Deb,

I do apologize for any confusion, I should have Bcc'd you , honestly it slipped my mind . As Pat clarified the Appointment is not a Brevard county (Board or Committee ) appointment.  
Commissioner Smith sits on CFX – Central Florida Expressway he is the Brevard County Commissioner representative for Brevard County for the CFX . CFX is very large & has Commissioners and Officials from all over Florida dealing with Florida roads and tolls . Anyway the CFX Board has created a subcommittee and Commissioner had to appoint someone to this new committee . I reached out to Eden and she advised that as a formality we go through our Appointment process. Deb, you don't have to do anything with it . CFX has contacted Mr. Barfield and explained his term and position. Again sorry I should have gave you a heads up via email or call .

Stay safe and healthy ,  
Best regards,

*Christine Bellak*

Hi,

This is an appointment that Commissioner Smith must make to a new sub-committee of the CFX board. It is not part of our normal county appointees. Eden thought that he ought to get the Board approval anyway, so that is why it is on the agenda.  
Please stay safe.

Regards,
