### Subject:

Adopt Resolution and Release Performance Bond: Sendero Cove and Sierra Cove at Addison Village, Phases 4 & 5 - District 4

Developer: The Viera Company

### Fiscal Impact:

None

### Dept/Office:

Public Works/Engineering

### Requested Action:

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chair to sign the Resolution releasing the Contract and Surety Performance Bond dated August 24, 2021 for the above referenced project.

### Summary Explanation and Background:

The Sendero Cove and Sierra Cove at Addison Village, Phases 4 & 5 subdivision is located within the Viera Development of Regional Impact (DRI), on the south side of Casare Drive north of Pineda Boulevard and west of Paragrass Avenue. The proposed subdivision contains 115 units on 51.94 acres.

The Sendero Cove and Sierra Cove at Addison Village, Phases 4 & 5 subdivision received preliminary plat and final engineering plans on October 1, 2018, and final plat and contract approval on August 24, 2021. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of August 15 and 25, 2022 (respectively), the Sendero Cove and Sierra Cove at Addison Village, Phases 4 & 5 subdivision plat infrastructure improvements have been completed and we are in receipt of a two-year

maintenance bond.
