Dear Congressman Posey,

The Brevard County Board of County Commissioners would like to thank you for engaging the U.S. Army Corps of Engineers, the U.S. Environment Protection Agency and the U. S. Department of Defense regarding concerns related to the area near Patrick Air Force Base in South Patrick Shores that was used in the 1940's and 1950's as an offsite military dump.

The area is now being inspected by the Corps of Engineers which will make a preliminary assessment, conduct site inspection and determine the scope of whatever actions need to occur. We are confident your efforts played a substantial role in moving this important initiative forward and we are grateful for the leadership you and our Congressional Delegation have provided in addressing community concerns.

Sincerely,

Kristine Isnardi, Chair
