MEMORANDUM

TO: Virginia Barker, Natural Resources Management Director

RE: Item L.1., Request of Public Meeting with Florida Department of Environmental Protection (FDEP) for Development Plans of SpaceX Wastewater Treatment Facility

The Board of County Commissioners, in regular session on February 22, 2022, granted approval to request a public meeting with the FDEP for the development plans of SpaceX Wastewater Treatment Facility that would discharge non-processed wastewater in Oyster Prong, a waterbody within the Indian River Lagoon.

Your continued cooperation is greatly appreciated.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
RACHEL M. SADOFF, CLERK

for: Danna Scott
Kimberly Powell, Clerk to the Board
