AGENDA REPORT
 BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

SUBJECT:	Approval Re: "National Public Works Week" in Brevard County – District 1
DEPT/OFFICE:	Commission District 1 Office

Requested Action:

It is requested that the Board of County Commissioners approve and authorize the Chairman to execute the attached Resolution proclaiming May 15th to May 21st, 2016 as "National Public Works Week" in Brevard County.

Summary Explanation & Background:

The American Public Works Association (APWA) actively promotes the various public works functions (road and bridge maintenance, stormwater and utility services, solid waste management, public buildings, and transportation planning and engineering) provided by governmental bodies.

Each year APWA works with agencies at the national, state, and local level to promote these services through the establishment of "NATIONAL PUBLIC WORKS WEEK". This year the week of national recognition is scheduled for May 15th through May 21st, 2016.

The 2016 National Public Works Week theme, "Public Works Always There," recognizes the essential nature of Public Works services in support of everyday quality of life.

FY 2015-2016: Approval and execution of the attached Resolution will have no fiscal impact on the County. It will, however, be in keeping with the Board's desire to establish and foster cooperative relationships with those organizations that promote the effective management of publicly owned infrastructures.

Clerk to the Board instruction: Commissioner Robin Fisher to read and present the Resolution.
