Requested Action:

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and contract for Cove at Morrow Place.

Summary Explanation and Background:

Cove at Morrow Place is a replat of Morrow Place at Walkabout to revise lot lines and accommodate a different townhouse floor plan without a change in the number of lots. The preliminary plat and final engineering plans were approved on February 9, 2022. The second stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Staff has reviewed the final plat for Cove at Morrow Place, and has determined that it complies with the applicable ordinances.

Cove at Morrow Place is re-platting 34 townhouse units on 5.51 acres. It is located within the Indian River Preserve PUD, on the north side of Clubhouse Drive approximately 1/2 mile west of the traffic circle at Indian River Parkway.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.
