### St. Pete Beach: Pass-a-Grille Beach Dog Beach

Tucked away at the southern tip of St. Pete Beach, Pass-a-Grille Beach is the longest stretch of undeveloped beach in the area. Dogs on a leash are allowed on a small strip of sand south of the Merry Pier, between First and Third avenues. Dogs are not allowed on any other public beach or beach access in St. Pete Beach.

### Sanibel Island: Gulfside City Park

Gulfside City Park features beach access, a nice picnic area, and a nature trail. Dogs on a leash are allowed on Algiers Beach.

### Sanibel Island: Bowman's Beach

Dogs on a leash no longer than 6 feet are allowed in the park and on the beach.

Tampa: Davis Island Dog Beach and Park

OFF-LEASH DOG BEACH. Davis Island Dog Parks are located at 1002 Severn Ave on Davis Islands. The parks are two separate fenced in areas located at the South end of the Island, past the Peter O. Knight Airport. The dry dog park is approximately 1 acre. The dog beach is 1.5 acres with more than 200 feet of waterfront access.

Tampa: Picnic Island Park Dog Beach, 7409 Picnic Island Blvd., Tampa, FL 33616

OFF-LEASH DOG BEACH. Located in Port Tampa, Picnic Island Park encompasses 7.8 acres of sandy beach access. Dogs are welcome to play off-leash on the beach at this park. Just be careful as the area is not fully fenced so if your pet isn't voice trained you may have issues. There is a children's play area as well, with water for both dogs and humans.

Tierra Verde: Fort De Soto Park, Paw Playground and Dog Beach

OFF-LEASH DOG BEACH. The only Pinellas County park where dogs are allowed on the beach is the dog park at Fort De Soto park. In addition to having side-by-side, fenced-in dog parks for small and big dogs, Fort De Soto Park has a strip of beach available for dog owners and their furry friends to run without a leash. Dog owners can lay out on the beautiful, white sandy beach and let their dogs socialize with dozens of other animals. If your dog is hot and thirsty, back in the fenced in dog park is a cooling off area with a hose and two water fountains, one for humans and one for dogs. Once inside Ft. Desoto Park, turn right towards the North Beach and the Paw Playground is by the fishing pier on the left.

Venice: Brohard Beach and Paw Park, 1600 South Harbor Dr., Venice FL 34285

OFF-LEASH DOG BEACH. A fenced dog play yard leads to the only beach area in the county where dogs are allowed. Located at 1600 South Harbor Dr., the park includes a fenced in area where dogs can run leash-free during daylight hours and access to a beach where dogs are allowed off-leash.

**Subject:** Citizen Request to Allow Dogs on the Beach in Brevard County

**Date:** July 31, 2019

**Authors:** Parks and Recreation Department with Assistance from Brevard County Animal Control, County Attorney's Office and Natural Resources Department

---

Introduction: Ms. Donna Post submitted a citizen request to allow dogs on the beach in Brevard County. She is requesting to allow dogs on an 11-plus mile section of beach in the south area of Brevard County from Sandy Shoes Resort to the Sebastian Inlet.

Background: Attachment A, Brevard County, FL Code of Ordinances Sec. 14-60 – Public parks and beaches (a) states that “No animal shall be permitted or allowed into or on any public park or beach; provided, however, that an area in a public park or beach may be designated for animals by resolution of the board, or by the governing body of any applicable municipality.”

On October 4, 2011, the Board of County Commissioners approved the creation of a dog beach at Canova Park. The grand opening for the Canova Dog Beach was held in February 2012. There have been no major issues with the dog beach. In February 2019, the City of Cocoa Beach began allowing dogs to be on the beach from 4<sup>th</sup> Street S to 16<sup>th</sup> Street S from 7-10am and 4-7pm with the daylight-saving time hours from 5-9pm. It is my understanding that, apart from education issues, there have been no major issues with the Cocoa Beach dog beach.

