Executive Session: Brevard County, Florida v. B West Townhouses, Ltd, Meadowbrook, LLC, Tradewinds Plaza, LLC, Case No. 05-2013-CA-025677

**HISTORIC BREVARD**

One of the most recent State Historical Markers to be granted to Brevard County was for a site in Titusville now known as Veteran's Memorial Fishing Pier. Originally it was called Walker Bridge, and in 1922 it was the first bridge opened to connect Titusville to North Merritt Island.

This span was so heavily traveled that improvements were soon planned, but they were interrupted by material shortages during World War II. The unsafe conditions contributed to the deaths of six U.S. Army soldiers who went off into the river in their transport truck. Passersby were able to rescue some but not all of them.

**HISTORICAL FACTS PROVIDED BY THE BREVARD COUNTY HISTORICAL COMMISSION**

**In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons needing special accommodations or an interpreter to participate in the proceedings, please notify the County Manager's Office no later than 48 hours prior to the meeting at (321) 633-2010.**

**Assisted listening system receivers are available for the hearing impaired and can be obtained from SCGTV staff at the meeting. We respectfully request that ALL ELECTRONIC ITEMS and CELL PHONE REMAIN OFF while the County Commission is in session. Thank You.**
