation adjustment. Failure to agree upon compensation adjustments shall constitute mutually agreed upon termination of this agreement. The request for compensation adjustment must be made within the thirty (30) days prior to the anniversary date of this agreement.

26. WARRANTY

The Contractor shall extend to the County the same warranty on all materials and equipment furnished under this agreement,

which the manufacturer extends to the Contractor, or purchasers, whichever is greater.

The Contractor shall guarantee its workmanship under this agreement for a period of one (1) year from the date of acceptance.

27. CONTRACTOR'S RECORDS

The County and its auditors shall be entitled to audit the books and records of the Contractor to the extent that such books and records relate to the performance of this Agreement. The Contractor shall maintain such records and accounts, including property, personnel, financial records, as are deemed necessary by the County and its auditors to insure proper accounting for all funds expended under this Agreement. Said records shall be made available, upon request, for audit purposes to Brevard County and its auditors. Such books and records shall be maintained by the Contractor for a period of five (5) years from the date of final payment under this Agreement unless a shorter period is otherwise authorized in writing.

28. UTILITY COORDINATION

The Contractor is responsible for coordinating with all public and private utility companies, as may be necessary for proper and safe completion of the work.

29. SUBCONTRACTING

It is understood that the Contractor will be solely responsible for the assigned work. Any subcontractors must be previously approved by the Project Manager.

The Contractor will not employ any Subcontractor, other person or organization against whom the County or the Project Manager may have reasonable objections, nor will the Contractor be required to employ any Subcontractor against whom he has reasonable objection. The Contractor will not make any substitution for any Subcontractor who has been accepted by the Project Manager, unless the County and the Project Manager determine that there is good cause for doing so.

Nothing in the Contract documents shall create, nor shall it be interpreted to create, privity or any other contractual relationship whatsoever between any Subcontractor and the County, or any person or business entity except the Contractor, or any obligation on the part of the County to pay or to see to the payment of any monies due any Subcontractor, except as may otherwise be required by law. The County may furnish to any Subcontractor, to the extent practicable, evidence of amounts paid to the Contractor on account of specific Work done.

The Contractor agrees to specifically bind every Subcontractor to the applicable terms and conditions of the Contract documents for the benefit of the County.

II. INSTALLATION, MAINTENANCE, AND REMOVAL

1. RESOURCE REQUIREMENTS

The Contractor shall furnish all supervision, quality control, labor, materials, equipment, supervision, tools, transportation, supplies, manpower, and pay disposal fees necessary to complete the Work specified in this contract. Unit prices shall be inclusive of all incidentals, labor, materials, maintenance of traffic, mobilization, etc. No additional compensation will be provided to the contractor.

2. MULTIPLE CONCURRENT PROJECTS

The Contractor shall have adequate resources to handle two (2) or more Projects at the same time. Bidders shall define and submit a Management Plan and Resource List containing the minimum components (including personnel and equipment) to describe in detail their capability to handle multiple concurrent Projects. The multiple concurrent project capability is considered a minimum requirement in the consideration of award of a contract for this solicitation.

3. SAFETY AND PROTECTION

The Contractor shall follow all applicable safety standards. The Contractor will take all necessary precautions for the safety and protection of:

- a. All employees and other persons who may be affected by the Work;

- b. All the Work and all materials or equipment on or off the site; and
- c. Private property at the site or adjacent thereto including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not within the scope of the Project.

4. EQUIPMENT AND RESOURCES

All equipment used in the performance of the contract on County Property shall be maintained properly. All equipment used by the Contractor is subject to inspection by the Project Manager. Any equipment deemed inoperable, unsafe, or improper for the Work shall be removed from the work site.

The Contractor shall utilize equipment of a type and in sufficient quantity to perform the work in a satisfactory manner and as scheduled in the Task Order. The list of equipment shall comply with minimum requirements for equipment as detailed on the Florida Department of Transportation Standard Specifications for Road and Bridge Construction, latest edition.

5. PROJECT MANAGER

The Contractor will coordinate with the Project Manager who will verify that the work has been completed in accordance with specifications, as scheduled, and handle problems that may arise.

The Project Manager may issue verbal orders to address emergencies or to ensure the continuity of critical elements of contract performance.

The County's Project Manager shall be advised, at their request, as to the status and details of work being completed by the Contractor in the format they require.

The Contractor will provide the Project Manager a list of all foremen and supervisors who will perform the work. This list will also contain twenty-four (24) hour emergency numbers.

6. CONTRACTORS REPRESENTATIVE

The Contractor will designate a competent Contractor's Representative who will not be replaced without written notice to the County's Project Manager at least twenty-four (24) hours before the change. The Contractor's Representative will be present at work locations and will have the authority to act on behalf of the Contractor. Project communications (both verbal and written) given to the Contractor's Representative will be as binding as if given to the Contractor.

