WHEREAS, the Borrower and the Issuer have requested the Board approve the issuance of the Bonds for purposes of Section 147(f) of the Code and the Interlocal Act; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY, FLORIDA, AS FOLLOWS:**

SECTION 1. Findings. The Board hereby finds, determines and declares as follows:

A. Pursuant to the Notice published in the *Florida Today*, a newspaper of general circulation in the County, not less than fourteen (14) days prior to the date hereof, a public hearing was held before the Board, as required by Section 147(f) of the Code on the date hereof. The public hearing provided a reasonable opportunity for interested persons to express their views, both orally and in writing, on the proposed issuance of the Bonds, the location and nature of the Facility and its operation by the Borrower. The location of the public hearing, under the applicable facts and circumstances, is convenient for the residents of the County. A proof of publication of such Notice is attached hereto as Exhibit A and minutes of such public hearing will be kept on file with the Clerk of the Circuit Court and Ex-Officio Clerk to the Board (the "Clerk"), and are hereby incorporated herein by reference.

B. The Board is the elected legislative body of the County, and the County has jurisdiction over the entire area in which the Facility is located.

C. The Board has determined, based solely upon representations and information provided by the Borrower, that the issuance of the Bonds to finance the Project: (i) is appropriate to the needs and circumstances of, and will make a significant contribution to the economic growth of the community in which it is located, (ii) will provide or preserve gainful employment, (iii) will promote commerce and economic development within the State of Florida (the "State") and (iv) will serve a public purpose by advancing the general welfare of the State and its people by providing for an educational facility within the meaning of Chapter 159, Part II, Florida Statutes.

D. Based solely upon representations and information provided by the Borrower, the County will continue to be able to cope satisfactorily with the impact of the Facility and will be able to provide, or cause to be provided when needed, the public facilities, including utilities and public services, that will be necessary for the operation, repair, and maintenance of the Facility and on account of any increases in population or other circumstances resulting therefrom.

SECTION 2. Approval for Purposes of Section 147(f) of the Code. For the purposes of Section 147(f) of the Code, the Board hereby approves the issuance of the Bonds by the Issuer in one or more series, in an aggregate principal amount not exceeding \$14,500,000.

SECTION 3. Approval for Purposes of the Interlocal Act.

A. For the purposes of the Interlocal Act, the County authorizes the Issuer to issue the Bonds in a principal amount not exceeding \$14,500,000 and to loan the proceeds thereof to the Borrower to finance or refinance the Project. The Issuer is hereby authorized to exercise all powers relating to the issuance of the Bonds vested in the Board pursuant to the Constitution and the laws of the State and to do all things within the jurisdiction of the County which are necessary or convenient for the issuance of the Bonds and the financing or refinancing of the Project to the same extent as if the County were issuing its own obligations for such purposes without any further authorization from the County to exercise such powers or to take such actions.

B. The County shall not be liable for any costs of issuing the Bonds or the costs incurred by it in connection with the preparation, review, execution or approval of any documentation or opinions required to be delivered in connection therewith by the County or counsel to any of them. All of such costs shall be paid from the proceeds of the Bonds or from other moneys of the Borrower.

C. The Bonds shall not constitute an indebtedness or liability of the County.

SECTION 4. Payment of Fees and Costs by Borrower. The fees and expenses of the County shall be paid by the Borrower in the manner and to the extent mutually agreed upon by the officials of the County and the Borrower at or prior to issuance of the Bonds.

SECTION 5. No Liability or Endorsement. The County shall have no obligation with respect to the Bonds, and the approval given herein by the Board shall not be deemed or construed to create any obligation or liability, pecuniary or otherwise, of the County, in connection with either the Bonds or the Project in any respect whatsoever and the Issuer shall so provide in the documents related to the issuance of the Bonds. The general credit or taxing power of the County and the State or any political subdivision or public agency thereof shall not be pledged to the payment of the Bonds. No statement, representation or recital made herein shall be deemed to constitute a legal conclusion or a determination by the County that any particular action or proposed action is required, authorized or permitted under the laws of the State or the United States.

No recourse under or upon any obligation, covenant or agreement of this Resolution or the Bonds or any agreement executed in connection with the Bonds, or for any claim based thereon or otherwise in respect thereof, shall be had against any Board Member, the County Manager, the Clerk or the County Attorney or any other County staff or professionals retained by the County in connection with the issuance of the Bonds, as such, past, present or future, either directly or through the County, it being expressly understood (a) that no personal liability whatsoever shall attach to, or is or shall be incurred by, the Board Members, the County Manager, the Clerk or the County Attorney or any other staff of the County or professionals retained by the County in connection with the issuance of the Bonds, as such, under or by reason of the obligations, covenants or agreements contained in this Resolution or implied

therefrom, and (b) that any and all such personal liability, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such Board Member, the County Manager, the Clerk or the County Attorney or any other staff of the County or professionals retained by the County in connection with the issuance of the Bonds, as such, are waived and released as a condition of, and as a consideration for, the execution of this Resolution on the part of the County.

The approval given herein shall not be construed as: (i) an endorsement of the creditworthiness of the Borrower or the financial viability of the Project, (ii) a recommendation to any prospective purchaser to purchase the Bonds, (iii) an evaluation of the likelihood of the repayment of the debt service on the Bonds, or (iv) approval of any necessary rezoning applications or approval or acquiescence to the alteration of existing zoning or land use nor approval for any other regulatory permits relating to the Facility, and the Board shall not be construed by reason of its adoption of this Resolution to make any endorsement, finding or recommendation or to have waived any right of the Board or to have estopped the Board from asserting any rights or responsibilities it may have in such regard.

SECTION 6. Indemnification. The receipt of the Indemnification Certificate of the Borrower attached hereto as Exhibit B and incorporated hereby by reference is a material inducement to the County in granting the approvals set forth herein.