Considerations: The proposed area is within the Archie Carr National Wildlife Refuge (Refuge) which stretches across 20.5 miles between Melbourne Beach and Wabasso Beach along the Atlantic Ocean in Brevard and Indian River Counties. The Refuge was established in 1991 for protection of and habitat conservation for threatened and endangered sea turtles and other species.

Specifically, the Refuge was designated to protect habitat for what is the most significant area for loggerhead sea turtle nesting in the world, and the most significant area for green turtle nesting in North America. This represents 20-35% of all loggerhead and green sea turtle nests in the US. It also serves as a minor nesting area for the leatherback sea turtle, which is one of the world's largest and rarest sea turtles. According to the Refuge website this habitat is essential to the reproductive success and survival of the 15,000 to 30,000 sea turtle nests laid annually.

# Staff Report

The proposed 11-plus mile stretch of beach within the Refuge includes property owned by federal, state and county government as well as private landowners. Agencies managing public properties within the Refuge include:

US Fish and Wildlife Service

State of Florida/US Fish and Wildlife Service

State of Florida/Brevard County

State of Florida/County Environmentally Endangered Land (EEL)

State of Florida/County (SOC)

Brevard County Environmentally Endangered Lands

Brevard County Parks and Recreation Department

Attachment B depicts the government-owned/managed lands within the Refuge.

County ordinance 14-60 prohibits dogs on public beaches throughout the county and municipalities.

A representative from the Florida Department of Environmental Protection stated that “the State has no prohibition of dogs being allowed on the beach or seaward of the mean high. All is regulated by the local jurisdiction.”

The Refuge is subject to the U.S. Fish and Wildlife agency management plan which does not allow dogs or cats on federally-owned properties. The US Fish and Wildlife Service, on page 180 of its Comprehensive Conservation Plan (CCP) has determined that pets are not appropriate for the Refuge and are not allowed on the Refuge (federal) managed lands. The Archie Carr CCP can be found at:

<https://catalog.data.gov/dataset/archie-carr-national-wildlife-refuge-comprehensive-conservation-plan>

In addition, the County Attorney's Office advises that the County's potential liability under Endangered Species Act (ESA) should be carefully considered before authorizing dogs on the beach within the Refuge. The ESA protects threatened and endangered plants and animals and the habitats in which they are found, including the threatened and endangered sea turtles and sea turtle nesting areas within the Refuge. Regulatory acts could create liability for the County if the authorized acts are likely to result in an

# Staff Report

ESA violation. Specifically, courts have held that regulatory action by a local government may result in ESA liability if there is a close connection between the

allowed conduct and habitat destruction or killing of endangered species. Florida Panthers v. Collier County, 2016 WL 1394328 (M.D. Fla April 8, 2016); Loggerhead Turtle v. Volusia County, 92 F.Supp. 2d 1296 (M.D. Fla 2000).

In consultation with Brevard County Animal Services, 26 animal enforcement citations and 1 warning citation were issued from July 1, 2018 through July 1, 2019 in the south beaches area.

Options: The Board of County Commissioners could, at its discretion,

- (1) Take no action,
- (2) Designate a section of beach for dogs in the south area of the County mirroring what was done at Canova Beach, or
- (3) Provide staff with an alternate direction.

## Sec. 14-60. - Public parks and beaches.

- (a) No animal shall be permitted or allowed into or on any public park or beach; provided, however, that an area in a public parks or beach may be designated for animals by resolution of the board, or by the governing body of any applicable municipality. In that event, the area provided for animals must be properly identified and posted by the county or the appropriate municipality.
- (b) It is a violation of this article for the owner of an animal to permit or allow the animal into, or on, any public park or beach not designated for animals and not properly identified and posted. However, a disabled person, as defined under the Americans With Disabilities Act, shall have the right to be accompanied into or on any public park or beach by a service animal without violating this section.
