Interlocal Agreements

- The Cities will begin negotiations for interlocal agreements that will be mutually beneficial for both parties.
- Each City and CRA is different, with differing opportunities. Therefore, we recommend to allow each City/CRA to negotiate their own agreement with the County.
- Some examples of issues to address can include the following (but may vary from City to City depending on the circumstances):
 - Time frames to amend plans.
 - Meetings between county and city officials to discuss future projects.
 - Revenue reductions in later years of the CRA.
 - Designated staff members to address CRA issues.
 - Partnerships on facility improvements.
- Cities recommend that the County begin compiling a list of issues to be included in the Agreement for each city's consideration.
