**Resolution and Release of Performance Bond, Re: Adelaide Subdivision,
Phase 5 - The Viera Company (District 4)**

SUBJECT:

Adopt Resolution and Release Performance Bond: Adelaide Subdivision, Phase 5

FISCAL IMPACT:

None - FY 18/19

DEPT/OFFICE:

Public Works

REQUESTED ACTION:

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chair to sign the Resolution releasing the Contract and Surety Performance Bond dated April 10, 2018 for the above referenced project.

SUMMARY EXPLANATION and BACKGROUND:

Adelaide Subdivision, Phase 5 is located within the Viera DRI, on the west side of Stadium Parkway approximately ½ a mile south of the Fiske Boulevard interchange at Interstate 95 containing 17 single family units on approximately 47.4 acres.

The Adelaide Subdivision, Phase 5 received preliminary plat and final engineering plans on July 21, 2015, and final plat and contract approval on April 10, 2018. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation." Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of June 26, 2019, the Adelaide Subdivision, Phase 5 infrastructure improvements have been completed.