7. COORDINATION CONFERENCE

A coordination conference will be held to discuss schedules, procedures, invoicing, maintenance of traffic, utility coordination, and any other aspects of the Work. The conference will be scheduled within 20 days after the effective date of the Contract, but before Contractor begins Work at any site. The conference shall be attended by the Contractor,

Project Manager, and other personnel as required. Either party may request and be granted additional coordination conferences.

8. TASK ORDERS

All Work will be ordered by the Project Manager in the form of a written Task Order. No work will begin until a Task Order has been issued to the Contractor.

The Contractor shall visit the site, if needed, and submit a written quotation to the Project Manager within seven (7) Days. The quotation shall be based solely upon the unit prices contained in the Bid Item Schedule. The quotation shall also include the proposed schedule for completion of the project in Days.

A Task Order will be issued for each Project. The Task Order will contain a start date and completion date that will be mutually agreed to between the County and the Contractor.

The Contractor will submit a work schedule prior to beginning any work ordered. The work schedule will contain the route to be followed and the location of work each day. The Contractor will consult with the County's Project Manager prior to any schedule variance. The County's Project Manager shall be notified one day prior to the schedule change and must concur with the recommended changes. The Contractor shall start working on assigned projects within two (2) days of notification.

9. CLEAN UP

The Contractor will keep the site free from accumulations of waste material, rubbish and other debris during performance of the Work. At the completion of the Work the Contractor will remove all waste materials, rubbish, and debris from and about the premises as well as all tools, construction equipment, machinery, and surplus materials, and will leave the site clean and ready for occupancy by the County. The Contractor shall restore those portions of the site not designated for alteration by the Task Order to their original condition.

10. FINAL INSPECTION

Upon written notice from the Contractor that the project is complete, the County's Project Manager shall schedule and conduct a final inspection with the Contractor and will notify the Contractor in writing of any deficiencies in the project. The Contractor shall correct all deficiencies and request an inspection within five (5) work days or as agreed to by the Project Manager and before final acceptance and payment is made.

If a third inspection is required, the County will assess a one hundred (\$100.00) dollar fee to the Contractor. The one hundred (\$100.00) dollar fee will be assessed for every subsequent re-inspection. The fee is assessed to offset the additional County labor costs and vehicle usage required for inspections and will be deducted from the final invoice for that Task Order.

11. ACCEPTANCE

Acceptance of the Project will be granted when the Contractor completes a Project to the satisfaction of the County. The County shall remit payment upon acceptance in accordance with the Florida Prompt Payment Act, Florida Statute section 218.70, et seq.

12. PERFORMANCE STANDARDS

Any marking products utilized must be listed in the current FDOT "Qualified Product List" if the specific device category exists. All materials and installations shall be in accordance with the latest edition of all applicable technical specifications including, but not limited to, the following:

- a. Florida Department of Transportation:
 - i. Standard Specifications for Road & Bridge Construction
 - ii. Design Standards for Design, Construction, Maintenance, and Utility Operations on the State Highway System
 - iii. Manual on Uniform Minimum Standards for Design, Construction and Maintenance of Streets and Highways
 - iv. Accident Prevention Procedures Manual
- b. Federal Highway Administration:
 - i. Manual on Uniform Traffic Control Devices
- c. Associated General Contractors of America, Inc.

i. Manual of Accident Prevention in Construction

13. CONFLICTING STANDARDS

In the event of conflicting specifications, the resolution shall be at the discretion of the Project Manager. In those cases where the County specifications are more restrictive, the County specifications shall govern, except as may be otherwise determined by the Manager.

14. MODIFICATION OF STANDARDS

The County may, at its discretion, modify and/or exceed performance standards based on engineering judgment or maintenance considerations. In those cases where the County requests a performance level significantly in excess of the specifications, the Contractor shall be entitled to request compensation. Additional compensation must be requested by the Contractor and approved by the Project Manager in writing, prior to commencing the work.

15. MAINTENANCE OF TRAFFIC

The Contractor is responsible for maintaining safe traffic flow in accordance with all applicable standards. The County shall reserve the right to specify the Work be conducted at night in order to maintain adequate traffic flow. All costs associated with M.O.T. must be included with the Unit Price.

Due to congested traffic or weather conditions, the Contractor may be required to remove his/her operation from the right-of-way at the discretion of the County's Project Manager.

If the Contractor is required to remove his/her operation due to congested traffic or weather conditions, less than five (5) hours worked will constitute one-half (1/2) of a work day and five (5) or more hours worked will constitute one (1) work day.

Road closures will not be allowed except in the case of emergencies and only when approved by the Project Manager.

