Subject: RE: Nov 16 meeting

I thought that was weird because none were listed on the Agenda, but we do have September 14 and November 4, so we'll just make them be approved on today and not on December 2, right? IDK LOL

Commissioner Pritchett had two sets of minutes approved today at the meeting. I don't know why because I didn't put any minutes on the meeting agenda.

Do you know what the dates were that were approved?
