Developer: The Viera Company District 4

Fiscal Impact:

None

Dept/Office:

Planning and Development

Requested Action:

In accordance with Section 62-2841(i) and Section 62-2844, it is requested that the Board of County Commissioners grant final plat approval and authorize the Chair to sign the final plat and infrastructure contract for Crossmolina Phase 2.

Summary Explanation and Background:

There are three stages of review for subdivision plan approval: the pre-application conference, the preliminary plat/final engineering plan review, and the final plat review. The pre-application conference for Crossmolina Phase 2 was held on October 27, 2022. The preliminary plat and final engineering plans, which is the second stage of approval, were approved on February 28, 2024. The third stage of review is the final plat approval for recordation. The applicant is posting a performance bond and contract for guarantee of the completion of the infrastructure improvements.

Crossmolina Phase 2 is located east of Pineda Boulevard and south of the intersection of Stadium Parkway in a DRI District designated by Brevard County's Future Land Use Map. Potable water for the subdivision will be provided by the City of Cocoa. Sewer service will be provided by Brevard County. The proposed subdivision contains 104 single family attached residential lots on 30.6 acres. Staff has reviewed the final plat and contract for Crossmolina Phase 2 and has determined that it complies with the applicable ordinances.

This approval is subject to minor engineering changes as applicable. Board approval of this project does not relieve the developer from obtaining all other necessary jurisdictional permits.

Said records shall be made available upon request for audit purposes to Brevard County and its auditors.
5.