TECHNICAL PROVISIONS

16. PAVEMENT MARKINGS

- a. Painted pavement markings, material, equipment, and method of application will be in accordance with Sections 710 and 971 of the F.D.O.T. Standard Specifications for Road and Bridge Construction.
- b. Pavement markings will be laid out in accordance with Index 17344, 17345 and 17346 of the F.D.O.T. Design Standards.
- c. Six (6), eight (8), twelve (12), eighteen (18), and twenty-four (24) inch yellow or white traffic stripes will be measured and paid for by the actual linear foot of paint installed. Unpainted/un-striped gaps will not be measured or paid for.

17. REFLECTORIZATION

Apply glass spheres on all pavement markings immediately and uniformly following the paint application. The rate of application shall be in accordance with Section 710 of the

F.D.O.T. Standard Specifications for Road and Bridge Construction.

18. REFLECTIVE PAVEMENT MARKERS

Reflective pavement markers will be installed in accordance with Index 17352 of the F.D.O.T. Design Standards.

19. PAVEMENT MARKINGS ON NEWLY SURFACED ROADS

The Contractor shall provide reflectorized paint pavement markings for newly surfaced roads prior to the roads being opened to traffic. The painted pavement markings shall be identical in layout to the final thermoplastic pavement markings.

20. REMOVAL OF EXISTING THERMOPLASTIC PAVEMENT MARKINGS

Existing thermoplastic pavement markings will be removed in accordance with Section 711 of F.D.O.T. Standard Specifications for Road and Bridge Construction.

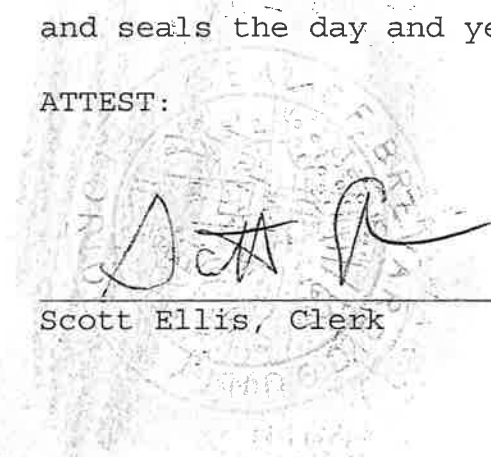

21. REMOVAL OF EXISTING PAINT PAVEMENT MARKINGS

Existing paint pavement markings will be removed in accordance with Section 710 of F.D.O.T. Standard Specifications for Road and Bridge Construction.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first above written.

MEMORANDUM

TO: Teresa Camarata, Central Services Director Attn: Leslie Rothering

RE: Item VI.C.1, Permission to Issue Supply Bids, Proposals, and Request for Qualifications (FY 2015/2016) and/or Negotiate Competitive Agreements

The Board of County Commissioners, in regular session on August 18, 2015, granted approval to solicit competitive bids, quotes and/or negotiate competitive agreements and award to lowest, responsive and most qualified supplier; to solicit competitive proposals and requests for qualifications, establish selection/negotiation committees approved by the County Manager, or designee, and award contracts and/or open purchase orders with the best-ranked proposer; to exercise renewal options upon evaluation of supplier performance, and recommendation from user departments/offices; and authorized the Chairman to execute contracts and contract renewals over \$100,000 annual value.

Your continued cooperation is always appreciated.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
SCOTT ELLIS, CLERK

Inter-Office Memo

BOARD OF COUNTY COMMISSIONERS

TO: Jim Barfield, Chairman
THRU: Stockton Whitten, County Manager
FROM: Leslie Rothering, Purchasing Manager
FROM: John P. Denninghoff, Director Public Works Department
RE: Term Contract B-4-16-72 Road Striping, Paint and Reflective Pavement Marking
DATE: July 8, 2016

*Jeanele @

pick-up by
Dan Jones
or
Nancy*

On August 18, 2015, the Board of County Commissioners granted Purchasing Services permission to issue Annual Supply Bids, Proposals, and Request for Qualifications (FY 2015-2016) and/or Negotiate Competitive Agreements. As noted on the Memorandum dated August 19, 2015, this Board action also authorized the Chairman to execute contracts.

Purchasing Services on behalf of Public Works Traffic Operations, issued the Notice of Award for Bid No. B-4-16-72 Road Striping, Paint and Reflective Pavement Marking to Florida Striping, Inc. as the primary contractor, effective July 19, 2016 to July 18, 2017 with two (2) additional one (1) year renewals.

In accordance with the Memorandum and Notice of Award, you will please find enclosed two (2) originals of the Agreement with Florida Striping, Inc. for your execution. Upon final execution by Brevard County, Public Works Department will return one fully-executed original to the primary contractor.

Please feel free to contact our office if you have any questions or concerns. Thank you for your consideration.
