*Resolution*

*WHEREAS, Children's Home Society of Florida first opened its doors on November 17, 1902, as an orphanage to provide a safe home to the growing population of abandoned and homeless children in Jacksonville, thus solving an intense societal challenge; and*

*WHEREAS, Children's Home Society of Florida has grown from a team of two caring for 24 children in year one, to a team of nearly 2,000 empowering more than 50,000 children and family members every year; and*

*WHEREAS, Children's Home Society of Florida has been the leader in enacting change for children, from driving policy establishing child labor laws and compulsory education laws to fiercely advocating for children's rights in foster care and developing innovative solutions, such as community partnership schools to turn odds into opportunities for kids; and*

*WHEREAS, Children's Home Society of Florida is the first to evolve to deliver solutions and services that address society's changing and growing needs; and*

*WHEREAS, Children's Home Society of Florida challenges tradition to form strategic partnerships with universities, non-profits, for-profit entities, health care organizations, and others to deliver the right solutions at the right time to children and families; and*
