BOARD OF COUNTY COMMISSIONERS

Resolution

WHEREAS, Florida's future prosperity depends on nurturing the healthy development of over four million children currently living, growing, and learning within our many diverse communities; and

WHEREAS, research shows that safe and nurturing relationships and stimulating and stable environments improve brain development and child well-being, while neglectful or abusive experiences and unstable or stressful environments increase the odds of poor childhood outcomes; and

WHEREAS, the abuse and neglect of children can cause severe, costly, and lifelong problems affecting all of society, including physical and mental health problems, school failure, and criminal behavior; and

WHEREAS, research also shows that parents and caregivers who have social networks and know how to seek help in times of trouble are more resilient and better able to provide safe environments and nurturing experiences for their children; and

WHEREAS, individuals, businesses, schools, and faith-based and community organizations must make children a top priority and take action to support the physical, social, emotional, and educational development and competency of all children; and

WHEREAS, during the month of April, Prevent Child Abuse Florida in collaboration with the Florida Department of Children and Families, and the Child Abuse Prevention Task Force of Brevard will be engaging communities throughout Florida in a coordinated effort to prevent child abuse and neglect by promoting awareness of healthy child development, positive parenting practices, and the types of concrete support families need within their communities.

NOW THEREFORE, BE IT RESOLVED, THAT THE BOARD OF COMMISSIONERS OF BREVARD COUNTY, FLORIDA, does hereby proclaim April 2016 as

CHILD ABUSE PREVENTION MONTH
