Letter of Recommendation:

I first met Sarah Skywind roughly a year ago when she brought in a foster dog that she had just acquired from a very poor situation. "Emmy Lou" was infested with parasites almost to the point that she had an intestinal blockage due to significant amount of intestinal parasites inside her. She was anemic, anorexic, emaciated and a helpless dog that was on death's doorstep. Emmy Lou's road to recovery was not short and sweet; it was long, arduous and a difficult journey that is still ongoing. After countless visits, hospitalizations, injections, treatments and internal medicine specialist visits, Emmy Lou has defied the odds and is doing miraculous now. She has been ridden of intestinal parasites, is gaining weight and now has her protein losing enteropathy disease under control all thanks to Sarah.

This wouldn't have been possible if it wasn't for Sarah's devotion of time, love and passion for homeless animals like Emmy Lou. I was ecstatic when Sarah first told me of her plans for The Brevard Bark House Inc because we need more people like her that have a drive and passion for animal welfare. With Sarah's help we can keep more animals off the streets and give them a second chance at the life they deserve all while bringing gratitude and joy to the Brevard County residents that adopt them.

Respectfully,

Hi my name is Brenda I am the store manager of tractor supply I have partnered for the last couple of years with sara and cara and can't even explain the love and devotion they have for rescues. We have had several different adoption benefits at my store and have had a 95% adoption rate at each one, These ladies match up every dog with the potential adopters and make sure they spend time with them and that they are going to be the right fit and even stay in contact after to make sure everything is going well. I have never met anyone who cares for these animals health and well being as much as them, and that they get them into a good home in which they deserve. I will totally support the ladies and donate all I can to give the animals their best life.

To Whom It May Concern,

I am honored to write this letter of recommendation for Sarah Skywind, who has been an exceptional and devoted foster parent for dogs in need. Her unwavering commitment, patience, and compassion for every dog she welcomes into her home set her apart as an outstanding caregiver in the animal rescue community.

Sarah has fostered numerous dogs, including our baby "Murphy". Each with unique needs, personalities, and challenges. Whether nursing a sick puppy back to health, rehabilitating a fearful rescue, or preparing a well-socialized dog for adoption, she approaches every situation with love and dedication. She goes above and beyond to ensure that every foster dog feels safe, loved, and ready for their forever home. Sarah has always left herself open to further communications, pictures and growth reports of her past fosters.

Her ability to assess a dog's temperament, provide proper training, and match them with the right adoptive family has led to countless successful adoptions. Beyond the basics of fostering, she continuously educates herself on canine behavior, nutrition, and medical care, making her an invaluable asset to any rescue organization.

Above all, Sarah fosters with her whole heart. She provides not only a temporary home but also hope and healing for the dogs in her care. Any rescue or adoption agency would be incredibly fortunate to have her as part of their team. I wholeheartedly recommend her as a responsible, experienced, and loving foster mom.

If you have any questions or would like further details, please feel free to reach out to me.

Sincerely,

Brian & Stephanie Murphy

To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of Sarah Skywind. Although some would consider my time and experience getting to know Sarah fairly recent. There is something to be said as to quality of time spent over quantity of time spent.

Sarah displays great devotion toward caring for dogs in need. I have witnessed her dedication in person, providing aid at moments notice as well as longer term support such as quality behavioral training. It is clear to me that her love of and desire to care for animals less fortunate is abundant.

I first met Sarah at a shelter where she was volunteering her time. I was not there to adopt or foster, but rather to provide support for my sister, hoping to adopt her first dog. The initial experience was... unnerving. Upon Sarah's arrival, she immediately took charge of the room displaying the confidence and knowledge of a professional. Soon thereafter she introduced me to a dog named Lance that I ended up fostering, and ultimately adopting. She continues to provide tremendous support when needed, and when she has not heard from me, she always reaches out.

Sarah has shown me that she is devoted to not just doing what is accepted for the care of shelter or foster dogs, but rather going above and beyond the status quo. Her knowledge and understanding of specific needs when it comes to shelter animals is evident to those who have spent any time with her. I believe Sarah has a deep-rooted passion to help animals in need and is willing to devote all of her time and effort to ensure success. Success not for her, but for the dogs and community she desires to assist.

Should you have any questions, please feel free to reach out for more information.

Sincerely,
