Requested Action:

It is requested that the Board of County Commissioners grant permission to advertise for a Public Hearing to consider adopting an Ordinance repealing the Economic Development Ad Valorem Tax Exemption for BK Technologies, Inc.

Summary Explanation and Background:

On May 7, 2019, the Board of County Commissioners granted BK Technologies, Inc., an ad valorem tax exemption for a period of eight (8) years and eighty percent (80%) on real and tangible property added to the County's assessment roll. In order to remain eligible for the County's Ad Valorem Tax Exemption Program, BK Technologies, Inc., would need to maintain their eligibility as set forth in Ordinance 2019-010.

On January 8, 2024, a certified letter was provided to BK Technologies, Inc. requesting the submission of their 2023 Annual Report no later than March 1, 2024. BK Technologies, Inc. failed to provide their annual report as required in Section 1(e) of Brevard County Ordinance 2019-010. On March 18, 2024, a certified letter was sent to BK Technologies, Inc. notifying them that the Board of County Commissioners would consider rescinding their Economic Development Ad Valorem Tax Exemption based upon their failure to provide evidence of continued compliance with Ordinance 2019-010 and Florida Statute 196.012(15).

Approval of this Agenda Item would provide for legislative intent to hold a public hearing to consider repealing the Economic Development Ad Valorem Tax Exemption granted to BK Technologies, Inc., under Brevard County Ordinance 2019-010.

- (e) The Company shall submit to the County Manager at the beginning of each year an annual report providing evidence of continued compliance with the definition of an expansion of an existing business for each of the eight (8) years during which the Company is eligible to receive ad valorem tax exemption. If the annual report is not received, if the annual report indicates the Company no longer meets the criteria of Section 196.012(15), Florida Statutes, or if the company fails to fulfill any representation made to the board in its application or the application process, the County Manager shall make a report to the Board of County Commissioners for consideration of revocation of this Ordinance granting the tax exemption.
- (f) If the County Manager or designee receives written notice that the company qualifying for an ad valorem tax abatement under the authority of this ordinance has decided not to undertake or complete the new business or expansion of an existing business, including improvements to real property or acquisition of taxable tangible personal property, or has not timely provided the number of jobs qualifying the new business or expansion of an existing business for the ad valorem tax exemption granted under this section, the exemption granted shall be void, shall not take effect and shall not be implemented. If such a notice is received, the foregoing provision shall be self-executing and no further action of the Board of County Commissioners will be required to void the granted exemption. RE: Ad Valorem Tax Abatement Annual Report for Year 2023 for BK Technologies, Inc. located at 7100 Technology Dr, W. Melbourne, FL 32904, Brevard County Ordinance 2019-10.

Dear Mr. Kelly,

Brevard County's Economic Development Ad Valorem Tax Abatement Program requires participating companies to submit an Annual Report to the County. The Annual Report qualifies the company to receive an ad valorem tax abatement and provides the necessary information to determine the company's continued performance under Division 3 of Brevard County Code of Ordinances, the ordinance granting the exemption and the representations made in the application process. Section 102-189, Brevard County Code of Ordinances, provides:

Should any new business or expansion of an existing business fail to file the annual report or any report required by section 102-185(g), Brevard County Code of Ordinances, or fail to continue to meet the definition of a new business or an expansion of an existing business, and/or fail to fulfill any other representation made to the Board of County Commissioners (Board) during the application process, the Board may adopt an ordinance revoking the ad valorem tax exemption. An ordinance revoking the ad valorem tax exemption may provide that the Board recover any taxes waived during the exemption period. Nothing herein shall prohibit a business from reapplying for an ad valorem tax exemption pursuant to State of Florida law.

Enclosed is a 2023 Annual Report DR-418 form and the 2023 Internal Revenue Service 941 form for employee and wage verification. Please submit your company's 2023 Annual Report with the employment and wage verification documentation for the company granted the Ad Valorem Tax Abatement, BK Technologies, Inc.

Phone: (321) 633-2001 • Fax: (321) 633-2115
Website: BrevardFL.gov

The employment and wage verification information must identify the number of full-time, permanent workers employed at the location which your company receives an ad valorem tax abatement for the last quarter of calendar year 2023. If your company received ad valorem tax abatement and is still in the construction and/or expansion phase of your plans, please complete the annual report and indicate this on the form. If your company has not started the business or expanded an existing business, an annual report still must be provided.

Please submit the 2023 Annual Report DR-418 form and the 2023 IRS 941 form prior to March 1, 2024 to the following address: Karen Conde, Assistant to the County Manager, County Manager's Office, 2725 Judge Fran Jamieson Way, Building C, Room 301, Viera, Florida 32940.

Re: Brevard County's Ad Valorem Tax Exemption Program Ordinance No. 2019-10

Dear Mr. Kelly,

The Board of County Commissioners on May 7, 2019, granted BK Technologies, Inc. an ad valorem tax exemption for a period of eight (8) years and eighty percent (80%) on real and tangible property added to the County's assessment roll at 7100 Technology Dr, W. Melbourne, FL 32904. As part of the requirements to continue to participate in the County's Ad Valorem Tax Exemption Program, a Company is required to complete an "Economic Development Ad Valorem Property Tax Exemption" (Annual Report) with the County by March 1st of each year. On January 12, 2024, BK Technologies, Inc. received an Annual Report template from Brevard County along with instructions for the completion of the Annual Report. An Annual Report is necessary in order for the County to determine if your Company continues to meet the definition of an expansion of an existing business and that your Company is fulfilling the representation made in your Company's application.

The County has made an attempt through an email to your Company, to assist you with fulfilling this requirement. However, to date, the County has not received your Company's Annual Report. Therefore, I am considering recommending the Board of County Commissioners revoke the County's Ad Valorem Tax Exemption granted to BK Technologies, Inc. at the Board's meeting on Tuesday, April 23, 2024. If you have compelling reasons for the County to reconsider the revocation, please provide the information by Tuesday, April 9, 2024. I will consider any information you provide prior to making my recommendation. You may address your correspondence to the following address: 2725 Judge Fran Jamieson Way, Building C, Room 301, Viera, Florida 32940 or you may call Karen Conde, Assistant to the County Manager, at 321-633-2001 if you need additional information.
