Summary Explanation & Background:	<p>The Gibson Complex was initially constructed in the 1950's by the Brevard County School Board for public school usage. Upon the closure of the school in the late '60's, this facility was leased to Brevard County by the School District and then deeded to the County in 1978. Over the years, through a variety of diverse programming, this site has provided necessary services to the local community. The communities served by the Gibson Complex are within the South Street Neighborhood Strategy Area in the City of Titusville. This area is concentrated by very low to low income households. The location provides services, an array of recreational opportunities including summer activities for youth, formal school age educational services, locations for community functions and day care services. Upon Board approval, The Christian Life Center of Titusville, Inc. will be the fourth tenant at the Gibson Complex and Field to have a lease agreement with the County.</p> <p>The initial term of the lease is three (3) years with option of two (2) one year renewals. The Christian Life Center of Titusville, Inc. is responsible for: custodial and janitorial requirements for their assigned building(s), replacement of interior lighting, providing a quarterly schedule of activities, and ensuring all staff and volunteers comply with background screening requirements.
