Remit Report Due Date: 2026-06-15

Dear Holder:

The Unclaimed Property Division of the California State Controller's Office is pleased to inform you that your Notice Report has been approved. This letter is to provide your Remit Report ID and to remind you that your Remit Report, along with the delivery or remittance of all remaining unclaimed property, is due to the SCO on the date specified above. If the Remit Report and remittance are not received by the SCO during the specified timeframe, you will be subject to interest assessed at a rate of 12% per annum (California Code of Civil Procedure 1577). If you have returned the property to the owner, you must file a Negative Remit Report indicating the owners on your report have been refunded/reactivated. Holders of Safe Deposit Boxes or Safekeeping Repositories are to maintain the reported contents until contacted by the SCO with delivery instructions.

Remit Report Requirements/Guidelines:

Accounts Included on the Notice Report that Are No Longer Unclaimed - Holders must refund or reactivate owner properties when the property owner initiates activity on or contacts the holder expressing interest in the property prior to the date the holder is required to remit it to the SCO. For properties that were reported on the Notice Report that are no longer unclaimed because of owner contact or activity, the holder may either exclude the properties from the report entirely, or may include the properties on the report with appropriate Paid or Deletion Code. Please note that the holder will be signing an affirmation on the UFS-1 form verifying that all accounts reported on the Notice Report that are not included on the Remit Report are omitted because the property is no longer considered unclaimed due to owner contact, activity, or the return of the property to the owner. Reporting formats and forms can be found on the SCO website at www.sco.ca.gov/upd_rptg.html.

New Accounts Not Included on the Notice Report - Do not include properties on the Remit Report that were not included on the previously submitted Notice Report. California law requires that before unclaimed property can be transferred to the state, the SCO must send a notice to the owner to give them the opportunity to claim their property from the holder before it is transferred. Therefore, any new properties that were not included on the Notice Report should be reported on a separate Supplemental Notice Report and not included on the Remit Report.

EFT Instructions - Effective January 1, 2022, holders of unclaimed property must remit cash property by Electronic Funds Transfer (EFT) if the amount is \$2,000 or greater. Holders are encouraged to register for ACH-Debit remittance with the SCO as the EFT method is free to holders; however, other methods of transfer are available. For more information on EFT, please refer to the reporting instructions available at www.claimit.ca.gov/. To register for EFT prior to the next remit period, please contact SCO staff at updscoeft@sco.ca.gov or (916) 464-6220.

Transfer of Securities - Holders shall re-register securities in the name of the State Controller, State of California. The securities shall be delivered to the SCO either via electronic transfer to an account with the SCO's contracted broker, through the Depository Trust Company (DTC) or by submitting a duplicate certificate. The SCO prefers the electronic transfer method over the submission of duplicate certificates. A

hard copy of the Securities Summary of Reported Issues (SS-1) form (Rev. 03/11) is required with the Remit Report when remitting securities. If securities are being delivered electronically, remitters are also required to email the SS-1 form to the SCO at ucpdtcss1@sco.ca.gov and to the SCO's contracted broker at calif.statemail@wellsfargoadvisors.com at least 48 hours prior to transfer. The SCO's contracted broker will reject the security transfer without proper notification. For more information regarding transferring securities, please contact SCO staff at UPDSecRecon@sco.ca.gov.

Required Forms - Instructions for the Remit Report process are available on the SCO website at www.sco.ca.gov/upd_rptg.html.

For questions, please contact the Reporting Unit at (916) 464-6284 or ucpreporting@sco.ca.gov.

Sincerely,

Unclaimed Property Division
