BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, among American men, prostate cancer is both the second most commonly diagnosed cancer and the second-leading cause of cancer deaths; and

WHEREAS, although prostate cancer incidence and mortality rates have declined over the past two decades, in 2018 alone, an estimated 164,690 men in the United States will be diagnosed with the illness and almost 29,430 men will die from this disease; and

WHEREAS, during National Prostate Cancer Awareness Month, we remember those lost to prostate cancer, offer our support to patients and their families, and highlight our commitment to better prevention, detection, and treatment methods; and

WHEREAS, the goal of No-Shave November is to raise awareness by embracing our hair, which many cancer patients lose, and letting it grow; instead of using the money on shaving and grooming, men are encouraged to donate it to cancer research and education in order to save lives and aid those fighting the battle; and

WHEREAS, the District 4 Commission Office has indicated a desire to help support the treatment and awareness of Prostate and Testicular Cancer by promoting a program entitled No-Shave November.
