New to the conference this year, attendees will have the opportunity to network with the conference speakers and interact with fellow attendees at the same time. The speaker will be facilitating a table topic discussion in a group setting providing an excellent opportunity for knowledge exchange. Attendees will get a chance to sign up for up to four table topics using the online registration form.

Speakers will be positioned at tables around the room. To start the event, attendees will join the first table topic they signed up for. After a brief introduction, the speaker will facilitate a conversation and lead a discussion on their topic. After a 20-minute round, then it's on to the next table for a total of four rounds! Best of all, discussions can be continued throughout the conference!
