AGENDA REPORT
BREVARD COUNTY BOARD OF COUNTY COMMISSIONERS

SUBJECT:	Adopt Resolution and Release Performance Bond: Modern Duran Developer: The Viera Company Fiscal Impact: None District 4
DEPT/OFFICE:	Public Works Department

Requested Action:

In accordance with Section 62-2844(b), it is requested that the Board of County Commissioners adopt the attached Resolution and authorize the Chairman to sign the Resolution releasing the Contract and Surety Performance Bond dated January 26, 2016 for the above referenced project.

Summary Explanation & Background:

Modern Duran subdivision is located within the Viera DRI approximately 1000 feet west of Stadium Parkway on the south side of Judge Fran Jamieson Way. It contains 19 detached single family lots, on approximately 6.74 acres.

The Modern Duran subdivision received preliminary plat and final engineering plans on November 17, 2015, and final plat and contract approval on January 26, 2016. The developer posted a Surety Performance Bond for guarantee of the completion of the infrastructure improvements according to the approved plans.

Per Section 62-2809(b)(2), "Construction after final plat recordation: ...the applicant shall provide security required in Section 62-2844 for the performance of such construction..." Section 62-2844(a) states: "An applicant shall be required to secure its performance security of the construction required under this article by a surety bond, letter of credit, savings account, certificate of deposit or execution of a tri-party escrow agreement. Such security shall not be required if a certificate of completion has been issued for all the subdivision improvements prior to final plat recordation. Because the applicant chose to plat the subdivision prior to completion of construction, the applicant entered into Contract with the Board and posted a Surety Performance Bond to guarantee the completion of the infrastructure improvements according to the approved plans.

As of March 13, 2017, the Modern Duran Subdivision infrastructure improvements have been completed. We are requesting the Board of County Commissioners adopt the attached Resolution to Release the Contract and Surety Bond back to the Developer.
