---

---

**SUBJECT:**

Community Redevelopment Agencies (CRAs)

**DEPT/OFFICE:**

County Commissioner

**REQUESTED ACTION:**

Rescind Resolution 2016-007

**SUMMARY EXPLANATION and BACKGROUND:**

This resolution seeks to rescind BOCC Resolution Number 2016-007 (adopted on or about January 26, 2016). The 2016 Resolution, in pertinent part, precludes the County Manager from placing any item on the County Commission agenda that addresses the funding, defunding or dissolution of CRAs absent direction by majority vote of the County Commission. Rescinding Resolution 2016-007 will eliminate the restriction on the County Manager's authorization to place such items on the agenda.
