BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, Alpha-1 Antitrypsin Deficiency (Alpha-1) is one of the most common and serious hereditary disorders in the world, and can result in life-threatening lung disease in adults and liver disease in both children and adults; and

WHEREAS, Alpha-1 has been identified in nearly all populations and ethnic groups, it is estimated that about one in every 2,500 Americans have Alpha-1, and up to six percent of Caucasians in the U.S. carry a single deficient gene and may pass the gene onto their children; and

WHEREAS, Alpha-1 is widely under diagnosed and misdiagnosed, and fewer than 10 percent of those predicted to have Alpha-1 have been diagnosed, and it often takes an average of five doctors and seven years from the time symptoms appear before proper diagnosis is made, which can be done using a simple blood test; and

WHEREAS, it is important to increase awareness and detection of this serious hereditary and misdiagnosed disorder; and

WHEREAS, during the month of November, a nationwide awareness campaign will take place throughout the country to educate the public, as well as the medical community on Alpha-1 detection and treatment for those affected by this condition.

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY, FLORIDA, does hereby proclaim the month of November 2019 as

ALPHA-1 AWARENESS MONTH

to bring awareness, education, and support to those who are affected by Alpha-1 in Brevard County and throughout the world.

DONE, ORDERED AND ADOPTED, in regular session, this 19th day of November 2019.
