Resolution

WHEREAS, on September 11, 2017, Hurricane Irma hit Brevard County, bringing nine inches of rain and 130 MPH winds to the area, prompting Governor Rick Scott to declare a state of emergency for Brevard; and

WHEREAS, debris management plans were put into action by Brevard County Solid Waste and remote management sites were identified, including one in Grant Valkaria on the north side of Valkaria Road across from the Habitat Golf Course; and

WHEREAS, the constant torrential rains along with the heavy equipment and trucks hauling debris caused field conditions at the site to deteriorate rapidly and by October 1st, the site had to be shut down because it was no longer usable for storm debris collection; and

WHEREAS, it was brought to the attention of Solid Waste Project Manager David Trafton that the site was also unusable for an upcoming fundraising event for Venture Crew 1715, Boy Scouts of America; and the fundraiser, Halloween Haunted Woods, has been held the past four years at this site and is the basis of this troop's budget for the year; and

WHEREAS, upon learning of the troop's situation, Trafton met with Brevard County Road and Bridge construction department manager Bruce Black and his foreman Ricky Dix to develop a plan to expedite the improvements to the property; and

WHEREAS, Trafton also contacted Pete Scholer of Ranger Construction Industries, Inc. to ask if he would collaborate with Brevard County on this project by donating asphalt millings to be used for the road base material; and Scholer gladly donated 25 truckloads of asphalt millings base material; and

WHEREAS, within one week of receiving the go ahead from Solid Waste Director Euri Rodriguez on the proposal for the reconstruction of the damaged site, crews from Brevard County restored the property to pre-hurricane condition by October 19th; and

WHEREAS, Venture Crew 1715, Boy Scouts of America completed event preparations on schedule and hosted the event on October 21st, raising over \$2,000.

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF COUNTY COMMISSIONERS OF BREVARD COUNTY, FLORIDA, does hereby commend

BREVARD COUNTY SOLID WASTE, BREVARD COUNTY ROAD AND BRIDGE, AND RANGER CONSTRUCTION INDUSTRIES, INC.
