BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, PUBLIC WORKS professionals focus on infrastructure, facilities, and services that are of vital importance to sustainable and resilient communities and public health, high quality of life, and well-being of the people of Brevard County; and

WHEREAS, these functions could not be provided without the dedicated efforts of PUBLIC WORKS professionals responsible for rebuilding, improving, operating, maintaining, and protecting our nation's transportation, drainage, water supply, water treatment, water quality and solid waste systems, public buildings, and other structures and facilities essential for our citizens; and

WHEREAS, the year 2024 marks the 64th annual NATIONAL PUBLIC WORKS WEEK, sponsored by the American Public Works Association; and

WHEREAS, the Brevard County PUBLIC WORKS Department's mission is to plan and implement projects and services that create and maintain a comprehensive transportation and facilities infrastructure. The department maintains 1,142 miles of paved roads, 82 miles of dirt roads, 717 miles of sidewalk, 908 miles of curb and gutter, 947 miles of drainage ditches and swales, 19,000+ drainage pipes, 50 bridges, 65,000+ signs, 354 traffic signals, 667 street lights, 190 traffic warning beacons and school zone flashers, 4.4 million square feet of County buildings, and has more than 750 projects in progress; and

WHEREAS, the Brevard County Solid Waste Management Department mission is to protect public health by providing an efficient and environmentally sound Solid Waste Management System. The department handles 4,000 tons of solid waste per day, disposing 1.2 million tons of waste per year in addition to diverting over 1 million tons per year for recycling; and

WHEREAS, the mission of the Brevard County Natural Resources Management Department is to foster sustainable use and stewardship of the County's natural resources through cost-effective, science-based, and consensus-driven management actions. The department sweeps 6,000+ lane-miles of curbed streets, maintains 485 stormwater treatment facilities, removes millions of pounds of nutrient-rich aquatic vegetation from stormwater ponds, performs 350+ illicit discharge inspections, and 500+ inspections of petroleum/hazardous materials facilities; and

WHEREAS, the Brevard County Utility Services Department continues to invest and renew assets for the benefit of public safety and the environment for generations to come. The department assures that all Federal and State environmental laws pertaining to water, sewer, and reuse are met. Staff assists all of our water, sewer, and reuse customers by mobilizing on-site and providing administrative assistance; and

WHEREAS, we recognize and celebrate the important contributions that PUBLIC WORKS professionals make in "Advancing Quality of Life for All". We encourage community members to join in activities and ceremonies that are designed to pay tribute to **PUBLIC WORKS** professionals.

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY, FLORIDA, does hereby designate the week of May 19-25, 2024, as

NATIONAL PUBLIC WORKS WEEK

in Brevard County, Florida.

DONE, ORDERED, AND ADOPTED, in regular session, this 21st day of May, 2024.
